SOPHOMORE REVIEW OF 1958-59

- SEPTEMBER** —School started again, beginning a long hard three year grind for the sophomores. Football season started off with a bang.
- OCTOBER** —“Sophomore Orientation Week.” All sophomores were “requested” to wear their beanies to the Anniversery Dance. We got our first taste of the Trojan school spirit.
- NOVEMBER** —Elected our class officers and had a few days rest over the Thanksgiving holidays.
- DECEMBER** —Christmas Formal and the beginning of the Christmas holidays.
- JANUARY** —Returned to school and faced mid-term exams.
- MARCH** —This month our class sponsored a party in the cafeteria.
- MAY** —Final exams and a long needed summer vacation. Just think, next September we will be juniors!!!
