Do you ever feel disconnected during a job search? Do online submissions leave you with a lot of questions?

Join the Pasadena ISD Human Resources Department for a Meet & Greet from 10 a.m. to noon, Wednesday, June 22 at the Dr. Kirk Lewis Career & Technical High School.

Pasadena ISD is looking for certified teachers, individuals who are enrolled in an Alternative Certification Program, student teachers pending certification and other licensed professionals who are ready to work as school teachers at various grade levels.

This is an opportunity to speak with administrators from high schools, intermediate schools, middle schools, alternative campuses and elementary schools and give them copies of your resume. Although no interviews will take place during the event, the opportunity for a great first impression is priceless.

No registration is required, so put your best foot forward and we hope to see you there!
