TIMELINE	ACTION	RATIONALE
August 1, 2020	Online registration resumes.	Complete enrollment process prior to first day of school.
August 4, 2020	Last day to choose face-to-face or virtual learning platform for first grading period.	Expedite creation of student schedules.

August 18, 2020	First day of school. All students will attend virtually.	Due to the continual rise in transmission of COVID-19 across our community, starting with virtual learning for all students is the best course of action.
September 8, 2020	Face-to-face students report to their home campus for instruction. All other students continue with virtual learning.	Families who chose virtual learning will be allowed to continue with this learning platform and those who chose face-to-face will report to their home campus.
