☑ Overview of Certain Financial/Bond Ratings

- ☐ **Overview:** Pasadena Independent School District (the “District”) has been assigned the following independent financial/bond ratings that indicate the relative strength of the District’s financial and debt management:
 - **School Financial Integrity Rating System of Texas (“FIRST”):** Pursuant to Subchapter D, Chapter 39 of the Texas Education Code, the State annually deploys a financial accountability rating system to distinguish the level of a school district’s financial performance based upon certain uniform criteria.
 - ✓ Based on data for year 2015/16, the District was assigned a 2016/17 FIRST Rating of “Superior” and the District’s score was 96 out of a possible 100 points.
 - **Credit Ratings:** The District also maintains independent ratings from certain nationally recognized credit rating agencies, such as Moody’s Investors Service and S&P Global Ratings that evaluate the District’s financial strength and its ability to pay its existing bonds.
 - ✓ **Moody’s Investors Service:** Assigns a “Aa2” credit rating to the District, defined as “Judged to be of high quality and are subject to very low credit risk.”
 - ✓ **S&P Global Ratings:** Assigns a “AA” credit rating to the District, defined as “Having a very strong capacity to meet its financial commitments. It differs from the highest-rating only to a small degree.”

For comparison purposes, S&P Global Ratings assigns a credit rating of “AA” to the United States of America.

Overview of State Funding System

- ❑ **State Funding System – Where Do the District’s Revenues Come From:** Pasadena ISD is legally required to operate pursuant to the requirements of the Texas Education Code. In particular, the Texas Education Code determines the District’s ability to generate local tax revenues for maintenance & operation purposes and for the repayment of voter-approved bonds. In this regard, the District annually sets two (2) separate tax rates that are levied upon its certified taxable value that is independently determined by the Harris County Appraisal District:
- **Maintenance & Operations (“M&O”) Tax Rate:** To provide funds for the “day to day” operational expenses of the District, including instructional programs, teacher salaries, instructional supplies, security, student transportation, extracurricular activities, utilities, facility infrastructure/maintenance, etc.
 - ✓ The District’s annual funds for maintenance & operation purposes primarily consist of a combination of State funding and local M&O taxes. In general, the dollar amount of each component is determined by the District’s “Equalized Wealth per Student” (i.e. taxable value / weighted average daily attendance) as set by the State. For year 2016/17, the District’s sources for M&O revenues are summarized below.

☑ Overview of State Funding System

- Interest & Sinking Fund (“I&S”) Tax Rate:** To provide funds to pay the principal and interest on bonds approved by a majority of voters for capital improvements. The following summarizes the District’s bond programs approved by voters over the last 20 years:
