ELIGIBILITY GUIDELINES

PURPOSE:

The Pasadena ISD Education Foundation shall, for the 2017-2018 school year, select one male and one female senior from among the Pasadena ISD's five high schools for scholarship awards.

AMOUNT OF SCHOLARSHIP

A total of two (2) scholarships shall be awarded, each representing a one-time, non-renewal cash award of \$2,500.

ELIGIBILITY:

The scholarship recipient must be a 2018 graduate of a Pasadena ISD high school. The student's high school counselor may certify a mid-term graduate as eligible if that student meets all other scholarship eligibility requirements.

The scholarship recipient must be in good academic and disciplinary standing as indicated by the Pasadena Independent School District PK – High School Student Handbook and Code of Conduct 2017-2018 Leadership Positions. Eligible candidates must have completed two (2) concurrent years at a PISD High School.

The scholarship recipient must have participated in a University Interscholastic League sport during the student's senior year; or must have been eligible for participation and would have participated had not an injury or a situation beyond the student's control precluded that participation; or must be a student of exceptionally high character who has made a substantial and profoundly beneficial impact on athletic programs at the student's high school.

Preferred scholarship candidates will be those who have actively pursued admission to a tuition-based college or tuition-based career training program. However, it is not required that a candidate be pursuing plans to participate in intercollegiate athletics. For the purposes of awarding this scholarship, no penalty of any kind will be applied to a candidate who does not plan to participate in intercollegiate sports.

ELIGIBILITY CRITERIA:

Potential scholarship recipients will be assessed according to the following criteria, with each carrying roughly equal weight:

Athletic Participation:

The applicant must be a 2018 graduating student who has mastered, or has attempted to master, the skills and principles of the athletic programs in which the student has participated. No assessment will be made strictly on the basis of varsity letters won, statistics compiled or honors received. A student who has not participated in UIL athletics at all may be deemed to have excelled in this area if the student's strong support of school athletic programs and demonstration of principles central to the mission of Pasadena ISD athletics is of an exceptional and commendable nature. The applicant's athletic record will be verified by the Campus Athletic Coordinator after the submission of the application.

Campus and Community:

The degree to which the student has demonstrated and represented -- on campus and within the community -- the core principles of hard work, persistence and sportsmanship that define the primary mission of Pasadena ISD athletics.

Academics:

Students must have a minimum cumulative high school grade point average at the end of the 1st semester of the 2017-2018 school year of 2.5 (2.5 on a 4.0 unweighted scale). The applicant's GPA will be verified by his/her counselor after the submission of the application.

Post-High School Plans:

The student must indicate post-graduation plans to attend a college, university or career training program.

PAYMENT OF SCHOLARSHIP

A total of two (2) scholarships shall be awarded, each representing a one-time, non-renewal cash award of \$2,500.

Scholarship funds shall be proffered in the recipient's name to an appropriate enrollment office at a college or career training program of the recipient's choosing, available to the recipient for the sole purpose of tuition/fee assistance only when the recipient enrolls in that college or training program. Funds will not be given directly to the recipient.
