FACILITY NEEDS	Bond Costs	<u>EXPLANATION</u>
A. Middle School Concept (Grades 5-6)		
DeZavala (existing)	X	Conversion of existing DeZavala Fifth Grade Center to middle school (grades 5-6) offering enrollment relief to Kruse, Richey, Morales and Gardens elementary schools and Jackson Intermediate; no renovation needed. (transition)
Morris (existing)	X	Conversion of existing Morris Fifth Grade Center to middle school (grades 5-6) offering enrollment relief to Moore, Atkinson, Meador elementary schools and Beverly Hills Intermediate; no renovation needed.
Softball Complex Property (owned)		·
North Central Pasadena (unsecured)	\$16.6	Middle school campus serving 5-6 grades at South Shaver, Pomeroy and Sparks elementary schools and Southmore Intermediate School (transition)
Rebel Arms Property (owned)	\$16.6	Middle school campus serving 5-6 grades at Genoa, Teague, Turner elementary schools and Bondy Intermediate School
Roberts Property (owned)	\$16.6	Middle school campus serving 5-6 grades at Young, Freeman, Pearl Hall, Garfield elementary schools and Miller Intermediate School
District's Blackhawk Property (owned)	\$16.6	Middle school campus serving 5-6 grades at Burnett, Stuchbery, Frazier, new Riverstone area elementary school and Thompson Intermediate School
Gilley's (unsecured)		Middle school campus serving 5-6 grades at Bailey, Fisher, Jensen, Golden Acres and Park View
North East Pasadena (owned)		
Hobby Area (unsecured)	\$16.6	Middle school campus serving 5-6 grades at Jessup, Matthys, South Houston elementary schools and South Houston Intermediate School
B. New Elementary Schools (Growth)		
Jessup Area (owned)	\$13.8	New elementary school constructed to relieve projected 1400-1500 enrollment at Jessup Elementary
Riverstone Ranch Area (owned)	\$13.8	New Elementary school constructed to relieve projected enrollment in the Frazier attendance zone as Riverstone development expands
C. Replacement Schools (Age/Condition)		
San Jacinto	\$24.5	The facility assessment lists the FCI above 65 percent making the school a prime candidate for replacement instead of renovation; replacement will be in the current attendance zone.
Southmore	\$24.5	The facility assessment lists the FCI near or above 65 percent making the school a prime candidate for replacement instead of renovation; older sections of the building exceed FCI of 65; replacement will be in current attendance zone.
Richey	\$13.8	The facility assessment lists the FCI above 65 percent making the school a prime candidate for replacement instead of renovation; replacement will be built on site.
Kruse	\$13.8	The older wings of Kruse Elementary must be replaced. There is no room on-site to address the construction of new wings. Moving the campus to a new location near its present site will maintain is historical neighborhood connection and provide additional acreage for DeZavala as it becomes a middle school campus.
		Campus built in the 1950s with no major renovations in recent years. Replace existing facility with new campus to handle enrollment growth, resolve persistent internal air quality issues and provide South Houston High School additional acreage for expansion of athletic fields
Pearl Hall	\$13.8	High School additional acreage for expansion of athletic fields.

FACILITY NEEDS	Costs	
D. Facility Assessment Renovations		
		Includes renovations to identified schools or facilities that include safety measures, asbestos abatement, major
Priority 1 Items	\$1.98	HVAC replacement, roof repair, parking, restroom renovations, ADA compliance, electrical upgrades.
Thomy Thems	Ψ1.70	Includes renovations to 40 schools or facilities that include safety measures, asbestos abatement, major HVAC
		replacement, roof repair, parking, restroom renovations, ADA compliance, electrical upgrades and renovations
		at Pasadena, South Houston, Sam Rayburn and Beverly Hills campus. Under "no aid" scenario, the number of
Priority 2 Items	31.10	facility renovations will be reduced.
E. Major Additions		
A 11'' (. M ' . 1 (Building expansion will increase enrollment capacity to 2,700 students, including 28 new classrooms and
Addition to Memorial (approximately 700	¢ 6 00	expansion of physical education and athletic facilities and parking and detention additions now required by
Students)	\$6.98	code. Building expansion will increase enrollment capacity to 3,500 students, including 20 new classrooms,
		expansion of the cafeteria and physical education and athletic facilities and parking and detention additions
Addition to Dobie (approximately 500 Students)	\$6.20	now required by code.
(TI		Includes 22 additional portables to temporarily address any increased enrollment beyond projected capacities
Portables	\$3.40	of the high schools.
Total Construction Costs	\$250.66	
F. Additional Costs	¢15.00	
Land and Related Costs	\$15.02 \$10.00	For new school locations present and future purchased at today's costs.
Technology	\$10.00	Instructional computers and other technology for classroom use. An additional 82 buses will be needed over the next five years to help address the growth and maintain the
Buses	\$5.00	replacement cycle of our current fleet.
2 4545	Ψ2.00	All secondary schools use digital video surveillance to enhance campus security. The system needs to be
Security Cameras-Elementary	\$3.00	expanded to the elementary schools to provide tighter security for students and staff.
		In an effort to reduce operational costs of the fleet, a satellite transportation center in the Dobie area will
		reduce wear and tear on the fleet and gasoline consumed. Closer proximity to southwest portion of the district
Satellite Transportation Center-South Belt area	\$2.50	will provide quicker response times to campuses.
		Maximizing the use of the Pasadena Center complex by housing the district's police department and technical
	ф1 5 0	services departments at the site. Access to Beltway 8 will allow quicker emergency response times to more of
Pasadena Center Phase II (Police-Tech. Serv.) Total Additional Costs	\$1.50 \$37.02	the district.
Total Additional Costs	φ31.0Z	
G. Fees		
		Construction management firm will provide planning, financial review and oversight to the bond program
Facilities Management Fees	\$10.71	from beginning to end.
Cost of Bond Sales	\$1.49	Cost affixed by lenders to the sell of bonds.
Total Cost	\$299.88	
Total Cust	Ψ⊿J7.00

FACILITY NEEDS	Costs	
		Based upon financial models developed by the district's financial analyst and contingent upon state aid. By
		law, the community must first pass the bond issue before the district can apply for state funding. In the past,
		Pasadena ISD has received from the state between 52-62 percent of the cost of its last two bond programs.
Estimated Tax Impact	3 cents
