

Steps on Handling Counterfeit Money

Once you determine that you have received counterfeit money.

- Call the PISD police department and report that you received counterfeit money.
 - The police department will give you a case number.
 - The police department in turn sends the counterfeit money to the Secret Service.
- DO NOT deposit the money.
 - The police department will need to take the counterfeit money.
- Make notes of who gave you the money or where you got it.
 - Do not confront anyone about the counterfeit money.

The PISD police department has asked that you not give counterfeit money back, their goal is to take counterfeit money out of circulation.
