Architecture

Optometry

Landscape architecture

Professional engineering

Land surveying

Real estate appraising

Medicine

Professional nursing

Accounting (audit services belong in object code 6212)

These professionals are required to be licensed or registered with the state. Professional services are delivered by an independent contractor (individual, entity or firm) that offers its services to the public. Such services are paid on a fee basis for specialized services that are usually considered to be temporary or short-term in nature, normally in areas that supplement the expertise of the school district. This includes all related expenditures/expenses covered by a professional services contract, if the contracted service is not detailed in object codes 6211 through 6214.

6220

Tuition and Transfer Payments

Tuition payments are made when the school district pays for tuition to institutions of higher education on behalf of a staff member or a student. Transfer payments are made when the school district pays for students to attend another school district, either private or public.

℞ 6221

Staff Tuition and Related Fees - Higher Education

This code is used to classify expenditures/expenses for services rendered by institutions of higher learning for the benefit of school district personnel. Expenditures/expenses classified in this account are excluded from the calculation of indirect cost rates.

℞ 6222

Student Tuition - Public Schools

This code is used to classify expenditures/expenses for tuition if a school district is under contract with public schools to provide instructional services to students. This includes payments made to school districts under Section 29,201, TEC, Public Education

℞ 6291

Consulting Services (Effective fiscal year 2008/09; September 1 or July 1 depending on fiscal year end)

This code is used to classify expenditures/expenses for consulting services. Consulting services refer to the practice of helping districts to improve performance through analysis of existing problems and development of future plans. Consulting may involve the identification and cross-fertilization of best practices, analytical techniques, change management and coaching skills, technology implementations, strategy development, or operational improvement. Consultants often rely on their outsider's perspective to provide unbiased recommendations. They generally bring formal frameworks or methodologies to identify problems or suggest more effective or efficient ways of performing tasks. Consulting services cover all functional areas such as instruction, curriculum, and administration.

Professional services are coded to 6219.

Education Service Center services are coded to 6239.

Normal contracted maintenance and repair of items is coded to 6249.

Other miscellaneous services would be coded to 6299.

6292-6293 Reserved for Future State Definition

These codes are reserved for future state designation and are not to be used by the school district.

℞ 6494 Reclassified Transportation Expenditures/Expenses

This code can be used as an option to identify expenditures/expenses for transportation costs other than those incurred for the purpose of transporting students to and from school. Expenses from various expenditure object codes for salaries, fuel, etc., in Function 34 (Student Transportation) should be reclassified to this expenditure object code with the appropriate function assigned. Examples of such costs include those associated with field trips (Function 11) and cocurricular/extracurricular activities (Function 36). Identification of the costs of transporting students for any purpose other than to and from school is required under Section 34.010, TEC.

℞ 6495 Dues (Effective fiscal year 2008/09; September 1 or July 1 depending on fiscal year end)

Expenditure/Expense Object Codes		
Class	Major	Detail
X	X	XX

This code is used to identify expenditures/expenses for dues paid to clubs, committees, or other organizations. Examples of organizations are TASA, TASP, TASB, Lions Club, Rotary Club, local chambers of commerce and other associations. This does not include any registration fees associated with attending conferences or seminars, which are coded to account 6411. Dues paid on behalf of an employee should be coded to that employee's function code; dues paid on behalf of the district should be coded to function 41. Prior to this change, dues were included in object code 6499.

6496 Reserved for Future State Definition

This code is reserved for future state designation and is not to be used by the school district.
