Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff.

Performance Objective 1: During the 2016-2017 school year, each campus will sustain a focus on maintaining a safe and disciplined environment conducive to student learning and employee effectiveness as measured by 100% of all staff receiving training in the District's behavioral/safety initiatives.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Implement Conscious Discipline strategies with students.			
2) Provide opportunities to attend training in Behavior Management.			
3) Provide mediation, conflict resolution, bullying and Conscious Discipline training opportunities for students and staff under the direction of the District Behavior Intervention Response Team (BIRT). Bullying occurs when a student or group of students exploits an imbalance of power between the student perpetrator who is engaging in bullying and the student victim through written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at a school-related activity, or in a vehicle operated by the District and that: has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm or is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student. The complete policy can be found at FFI (Local).			
4) Implementation of safety crisis management plans, including safety drills.			
5) Provide training opportunities and implement effective strategies through Safe and Civil Schools to reduce inappropriate behavior.			
6) Provide training opportunities for Gang Awareness and Character Education programs.			
7) Provide staff development to teachers, administrators and support staff on the district's dating violence policy, discrimination, and harassment. See full policy at FFH (Local.) Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct: affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment; has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or otherwise adversely affects the student's educational opportunities.			
8) Utilize behavior specialists to provide intervention strategies and develop intervention plans for students with chronic misbehavior.			
9) Implement an age appropriate and vertically aligned guidance curriculum.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: Develop a district-wide system to meet, manage, and respond to daily and emergent health care needs.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide staff development opportunities for CPR/AED training and response to campus emergencies.			
2) Provide training opportunities for all employees on: Bloodborne Pathogens, Child Abuse Overview, Diabetes, Anaphylaxis, and Hazardous Materials.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: By June 2017, district will sustain a focus on safety for all students and employees as measured by increased awareness and protocol implementation.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide ongoing training for crisis management.			
2) Establish protocols for safety procedures for field trips.			
3) Provide opportunities for employees to be trained in personal safety.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: By June 2017, establish programs to increase opportunities to foster patriotism, civic duty and global citizenship.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Ensure utilization of resources to teach significance and protocols of state and national symbols, examine differences in cultures and experience civic duty responsibilities.			
2) Provide support for student and staff participation in service learning opportunities.

Bush Elementary Performance Objectives 2016-2017

Goal 1: We will ensure rigorous curriculum and relevant learning experiences that promote real life application.

Performance Objective 1: During 2016-2017, 100% of at-risk students will receive differentiated instruction designed to create success in the classroom and increase skills necessary to perform at or above the state average on state assessments.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Facilitating training on understanding and interpreting test data in order to identify students at-risk of academic failure.			
2) Keep parents informed of student progress through report cards and progress reports at 3 weeks intervals.			
3) Provide staff development to increase best teaching practices to meet at-risk student needs.			
4) Review standardized test scores, school records, discipline records, etc. to identify the needs of at-risk students.			
5) Utilize the Intervention Assistance Team to identify students in need of academic, behavioral, and/or emotional intervention.			
6) Utilize Waterford and Istation programs to identify and prescribe reading growth for identified students.			
7) Monitor Migrant Student data and provide assistance where needed.			
8) Provide a framework to assist teachers in implementing instruction that will include prerequisite skills and enrichment activities for students at various levels of development in a gradual release model.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: During 2016-2017, maintain the campus attendance rate at 96% or above for all students.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Teachers will report absences and tardies on the GradeSpeed system.			
2) Teachers will make a call home anytime a student accumulates 2 or more consecutive absences.			
3) Staff will present special awards to perfect attendance each nine week period.			
4) District truancy policies will be implemented for excessive absences and tardies.

Performance Objective 3: During 2016-2017, the alignment of the curriculum TEKS, and STAAR reporting categories will ensure that performance of all students will meet or exceed the state average.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Offer tutorials to students with grades below 75 as well as those who have not mastered STAAR standards.			
2) Recommend low-performing students for intervention through a data driven process.			
3) Provide tutorials for students identified through the intervention team.			
4) Offer small group tutoring to struggling students.			
5) Review teachers' lesson plans to check for TEKS correlation, integration, implementation of timelines, and use of high yield strategies.			
6) Provide targeted reading instruction through the balanced literacy framework.			
7) Plan T-TESS activities to increase rigor and relevance of instruction.			
8) Follow District and state guidelines for Response to Intervention to meet the needs of academically struggling students.			
9) Meet with parents about the Response to Intervention Process and how the parent(s) can assist at home.			
10) Review data and plan according to the results for targeted instruction.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: During 2016-2017, provide staff development that focuses on the implementation of effective instructional strategies designed to meet the needs of all students and close the achievement gap between student groups.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Increase integration of technology into the curriculum.			
2) Participate in grade level instructional meetings, partner teacher groups, and curriculum expert meetings.			
3) Create expert groups for purposes of vertical and horizontal curriculum alignment and data disaggregation.			

4) Utilize the Coaching Institute through opportunities for peer coaching.			
5) Facilitate opportunities for academic book studies among teachers.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 5: During 2016-2017, provide school-wide academic support with federally funded compensatory programs and materials to accelerate learning for students who are having difficulties achieving grade level curriculum successfully.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide parent education on Title 1 procedures			
2) Provide small group instruction for students who are not successfully mastering the TEKS/STAAR standards.			
3) Provide tutoring for accelerated reading strategies for identified students.			
4) Provide Peer Coaching and Literacy Coaching to improve teaching practices in classrooms.			
5) Monitor and assess data of migrant, homeless and at-risk students. Use the data to institute specific instructional strategies that directly correlate to the needs of the students.			
6) Provide all staff with the training necessary to implement differentiated instructional strategies such as small group instruction and cooperative learning.			
7) Monitor and assess data of special education students. Use the data to institute specific instructional strategies that directly correlate to the needs of the students. Submit data to TAIS coordinator.			
8) Provide small group instruction for special education students who are not successfully mastering the TEKS/STAAR standards.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 6: During 2016-2017, provide an array of learning opportunities geared for gifted and talented students to meet their unique needs and provide extended support services.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide weekly opportunities for students identified as Gifted and Talented to participate in a research-based, pull-out instructional program.			
2) Implementation of differentiated research-based instructional strategies for Gifted and Talented students within their classroom.			

3) Systematically monitor each teacher certification and training to establish clearly defined student referral guidelines for the identification of Gifted and Talented students.			
4) Provide a variety of learning experiences for gifted students.			
5) Provide Gifted and Talented certified teachers with district-wide and campus-based staff development to ensure consistent implementation of curriculum and rigor and relevance standards for Gifted and Talented students.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 7: During 2016-2017, ELL students will receive services according to the LPAC specifications in efforts to address the diverse needs of our community.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Determine correct placement for students that qualify for bilingual or ESL services.			
2) Provide content-based ESL instruction to ELL students that develops academic language.			
3) Ensure that students in the Transitional Bilingual program will acquire and develop the English language by following the bilingual continuum accross grade levels as mandated by the District			
4) Evaluate bilingual students to determine language of testing as documentation for mid-year LPAC			
5) Train teachers and staff on LPAC, IDEA, TELPAS, ELL strategies, stages of language acquisition, etc.			
6) Hold end-of-year LPAC to determine placement and ESL level for ELL students.			
7) Encourage all teachers to become ESL certified.			
8) Provide LPAC parent representative with training and updates yearly.			
9) Align curriculum to state TEKS both horizontally and vertically across grade levels.			
10) Implement Balanced Literacy program to individualize instruction to meet the needs of all students.			
11) Provide small group instruction for students who are not successfully mastering the TEKS/STAAR standards.			
12) Provide tutoring for accelerated instruction for identified students.			
13) Provide Peer Coaching and Literacy Coaching to improve teaching practices in the classrooms.			
14) Conduct parent and community surveys.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 8: During 2016-2017, our campus will collaboratively work with the District Special Education Office to ensure that all the needs of each student are met including 100% compliance with all federal and state requirements.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Identify and characterize the needs of exceptional children.			
2) Assess early intervention processes.			
3) Review student data on an individual basis and consider the least restrictive environment prior to placing students in a special education setting.			
4) Evaluate the impact of current services on students' needs.			
5) Educate parents on strategies to help support their child's continued education, both academic and behavioral.			
6) Provide quality staff development for teachers that service special education students.			
7) Train teachers on implementing Accommodations and Modifications in the classroom to meet the needs of all students.			
8) Implement Project Read curriculum strategies during inclusion/resource classes.			
9) Provide inclusion support for identified students.			
10) Provide dyslexia intervention services for students who qualify.			
11) Review student data to determine appropriate assessments.			
12) Review results of student assessments to determine the need for Accelerated Instruction/ Intensive Program of Instruction.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 9: During 2016-2017, all students participating in the Dual Language Program will develop high levels of proficiency in both languages, English and Spanish as measured by an increased achievement at or above grade level.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Use research-based instructional strategies (RBIS) to train DL teachers.			
2) Ensure that students in the Dual Language program will develop and maintain their native language as they acquire English/Spanish.			
3) Conduct scheduled parent conferences about the DL students' progress.			

4) Implement Balanced Literacy strategies in the DL classrooms for individualized instruction in language acquisition.			
5) Work collaboratively with district-level administrators to ensure a quality transition through high school graduation.			
6) Execute a DL end-of-year program for existing DL students.			
7) Identify and recruit students to apply for the Dual Language program at the Kindergarten level for the 2016-2017 year.			
8) Conduct ongoing staff development for Dual Language teachers.			
9) Hold end-of-year LPAC to determine placement and ESL/SSL level for students in the Dual Language Program.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 10: During 2016-2017, our campus will ensure that all legal requirements are met so that every student will have access to full curriculum and facilities.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Campus will follow district policy to ensure students with disabilities have access to facilities.			
2) Campus will work collaboratively with the District Special Education Office to ensure initial evaluations to determine special education eligibility are completed within the required timelines.			
3) Campus will follow district policy regarding parental request for special education evaluation.			
4) Campus will work collaboratively with the District Special Education Office to document appropriate State Assessment Decision-Making Process for students with disabilities by (1) use of data from progress monitoring, CBAs, etc. to make determinations regarding state assessments and ensure progress, (2) ensure ARD Document clearly delineates the need for assessment data and (3) utilizing District/State required STAAR Alternative Participation Requirement Forms.			
5) Data will be collected and analyzed to determine smooth transition from early childhood programs.			
6) Campus has reviewed the previous year state assessment scores for each student with a disability. If the students did NOT performed satisfactorily on their state assessment test for any subject, an ARD committee will be held within 4 weeks, or as soon as possible, to discuss Accelerated Instruction/Intensive Program of Instruction and recorded with TAIS coordinator.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 2: We will provide flexible learning environments, structures and schedules that meet the needs of all 21st century learners.

Performance Objective 1: During 2016-2017, data disaggregation will drive the design of instruction and interventions as measured by at least a 5% reduction in referrals to intervention.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Make instructional decisions based on the item analysis and quintiles performed by the AWARE program.			
2) Facilitate sessions to study STAAR blueprints, information booklets, and all other information provided by TEA to ensure every child passes STAAR/Standardized testing.			
3) Monitor and provide data driven support for reteaching, creative scheduling, small group instruction, and tutoring.			
4) Provide coaching for teachers to implement small group instruction based on data results.			
5) Utilize ongoing target tests, bundle assessments, and CBA results to drive instruction and to ensure student growth.			
6) Provide staff development on the use of data disaggregation to plan classroom instruction.			
7) Provide staff development on the use/implementation of common assessments.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: During 2016-2017, implement reading initiatives designed to increase reading skills of all students as evidenced by exceeding state performance levels.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Utilize Guided Reading and leveled books in small group to target individualized instruction for students.			
2) Use WRAP assessment and/or Rigby PM assessment to determine all students' reading levels			
3) Utilize reading programs and materials such as Waterford, Istations, leveled texts, reading styles, Leveled Literacy Intervention, and Estrellita.			
4) Vertically align instructional strategies through curriculum team meetings.			
5) Integrate reading STAAR standards and TEKS during library lessons.			
6) Service students in the intervention process utilizing Waterford, Istations, and the Reading Lab, leveled literacy intervention			

7) Implement reading incentive programs: Book it, Name that Book, Read for the Record, Read Nation, Read Across America, Reading Champions, AR etc. to encourage reading and increase library circulation.			
8) Utilize interactive technology such as Starfall, Reading A to Z, Enchanted Learning, Brainpop, Brainpop Jr., Learning.com, and Tumblebooks in planning, designing, and presenting instruction.			
9) Utilize Balanced Literacy components in classroom lessons to assist students in learning reading strategies, developing fluency, and becoming life long readers.			
10) Facilitate Bingo for Books and other family reading programs.			
11) Screen and test students for dyslexia services, based on teachers and IAT recommendation.			
12) Implement the gradual release model for lesson design and delivery.			
13) Participate in the district reading and writing Cohort and implement strategies such as room design, small group instruction, independent reading, and conferring.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: During 2016-2017, implement mathematics initiatives designed to increase mathematical skills of all students as evidenced by exceeding state performance levels.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Utilize Lone Star Math, Envision, Motivation Math, Math Stretches, Number Talks, and small group instruction to spiral skills and monitor success levels.			
2) Use Origo Box of Facts program to instruct, assess, and report basic facts mastery in grades K-2.			
3) Practice and improve test taking skills by using STAAR materials.			
4) Utilize technology to reinforce, introduce, and enrich lessons.			
5) Include higher level thinking and problem solving skills in assessments.			
6) Utilize expert groups to share successful implementation of research-based instructional practices.			
7) Teachers will create and utilize common assessments in Mathematics in order to assess students and track data			
8) Teachers will participate in Professional Learning Communities to discuss curriculum, instructional strategies, common assessments, and data in order to improve instruction and student performance			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: During 2016-2017, implement writing initiatives designed to increase writing skills of all students as evidenced by exceeding state performance levels.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Improve writing skills and test scores by using Writing Academy, Lucy C. Units of Study, and Gretchen Bernabei strategies.			
2) Apply components of Balanced Literacy to assist students in learning how to organize their thinking into written text.			
3) Utilize Writing Academy graphic organizers, units of study, and Gretchen Bernabei to establish effective writing skills.			
4) Instruct students to write creatively and expressively in all writing styles.			
5) Attend writing training on campus and on location. Teachers will be provided materials to assist in the implementation of the program.			
6) Define explicit performance criteria by creating and using standardized rubrics for measuring responses for all writing assignments or assessments.			
7) Participate in the Literacy Cohort training modules during this school year.			
8) Utilize a writing continuum to set expectations to demonstrate the growth of students' writing.			
9) Participate in vertical team meetings in order to align the writing instruction on our campus.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 5: During 2015-2016, implement science instruction that strengthens self-inquiry and provide hands-on experiences increasing scientific skills for all students.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Utilize Activities Integrating Mathematics & Science (AIMS) program to enhance and supplement science curriculum			
2) The lesson plans for science activities will provide opportunities for self-inquiry and hands-on experiences that are both rigorous and relevant.			
3) Plan use of technology to introduce, support, and reinforce science concepts. Examples of this include Science Fusion, BrainPop, BrainPop Junior, Promethean Planet, and United Streaming.			
4) Support participation of third and fourth grade students in campus and district Science Fairs.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 6: During 2016-2017, 100% of the faculty will implement the district-wide Rigor, Relevance, and Relationships program.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Develop relationship with students through strategies such as 4 to 1 ratio, meet and greet, Safekeeper ritual, Wish you well, and other Conscious Discipline classroom structures.			
2) Evaluate lessons and instructional materials according to T-TESS guidelines.			
3) Ensure that lessons and instructional materials meet the needs of students in real-world situations.			
4) Provide critical questions for students to analyze and judge in real-world situations.			
5) Provide research-based instructional resources that teachers will use for intervention, reteach, and review activities in small group, tutoring, and laser time.			
6) Incorporate higher level thinking questions and problem solving skills in daily lessons.			
7) Implement research-based strategies that promote a variety of learner engagement techniques.			
8) Facilitate career awareness activities which will provide students an early insight on existing careers in our local and surrounding communities.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 3: We will develop and promote 21st century career and college exploration and preparation programs for all students.

Performance Objective 1: During 2016-2017, students will receive information and guidance necessary to facilitate successful entry in post-secondary education.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Encourage more students to attend college by promoting College Week.			
2) Establish higher education promotion campaigns.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: During 2016-2017, all students will be immersed in a literature and technology rich environment that will provide them with information related to 21st century career opportunities.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide opportunities for students to explore various career opportunities through a Career Week.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 4: We will actively recruit, develop, and retain a highly qualified staff.

Performance Objective 1: During 2016-2017 100% of all professional and paraprofessional personnel hired will be Highly Qualified and support systems will be implemented to facilitate recruiting and retention of effective employees.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Attend Pasadena ISD job fair to hire for available positions if needed.			
2) Work with the Human Resources department to fill any available positions with the highest qualified candidate.			
3) Monitor teachers and paraprofessionals to ensure that they meet all Texas certification criteria.			
4) Notify parents if their child has been assigned a teacher who is not "highly qualified" if needed.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: During 2016-2017, provide staff development to address needs of diverse learners.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Implement technology knowledge gained through staff development on Promethean boards, Active Primary and Active Studio Flip charts, ActivInspire, ActiVotes, document cameras, web sites that support instruction, Outlook, etc.			
2) GT update of mandated annual six hour training			
3) GT 30 hour training for new personnel servicing gifted students as mandated by state.			
4) Entire faculty and staff will be trained on Gang Awareness			
5) First year teachers will attend First-Year Teacher Academy			
6) Provide training to faculty and staff regarding Title I and the variety of language programs in our school (ESL, Bilingual, Dual Language)			
7) Provide training and enhance awareness regarding special education programs: AB, Resource, Inclusion Intervention, Speech, BSS and Dyslexia.			
8) Entire faculty and staff will be trained on Blood borne Pathogens exposure.			
9) Provide instructional staff development to paraprofessionals.			
10) Provide T-TESS training to personnel and faculty.			

11) Faculty will be trained on technology implementation: email, foundations of computers, internet, internet searches, technology planning policies and procedures.			
12) Train staff on Child Protective Services' procedure, 504, and Response to Intervention procedure.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: During 2016-2017, provide teachers with opportunities for professional growth during staff development, as well as time to plan and develop effective lessons plans to meet students needs.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Implementation of the coaching model to enhance reading and writing instruction.			
2) Teachers will be provided training on nonfiction reading comprehension strategies.			
3) Teachers will attend Reading and Writing Focus training on TEKS meetings held by the district.			
4) Teachers will receive training on Writer's Workshop to enhance the district-provided curriculum.			
5) Teachers will receive literacy training from members of the Reading and Writing Cohort teams.			
6) Teachers will receive training on writing based on the ideas of Gretchen Bernabei and Randi Whitney			
7) Teachers will receive training on effective small group strategies to increase student reading levels.			
8) Teachers will utilize common assessments in Reading in order to assess students.			
9) Teachers will participate in Professional Learning Communities to discuss curriculum, instructional strategies, common assessments, and data in order to improve instruction and student performance.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: During 2016-2017, provide staff development to address the needs of diverse learners for instruction in mathematics and science.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Implementation of the coaching model to enhance mathematics instruction.			
2) Teachers will attend Guided Math, Envision, and Science Fusion trainings.			

3) Teachers will attend Focus Meetings on mathematics and science TEKS held by the district.			
4) Teachers will attend district science instructional meetings.			
5) Teachers will incorporate mathematics curriculum lessons from Eduphoria			
6) New math teachers in third and fourth grade will be trained on Think Through Math			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 5: During 2016-2017, provide staff development to meet the needs of diverse learners.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) All returning Special Education staff and faculty members who are part of the Core Team will attend a district CPI/TBSI refresher update course.			
2) All new Special Education staff and faculty members who are part of the Core Team will attend a district CPI/TBSI Initial 2 day course.			
3) Teachers will attend Conscious Discipline training provided by the campus.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 5: We will relentlessly pursue a culturally responsive approach to meaningful parental engagement.

Performance Objective 1: During 2016-2017, provide parent education that strengthens the home/school bond.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Educate parents on school safety and security regulations and procedures.			
2) Hold Dual Language meetings to educate parents about the language programs available in our school.			
3) Meet with parents to explain Title I, Part A requirements.			
4) Educate parents in strategies they can use at home to support their child's learning through Family Academic Nights.			
5) Educate parents on health and safety issues through parent training, handouts, the Health and Fitness grant, and the CATCH grant.			
6) Educate parents on anti-bullying, discipline, behavioral, assertiveness strategies and other topics identified in the parent survey that can be used at home.			
7) Provide information for parents on Conscious Discipline strategies that can be implemented at home.			
8) Offer one-on-one parenting sessions as requested by the parent/guardian of students.			
9) Educate parents on the Parent Volunteer Committee and volunteer opportunities.			
10) Provide parent training on Parent Connection			
11) Conferences with parents to explain the RTI process and to provide them with strategies to use at home to improve their child's learning.			
12) Educate parents on the value of college and career exploration at the elementary level and the importance of promoting student participation in higher learning.			
13) Maintain a Parent Center where parents have access to a computer and a variety of materials covering parenting tips or other topics, beneficial web sites, and/or training via computer.			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 2: During 2016-2017, ensure vital and ongoing relationships with parents by encouraging the participation of parents in meaningful communication involving student academic learning and other school activities.

Strategy Description	Formative Reviews

2) Acknowledge and reward students for exemplifying behaviors addressed in the Guidelines for Success.			
3) Utilize the 4:1 Ratio of Interaction model.			
4) Conduct monthly common area observations and amend written procedures as necessary.			
5) Utilize the school-wide corrections system when dealing with student misbehavior.			
6) Collaborate with teachers for problem solving more difficult behaviors as well as provide resources such as The Teacher's Encyclopedia of Behavior Management.			
7) Introduce, implement, and reinforce Conscious Discipline skills, structures, rituals, and language on a daily, ongoing basis to prevent bullying			
8) Provide parent training in Conscious Discipline skills, structures, rituals, and language.			
9) Conduct annual surveys of parents, students, and staff members regarding their impressions of the school's safety and climate issues.			
10) Provide opportunities for students and parents to give back to their community through "Stars of Kindness"			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: During 2016-2017, our campus will implement programs to promote community involvement and citizenship.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Acknowledge responsible behavior by posting Bear Necessities coupons and announcing several each week on Morning Announcements.			
2) Provide opportunities for students and parents to give back to their community through "Stars of Kindness".			
3) Support the American Diabetes Association through the "Diabetes Walk" program.			
4) Support the American Heart Association through the Jump Rope for Heart program.			

5) Support the Pasadena Lions Club through the Walk for Sight program.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: During 2016-2017, our campus will develop procedures for maintaining campus safety and security.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Implement a campus-wide crisis management plan.			
2) Perform regular safety drills.			
3) Require all visitors to enter the campus through the front office, utilize the Raptor system to check identification and to print visitor badges.			
4) Require all staff members to wear photo identification at all times.			
5) Require students to wear name badges with accurately updated dismissal information at all times.			
6) Develop and maintain positive, proactive strategies to promote school families.			
7) Help teachers create school families by providing classroom structures that result in Bully-proofed classrooms.			
8) Utilize morning announcement media to present school wide approach to building school families, guidelines to success, and "You did it!" tickets to reinforce the school-wide approach to Anti-bullying.			
9) Utilize Conscious Discipline strategies, mediation, and conflict resolution.			
10) Utilize guidelines for suicide risk assessment by collaboration between LSSP, counselor, district guidance counseling department, and at-risk individual in response to suicide threats.			
11) Foundations team will attend all district's Foundations updates.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 7: We will embed appropriate technologies throughout the district to support instructional and administrative needs.

Performance Objective 1: During 2016-2017, students and teachers access to technology will increase according to the District Technology Plan.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide the technical support needed to administer required Istation assessments.			
2) Classrooms will be equipped with at least minimum requirements for the "21st century classroom."			
3) Increase the integration of technology into instruction, curriculum, and assessment, K-4 as outlined in the District Technology Plan			
4) Ensure that all teachers have access to adequate technology and the implementation of the TEKS/STAAR requirements.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 8: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 1: During 2016-2017, consistent implementation of district curriculum, research based strategies, and rigor and relevance principles will ensure that performance of all students will meet or exceed the state average on STAAR at Level 2: Satisfactory Phase In Two and Final Recommended standards.

Performance Objective 2: During 2016-2017, data disaggregation will drive the design of instruction and interventions as measured by at least a 5% reduction in end-of-year failures.

Performance Objective 3: During 2016-2017, deliver staff development to all teachers and administrators that focuses on the implementation of effective instructional strategies designed to meet the needs of all students and close the achievement gap between student groups.

Performance Objective 4: By June 2017, implement reading initiatives designed to increase reading skills of all students as evidenced by 95% of students passing reading on grade level at the end of 2nd grade as measured by WRAP assessments.

Performance Objective 5: During 2016-2017, provide an array of learning opportunities geared for gifted/talented and advanced placement students to meet unique needs and provide extended support services as measured by 100% passing STAAR at Level II: Satisfactory (Final Recommended) and 70% scoring Level III: Advanced in Reading and Math.

Performance Objective 6: 100% of at-risk students will receive differentiated instruction designed to create success in the classroom and increase skills necessary to perform at or above the state average on state assessments.

Performance Objective 7: During 2016-2017, all staff will receive professional development targeted to assist English language learners and ensure that their academic performance will equal or surpass that of the state's.

Performance Objective 8: During the 2016-2017 school year, each campus will sustain a focus on maintaining a safe and disciplined environment conducive to student learning and employee effectiveness as measured by 100% of all staff receiving training in the District's behavioral/safety initiatives.

Performance Objective 9: By June 2017, coordinated school health plans will be implemented to include activities to increase student and parental awareness of healthy living practices.

Performance Objective 10: Pasadena ISD will be in 100% compliance with all state and federal regulations.

Performance Objective 11: During 2016-2017 the district will develop research based K-12 grading policies and procedures that link student assessment to mastery of student expectations.

Performance Objective 12: During 2016-2017, increase the district's attendance rate to 96% or above for all students.

Performance Objective 13: By August, 2017, all PISD schools will collaboratively work with the District Special Education Office to ensure that all the needs of each student are being met including 100% compliance with all federal and state requirements.

Performance Objective 14: Student and teacher access to technology will increase across PISD according to the District Technology Plan.

Goal 9: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all.

Performance Objective 1: During 2016-2017, all high school students will be provided with various options for obtaining course credits utilizing technologically based delivery systems including opportunities to earn college credit prior to graduating from high school.

Performance Objective 2: By August, 2017, the PISD Community School will provide flexible learning opportunities for students to increase graduation rates.

Performance Objective 3: During 2016-2017, all teachers will integrate technology resources to stimulate and support enhanced learning opportunities in the classroom.

Performance Objective 4: Students will annually receive information and guidance necessary to facilitate successful entry in post-secondary education.

Performance Objective 5: During 2016-2017, counselor's roles will be reorganized to effectively meet the needs of all students as evidenced by a restructured schedule.

Performance Objective 6: By May 2017, all students will have been immersed in a literature and technology rich environment that will provide them with information related to 21st century career opportunities.

Goal 10: We will actively recruit, develop, and retain a highly qualified staff.

Performance Objective 1: By January, 2017, 100% of all professional and paraprofessional personnel hired will be Highly Qualified and support systems featuring training opportunities will be implemented to facilitate recruiting and retention of effective employees.

Goal 11: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders.

Performance Objective 1: By May 2017, a parental involvement program will be established and implemented at each campus and at the district level to increase collaborative partnerships and encourage all parents to be active partners in their children's education.

Performance Objective 2: Increase community involvement during 2016-2017 by a 5% expansion in partnerships and enhanced communication.

Goal 12: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff.

Performance Objective 1: During the 2016-2017 school year, each campus will sustain a focus on maintaining a safe and disciplined environment conducive to student learning and employee effectiveness as measured by 100% of all staff receiving training in the District's behavioral/safety initiatives.

Performance Objective 2: By June 2017 develop a school counseling program that increases the percentage of time spent with students regarding academic, social and mental health needs.

Performance Objective 3: Develop a district-wide system to meet, manage, and respond to daily and emergent health care needs.

Performance Objective 4: By June 2017, district will sustain a focus on safety for all students and employees as measured by increased awareness and protocol implementation.

Performance Objective 5: By June 2017, establish programs to increase opportunities to foster patriotism, civic duty and global citizenship.

Goal 13: We will promote an exemplary learning environment through the utilization of ancillary service departments that integrate established and innovative practices, standards, and systems.

Performance Objective 1: Utilize technological resources to streamline support services as evidenced by positive customer service responses.

Performance Objective 2: By June 2017, identify effective district operations and business processes to maximize efficiency as measured by customer service input.

Performance Objective 3: By June 2017, increase community and district awareness of ancillary support services.

De Zavala Middle School Performance Objectives 2016-2017

Goal 1: We will ensure rigorous curriculum and relevant learning experiences that promote real life application.

Performance Objective 1: 100 % of De Zavala students will show growth in their academic performances specifically on the STAAR Reading, Math, and Science portions of the state assessment thereby reducing focus gaps by 50%. Accountability Area Targeted: State Accountability/Federal Accountability

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Teachers will create common assessments based on SE's and analyze data from these to determine interventions and enrichment activities.			
2) Teachers will lesson plan together utilizing the district curriculum, the district scope and sequence, and resources aligned to the state standards.			
3) Students will receive intervention based on their individual needs during the school day as well as before and after school.			
4) Students will increase their reading fluency through SSR and AR Program.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: De Zavala students will meet or surpass the district average on all CBA assessments.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Administer Curriculum Based Assessments (CBAs) and disaggregate data to measure student progress and adjust instruction to ensure that students master the SEs			
2) Teachers will lesson plan together utilizing the district curriculum, the district scope and sequence, and resources aligned to the state standards.			
3) Students will receive intervention based on their individual needs during the school day as well as before and after school.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: 100% of students identified gifted and talented will meet or surpass the state average on the STAAR reading, math, and science portions of the state assessment.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Pre AP teachers are trained annually in using LTF curriculum and strategies.			
2) Teachers will incorporate enrichment activities in their lessons which address the needs of gifted and talented students.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: We will ensure that the needs of all special education students are met. Accountability Area Targeted: State Accountability

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Campus has reviewed the previous year state assessment scores for each student with a disability. If the student did not perform satisfactorily on their state assessment for any subject, an ARD committee will be held within 4 weeks, or as soon as possible, to discuss Accelerated Instruction/Intensive Program of Instruction.			
2) Campus will work collaboratively with the District Special Education Office to ensure initial evaluations to determine special education eligibility are completed within the required timelines.			
3) Campus will follow district procedures regarding parental request for special education evaluation.			
4) Campus will work collaboratively with the District Special Education Office to document appropriate State Assessment Decision-Making Process for students with disabilities by (1) use of data from progress monitoring, CBAs, etc. to make determinations regarding state assessment and ensure progress, (2) ensure ARD Document clearly delineates the need for STAAR SOA, STAAR A, STAAR ACCOMMODATED (i.e. PLAFFs, IEPS, deliberations) and (3) utilizing TEA required STAAR SOA and STAAR Alternative Participation Requirement Forms.			
5) Campus will work collaboratively with the District Special Education Office to ensure compliance with Senate Bill 1196 - Restraint Training and Texas Behavior Support Initiative requirements.			
6) Campus will follow district policy to ensure students with disabilities have access to facilities.			
7) Campus will review student data on an individual basis and consider the least restrictive environment prior to placing students in a special education setting.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 2: We will provide flexible learning environments, structures and schedules that meet the needs of all 21st century learners.

Performance Objective 1: Students will have access to certified teachers and campus technology during and outside the normal school day for homework assistance, academic intervention, or academic enrichment. Accountability Area Targeted: State Accountability

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Open building up beyond the normal school day for teachers to be available to assist students with homework, intervention, or enrichment.			
2) Open building up beyond the normal school day for students to have access to campus technology needed for homework, intervention, or enrichment.			
3) Provide various types of classes that are based on student needs.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: Campus will provide intervention and enrichment for students during the normal school day without impacting students' core classes and elective classes. Accountability Area Targeted: State Accountability

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Hire a part-time certified teacher and utilize ACE teachers and bilingual teachers to provide intervention to students who do not demonstrate mastery on STAAR and/or CBAs during Enrichment Periods.			
2) Provide Dyslexia intervention to students during Enrichment Periods.			
3) Utilize paraprofessionals to provide additional support to students during their Math, Science, ELAR, and/or Social Studies classes.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 3: We will develop and promote 21st century career and college exploration and preparation programs.

Performance Objective 1: Students and Parents will learn about college and career opportunities.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Adopt a district-wide career awareness curriculum to expose students to career clusters in grades K-6.			
2) Host a Career Fair on campus in which local businesses and leaders provide students with information on career options for students.			
3) Explore various college opportunities during College Week.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 4: We will actively recruit, develop, and retain a highly qualified staff.

Performance Objective 1: All teachers will participate in staff development that develops their instructional practices.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide substitutes for Math, Science, ELAR, and Social Studies teachers so they can attend campus based staff development with District Instructional Specialists, Peer Facilitators, and Administrators.	✓	✓	✓
2) Attend campus faculty meetings after school which provide training for curriculum and instruction Conscious Discipline, AVID Strategies, 7 Steps to a Language Rich Classroom and Interventions, and Safe and Civil.	✓	✓	✓
3) Send campus principal to ICLE principal leadership conference in February 2015 to learn about current successful practices for schools and to bring back information to the rest of the campus.	✗	✗	✗
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 2: Administrators, Counselors, and Peer Facilitators will participate in staff development and meetings which will develop their leadership skills.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Participate in weekly Leadership Team meetings to plan campus events, to discuss concerns, and to coordinate calendars.		✓	✓
2) Participate in monthly meetings between Administrators and Peer Facilitators to plan department meetings, discuss curriculum, analyze campus data, and review student interventions/enrichments.			
3) Participate in weekly Administrator PDAS meetings to discuss walk through focuses, walk through data, and teacher evaluations.			
4) Participate in monthly Administrator Curriculum meetings to discuss curriculum focuses, student data, teacher data, staff development, and Peer Facilitator meetings.			
5) Attend team meetings and department planning meetings on a monthly basis.			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 3: All staff will participate in staff development to address relationship building, classroom management, campus procedures.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Attend training provided by Safe and Civil Committee which addresses campus procedures, expectations, and relationship building.			

2) Attend district-wide Safe and Civil training.			
3) Campus staff attends Conscious Discipline training to learn strategies and develop implementation plan for campus.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: All staff will work as a team to celebrate successes, to encourage other staff members, and to build a sense of family at the campus.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Participate in team building activities throughout the school year.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 5: We will relentlessly pursue a culturally responsive approach to meaningful parental engagement.

Performance Objective 1: Parental involvement across the campus will increase during the school year.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide activities that will welcome parents to our campus.			
2) Recruit, train, and celebrate parent volunteers.			
3) Provide parent trainings using community resources based on parent feedback on their needs.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: Parents will be able to assist their children with homework, academic intervention, and academic enrichment.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Open the building up beyond the normal school day so that parents can receive assistance from teachers on how to help their children with homework, academic intervention, and academic enrichment.			
2) Hold parent conferences regarding student academic concerns.			
3) Provide students with planners to assist parent with homework and teacher communication.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: Parent volunteers will assume the role of parent ambassadors by helping with different events throughout the year.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide Parent Center for Parent Ambassadors to facilitate Charlas meetings throughout the school year.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 6: We will ensure vital and ongoing relationships with our business and community partners.

Performance Objective 1: Business and community partners will be actively involved in campus-based events.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Host a Career Fair on campus in which local businesses and leaders provide students with information on career options for students.			
2) Conduct a Community Health Fair involving local businesses, leaders, and feeder schools.			
3) Utilize Community in Schools to provided resources and training to parents as well as services such as tutoring and enrichment activities for students.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 7: We will embed appropriate technologies throughout the district to support both instructional and administrative needs.

Performance Objective 1: Students will have access to technology which will facilitate their academic success.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide mobile laptop labs for students to use in classrooms as part of their instruction.			
2) Provide student computers in all classrooms for students to use in classrooms as part of their instruction.			
3) Provide student computers in locations outside of classroom where students may need to utilize technology for instructional purposes (library, office, etc.).			
4) Extend normal school hours to allow students to have access to technology outside of the normal school day.			
5) Provide innovative technology and intervention programs to students to address academic needs.			
6) Provide a classroom set of laptops in every science and math classroom for access to textbooks.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: Teachers will incorporate technology into their daily instructional practices.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Attend technology trainings provided by Tech Liaison throughout the school year.			
2) Model appropriate use of technology during faculty meetings and department meetings.			
3) Develop lesson plans with technology applications incorporated in which students are using the technology.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: Administrators, teachers, and staff will have necessary skills to effectively integrate technology throughout the district.

Strategy Description	Formative Reviews		
	Oct	Feb	June

1) Train staff on Eduphoria, Chancery, Gradespeed, Mizuni, and other technology applications.

Dobie High School Performance Objectives 2016-2017

Goal 1: We will ensure rigorous curriculum and relevant learning experiences that promote real life application.

Performance Objective 1: Faculty and staff will align written curriculum, instructional strategies and assessments to TEKS based Instructional Targets.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) All teachers will follow the scope and sequence developed by the district or department for each course and will meet on a regular basis with other content teachers to ensure continuity and alignment with rigorous TEKS based instructional targets.			
2) Benchmark data will be evaluated on a regular basis in content level meetings to analyze the depth of student learning. All assessments will measure student performance on rigorous TEKS based instructional targets and STAAR objectives.			
3) Teachers will be provided regular training in instructional strategies which are tightly aligned to the TEKS and meet the needs of all learners including Gifted and Talented, Limited English Proficient, Dyslexic, Special Education, Migrant, At-Risk, and all other special populations.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: To address the reading and writing deficiencies evidenced by STAAR testing data from 2015 EOC Reading and Writing spring and summer administrations, Dobie will take a two-pronged approach, Structured Reading Writing Opportunities and Formalized Short Answer Response Items, that is grounded in the belief that reading and writing deficiencies indicate a literacy problem that can and should be addressed across the content areas. This two-pronged approach will therefore require an investment from teachers in all core subject areas.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) A team, comprised of content specialists and Assistant Principals from each core subject area, will meet twice a month to develop and review strategies that will increase student success with critical reading and writing . The team will analyze data from assessments and discuss what worked, what didn't work and next steps. (SG - Reading/ELL,SE;AA; Math/SE; Science/SE; SS/ELL,SE)			
2) Teachers will incorporate a structured reading and writing opportunity as part of a warm-up or exit ticket (or some other portion of the lesson at the content team's and teacher's discretion). Math, Science and Social Studies will incorporate the reading and writing opportunity at least twice a week; ELAR classes will incorporate the reading and writing opportunity at least four times a week. Teachers are encouraged to assign reading and writing tasks that require critical thinking on the student's part ("How" or "Why" questions asking students to substantiate their opinions). The writing will serve as a formative assessment for teachers and an opportunity to interact with language in a meaningful way for students. Teachers will not assess student writing for conventions but rather for mastery of content knowledge. (SG- Reading/Writing/All, Math/SE, Science/SE; SS/ELL,SE)			

3) Teachers will compose and administer SAR items that require students to assert a claim about the content and justify that claim with evidence from a text (textbook, lab report, visual media, graph, etc.). Teachers will assess the strength of the argument according to a rubric. Teachers will administer the SAR items at least once/twice per six weeks for Math, Science, and Social Studies and at least twice per six weeks for ELAR classes.(SG-Reading/Writing/All, Math/SE; Science/SE;SS/ELL, SE)			
4) Students who scored minimum or below on the ELA EOC assessment will be offered an opportunity to attend tutorials during MegaLunch and before or after school. These tutorials will be focused on student need based on testing data.(SG-Reading/Writing/All, Math/SE; Science/SE;SS/ELL,SE)			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: All students will be prepared for success on each required EOC assessment by actively participating in rigorous content and relevant activities in the classroom.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Teachers will plan instruction focused on rigorous and relevant teaching strategies, scope and sequence alignment, instructional method, prepared high level questions as checks for understanding, and a variety of formative and summative assessments. These elements will play a critical role in preparing all students for success on EOC tests and will be a required component of all lesson plans.			
2) Assistant Principals will regularly attend instructional leadership training and build networking resources through conferences, membership in TASSP, ASCD and other professional organizations. Through the training and networking, administrators will gather resources and ideas to assist teachers as we work toward our goal of ensuring all students success on the EOC assessments.			
3) Non-core teachers will support core content areas by incorporating creative, relevant instructional practices in their specific content area. This will extend the opportunities to learn critical skills, required for success on STAAR, to all areas of a student's experience during the school day.			
4) Any student who fails an EOC test will be provided remediation through a variety of ways: individual tutorials, EOC remediation class, MegaLunch tutorials, community school, on-line remediation, self-help study course, and continual support during the school day in all classes.(SG - Reading/SE, ELL,AA; Math/SE; Science/SE;SS/ELL,SE)			
5) All teachers will participate in staff development opportunities, data disaggregation, and school/district initiatives which support training in effective instructional strategies and strategic use of student assessment data.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: Focused interventon will be provided on areas of weakness, as indicated by EOC assessments, for students identified as 504, Special Education, Limited English Proficient, Migrant, At-Risk, Dyslexic, Speech Pathology, Gifted and Talented, and any other population needing intervention.

Strategy Description	Formative Reviews		
	Oct	Feb	June

1) Teachers will be given strategies to prepare special population students for success on EOC assessments. (SG-Reading/SE, ELL,AA; Math/SE; Science/SE;SS/ELL,SE)			
2) Gifted and talented students will be provided opportunities in class, during MegaLunch and at after school tutorials, to prepare them for Level III Performance and higher on EOC assessments.			
3) Limited English Proficient students will be provided opportunities, during the school day, in class and during MegaLunch, to use the Reading Smart program and Rosetta Stone Language program to prepare them for success on EOC assessments. (SG-Reading/,ELL)			
4) All special population student will be encouraged to attend EOC tutorials during MegaLunch and/or before/after school. Tutorials will be based on areas of weakness as indicated by reports on AWARE.(SG-Reading/SE, ELL,AA; Math/SE; Science/SE;SS/ELL,SE)			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 5: Teachers will be provided opportunities to participate in staff development to maintain cutting edge instructional techniques for rigorous curriculum.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Teachers will be provided opportunities for staff development throughout the year, focused on instructional strategies which build rigor and relevance into student centered instruction. (SG-Reading/SE, ELL,AA; Math/SE; Science/SE;SS/ELL,SE)			
2) Teachers will be provided information about instructional strategies promoted by the District to increase student learning. These instructional strategies may include: vocabulary building activities, graphic organizer use, effective questioning techniques, and other models proven to increase student learning. (SG-Reading/SE, ELL,AA; Math/SE; Science/SE;SS/ELL,SE)			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 6: Content teams will meet at least once a week to discuss and review effectiveness of instructional strategies. Data from formative and summative assessments will be used to guide discussions and support necessary adjustments to ensure student learning.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Teachers will meet with their core content team to plan instruction,assessments and interventions which are tightly aligned to TEKS. Instructional materials and techniques will be frequently reviewed and necessary adjustments will be made to ensure student learning. (SG-Reading/SE, ELL,AA; Math/SE; Science/SE;SS/ELL,SE)			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Goal 2: We will provide flexible learning environments, structures and schedules that meet the needs of all 21st century learners.

Performance Objective 1: A variety of flexible learning environments will be offered to students to encourage success in learning and credit remediation such: Dobie East Campus and on-line credit recovery.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) The Dobie East Campus will be offered to students who are behind on credits for graduation and unsuccessful on one or more End of Course Assessments. These students will attend school at the Dobie East Campus and will be offered relevant and applicable curriculum combined with highly qualified instruction designed to close the gap and place the students back on grade level.			
2) Dobie East Campus teachers will meet with the assistant principal and counselor assigned to them on a weekly basis in order to keep track of their students' progress throughout the year.			
3) An innovative and creative culture of instruction, at the Dobie East Campus, will provide opportunities for students to recover lost credit due to failure in prior year(s) while gaining credit for the present year, and provide focused attention to skills needed for passing EOC assessments.			
4) Dobie East Campus will have structures necessary for success in academic classes and will operate on a flexible schedule providing the necessary social and emotional connections 21st century learners desire.			
5) Students who need to recover credit in academic classes will have 24/7 access to tools and resources necessary for success. Students will be able to use an on-line credit recovery program at the school computer lab before or after school, or from their personal computer at home. Other opportunities will be offered for these students based upon personal need.			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 2: Principals and teachers from the feeder intermediates will meet with Dobie principals and teachers to share information about where students are academically and socially and where they need to be for success at the High School level.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) A continued emphasis will be placed on cultivating a cooperation and relationship between teachers and administrators from feeder campuses and Dobie.			
2) Vertical team meetings with intermediate and high school teachers will be planned at least once a year. During these meetings, current transition issues will be discussed including Foreign Language placement, Pre-AP instruction and placement of all students in either a fine arts program, Physical Education course or athletics program to ensure proper structures are in place for student success and involvement in their high school experience.			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 3: Structures which ensure a smooth transition from intermediate to high school will be planned and implemented.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) A 9th grade registration will be coordinated so that elective teachers and Pre-AP teachers will have an opportunity to meet with current 8th graders, before they register for classes, to provide them with information on their programs and to create an understanding of high school expectations.			
2) First time 9th grade students will attend school one day early to meet teachers, learn about high school expectations and participate in the high school experience.			
3) The intermediate campuses will host a parent night so parents of current 8th graders will have an opportunity to learn about high school expectations and currently offered programs. Extracurricular opportunities will be discussed and parents will be encouraged to have their students participate in a program of their choice to help facilitate a more positive and fulfilling high school experience			
4) Eight grade students will have an opportunity to buy Dobie T-shirts to help promote an excitement and anticipation for the upcoming transition to High School.			
5) Dobie counselors will make presentations to all 8th grade students concerning credits, EOC assessments, and expectation for high school students.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: Dobie has been selected as an Advanced Placement Incentive school and will receive the Michael and Susan Dell Foundation Grant that is managed by Advanced Placement Strategies. All students will be encouraged to take advanced coursework and advanced testing as preparation necessary for a 21st century learner.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Vertical team planning will be utilized for AP and PAP teachers to ensure curriculum is aligned and communication of needs and expectations is expressed on a regular basis.			
2) Parent meetings will be planned to provide necessary information and answer questions.			
3) Prep sessions will be provided for students throughout the year to prepare them for the AP assessments.			
4) Economically disadvantaged students shall receive fee waivers or fee assistance in testing opportunities such as Advanced Placement, PSAT or SAT/ACT.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 5: An advisory period will be held twice a week to promote the social and emotional connections 21st century students need to establish with teachers and peers. Advisory will also provide opportunities for teachers to monitor student success in all academic areas.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Teachers will utilize advisory on Tuesday to complete necessary activities related to school programs, monitor students' academic progress, and announce important upcoming events.			✓
2) Teachers will utilize an advisory on Friday to continue monitoring students' academic success, build personal relationships with students and view Dobie news.			✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 6: An AFJROTC program will be offered to students as an alternative elective for students interested in the military. The objectives of JROTC are to educate and train high school cadets in citizenship, promote community service, instill responsibility, character, and self-discipline, and provide instruction in air and space fundamentals.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) The AFJROTC program is grounded in the Air Force core values of integrity first, service before self, and excellence in all we do. The curriculum emphasizes the Air Force heritage and traditions, the development of flight, applied flight sciences, military aerospace policies, and space exploration.			✓
2) Aerospace science comprises 40 percent of the curriculum; leadership education, 40 percent; physical fitness for life training, 20 percent. Students who successfully complete AFJROTC classes are granted credit toward graduation. Classroom study includes heritage of flight, development of aerospace power, contemporary aviation, aerospace environment, human requirements of flight, aerospace vehicles, principles of aircraft flight and navigation, space programs, space technology, rocketry, propulsion, and aerospace industry.			✓
3) Students are introduced to military customs and courtesies, citizenship in the United States, first aid, wellness, health and fitness, basic drill and ceremonies, effective communications, management, human relations and life after high school. All uniform and curriculum materials are provided by the Air Force. Supplemental materials are provided to enhance the curriculum.			✓
4) To reinforce what is learned in the classroom, cadets participate in many outside activities such as field trips to military bases, aerospace facilities and industries, museums, civilian airports and other areas related to aerospace education.			✓
5) Cadets participate in parades, summer leadership schools, drill team competitions, color and honor guards, military balls and honorary academic groups. Many AFJROTC units complement the curriculum through the cooperation and resources of organizations such as NASA, Civil Air Patrol and the National Endowment for Financial Education.			✓
6) Community service is a major part of the cadet experience and helps instill a sense of civic pride and citizenship. Projects range from working with national organizations, such as March of Dimes, Muscular Dystrophy, National Red Ribbon Campaign and Special Olympics, to participating in local community projects such as cleaning and refurbishing cemeteries, building parks and sponsoring little league teams.			✓
7) Cadets are very active in drug abuse prevention education. The Awareness Presentation Team is a program designed to provide cadets as positive role models for elementary and middle school students. Cadets visit the younger students at their schools and present talks and skits in an effort to deter drug use and abuse. Active unit programs make presentation to thousands of students each year.			✓

Performance Objective 7: The campus will create a safe school climate which provides opportunities for healthy social and emotional connections essential to 21st century learners.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) A campus crisis management team will facilitate a school safety plan.			✓
2) All teachers and support staff will be trained in the components of the school safety plan.			✓
3) All campus staff will view a video about bullying to raise awareness of this issue.			✓
4) A campus support counselor will coordinate and supervise groups, peer mediation, conflict resolution and other duties as needed to address issues.			✓
5) Dobie will continue to implement the Safe & Civil School program initiated by the district.			✓
6) Fire drills and lock down procedures will be conducted on a regular basis with immediate feedback given to students and staff.			✓
7) The campus will participate in Red Ribbon week to promote prevention of substance abuse. Each day of Red Ribbon week will have its own theme promoting drug-free behavior.			✓
8) The CHAMPS program will continue to be a part of our teacher training focus. The training will focus on implementation of successful strategies for classroom management and the creation of effective teaching practices in order to increase student success in a safe, orderly environment.			✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 8: We are committed to working collaboratively with the District Special Education Office and special services to ensure the academic needs of all students are being met.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) The campus will work collaboratively with the District Special Education Office to ensure initial evaluations to determine special education eligibility are completed within the required timelines.			✓
2) The campus will follow district procedures regarding parental request for special education evaluation.			✓
3) The campus will follow district procedures regarding parental request for special education services.			✓
4) The campus will work collaboratively with the District Special Education Office to monitor appropriate STAAR/STAAR A participation decisions.			✓
5) The campus will work collaboratively with the District Special Education Office to ensure compliance with Senate Bill 1196 - Restraint Training and Texas Behavior Support Initiative requirements.			✓
6) The campus will follow district procedures in addressing transition requirements for students with disabilities.			✓

7) The campus will follow district policy to ensure students with disabilities have access to facilities.			✓
8) The campus has reviewed the previous year state assessment scores for each student with a disability. If the student did not perform satisfactorily on their state assessment test for any subject, an ARD committee will be held within 4 weeks, or as soon as possible, to discuss accelerated instruction/intensive program of instruction.			✓
9) Campus will review student data on an individual basis and consider the least restrictive environment prior to placing students in a special education setting.			✓
10) Campus will work collaboratively with the District Special Education Office to document appropriate State Assessment Decision-Making Process for students with disabilities by (1) use of data from progress monitoring, CBAs, etc. to make determinations regarding state assessment and ensure progress, (2) ensure ARD Documents clearly delineate the need for accommodations that may be needed for STAAR.			✓
11) SIOP instructional strategies will be implemented in all core academic classes.			✓
12) The SIOP facilitator will monitor grades, attendance and discipline of all ELL students and make appropriate referrals, if needed.			✓
13) The SIOP facilitator will assist in the ELL classroom and in the SIOP classrooms to provide academic support for the ELL students.			✓
14) SIOP facilitator will monitor instructional delivery, plan for the implementation of SIOP strategies and provide support to SIOP team teachers.			✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 9: Dobie College Now will develop a dual credit program where students can graduate from high school with up to 30 dual credit college hours.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Students will take six college hours each semester.			✓
2) Students will visit with the College Now Coordinator a minimum of four times each semester.			✓
3) Students will attend enrichment activities on Fridays in the College Now office.			✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 10: The primary objective of the ACE Afterschool Program is to encourage students to participate in afterschool activities that will enhance their educational, personal, and social development. Focus includes improving academics and attendance, improving self-esteem, socially acceptable behaviors and increasing graduation rates while developing college and career awareness. Activities include Homework Help, Credit Recovery, Driver's Education Classes, EDUC 1300, Sports Training, Book Studies, Art, Cooking, and Martial Arts. Parents are encouraged as equal partners in their child's learning through participation in informational meetings, field trips, and computer, ESL, or Zumba classes. Dobie's ACE program's goal is to provide opportunities for our youth to lead, learn, live, and grow.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) ACE after school program will implement a variety of classes to support student success while increasing attendance and college readiness.			✓
2) ACE after school program will provide programming that encourages college preparation through the Education 1300 class at San Jacinto College.			✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 3: We will develop and promote 21st century career and college exploration and preparation programs.

Performance Objective 1: Students will be provided opportunities to research colleges of their choice and learn about acceptance requirements to those institutions.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Students and staff will participate in college week by wearing college t-shirts on one specific day and joining discussions in classes about the requirements and benefits of a college degree.			✓
2) Students and staff will create banners, posters and other items during college week to promote various colleges and display these items throughout the school.			🟡
3) Teachers will post "I Earned My Degree From..." signs outside their classrooms. Administrators will post these signs in their offices.			✓
4) Senior students will participate in various events to plan for college such as: admissions requirements, financial aid applications, and exploring career opportunities .			✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: Dobie will continue to provide a TechPrep/CATE as an option to students with interests in career technology. The program will provide all with relevant, rigorous educational opportunities to prepare them for success in post-secondary education and/or entrance into the workforce upon high school graduation. Students will be given opportunities for occupational certifications and/or articulated credit through Tech-Prep agreements.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Career pathways with rigorous academic and technical curriculum focusing on industry standards that will give all students knowledge and skills necessary to pursue post-secondary education or employment will continue to be offered.			✓
2) CTE, academic and other elective teachers will develop projects to integrate curriculum throughout all subject areas to provide a meaningful application of the TEKS.			✓
3) Increase number of students participating in CTSO's (Career and Technology Student Organizations) in order to build specific occupational, leadership and critical thinking skills through various organizational programs of "Work and Competitive Events Programs.			✓
4) Develop Tech-Prep and/or technical dual credit initiatives with local community colleges in order to facilitate students' ability to acquire college credit while in high school. (CTE State Plan 2008-2013)			✓
5) Offer classes that are aligned with Advanced Technical Credit (ATC) statewide articulation program to allow a seamless transition from high school to post-secondary education.			✓
6) Develop and implement a campus monitoring system requiring collaboration of all participants in the student PBM/CTE monitoring process for identified students.			✓

7) Work toward a reorganization of counseling duties which will reflect an emphasis on career opportunities for all students. Counselors will work closely with special education and LEP students to ensure they are properly placed into the CTE program.			✓
8) Increase awareness of CTE programs with the business community and work toward expanding business partnerships. Provide opportunities for student certifications, shadowing, internships and employment.			✓
9) Counselors will meet with each student a minimum of 2 times a year to discuss career goals. The program of study will be reviewed and updated at each of these meetings.			✓

2) AVID personnel will continue their support and focus on providing learning opportunities to all students to encourage college preparation.			✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 4: We will actively recruit, develop, and retain a highly qualified staff.

Performance Objective 1: We will actively recruit highly qualified staff to deliver rigorous and relevant instruction to our students.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Potential candidates will be screened by PISD Administration and scored based on specific criteria. Dobie High School will view the scores and discuss whether the candidate meets the present need of our campus.			✓
2) Potential candidates will be interviewed by the Principal/Assistant Principal and department head or other representative. A collaborative decision will be based upon the academic needs of the students and the skills and ideas the candidate presents to help meet those academic needs.			✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: We will develop a highly qualified staff through focused training, based upon teacher dialogue, surveys, requests, and District initiatives.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Training for staff will be offered during MegaLunch, and before/after school as needed. The training will be relevant to the needs of teachers as they prepare rigorous instruction for students. Teachers and administrators will attend specific training offered by the district administration when need arises. Training outside the district will also be considered for specific issues not addressed within the district.			✓
2) We will develop high quality first year teachers through a mentoring program. The first year teacher will be assigned a mentor that will meet with the teacher on a regular basis. The Assistant Principal and Master Mentors will facilitate monthly meetings in both a large and small group setting to support teachers as they grow in their professional development.			✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: We will retain a highly qualified staff through the support of content teams and a commitment by the administrative staff to frequently recognize those who regularly provide highly quality instruction to our students.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Teachers will meet at least once a week with other teachers in their common subject area. The teams will focus on four areas of dialogue: What will we teach, How will we teach it, How will we know if students learned the material, What will we do if students did not master the material.			✓
2) Content team leaders will attend training on effective facilitation of team meetings. The training will focus on establishing norms, disaggregation of data, and tools for guiding dialogue.			✓

3) Content teams will provide a necessary support to teachers through authentic relationships with each other as they meet once a week to collaborate and problem solve.			
4) The administrative staff will give frequent public recognition to teachers who regularly provide rigorous, relevant instruction to our students.

Garfield Elementary Performance Objectives 2016-2017

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 1: During current year, consistent implementation of district curriculum, research based strategies, and rigor and relevance principles will ensure that performance of all students will meet or exceed the state average.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Monitor Curriculum implementation through campus walkthroughs			
2) Implement the district scope and sequence for all grades PK-4.			
3) Provide campus based staff development to ensure consistent implementation of curriculum and rigor and relevance standards.			
4) Integrate relevant literacy skills across all content areas.			
5) Implement gradual release model for lesson design and delivery.			
6) Use standardized rubrics for measuring responses for all writing assignments and/or assessments of all content areas.			
7) Ensure that all science classes incorporate hands-on and outdoor laboratory activities in alignment with the state Science TEKS.			
8) Use on-line data bases, ebooks, books, and other resources for specific TEKS.			
9) Provide staff development on utilization of on-line databases and resources.			
10) Provide staff with the necessary training to implement differentiated research based instructional strategies such as small group instruction, cooperative learning, curriculum compacting, use of levelled readers, and authentic projects.			
11) Build and convene content area curriculum committees to share successful implementation of research based instructional practices.			
12) Provide instructional materials and implement research based strategies on a daily basis that promote a variety of learner engagement techniques.			
13) Develop and provide research based instructional strategies and staff development plan for technology integration.			
14) Create master schedules that will provide for common planning time for teams of teachers and promote time for PLCs.			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 2: During the current school year, data disaggregation will drive the design of instruction and interventions as measured by at

least a 5% reduction in referrals to intervention.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Analyze campus subgroup student performance on assessments disaggregated by ethnicity, economic status, Migrant, Homeless, LEP, and Special Education participation.			
2) Provide staff with longitudinal data on the percentage of LEP students making progress toward English proficiency.			
3) Assist staff in analyzing the performance of LEP, Migrant, Homeless, and Special Education students on state and national assessments.			
4) Provide staff development opportunities for regular education teachers on the intervention, 504, and Special Education referral processes.			
5) Provide staff development on data disaggregation and how the data will drive instruction.			
6) Use data disaggregation to drive instruction.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: During the current school year, provide staff development that focuses on the implementation of effective instructional strategies designed to meet the needs of all students and close the achievement gap between student groups.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Create a staff development plan that supports implementation of district-wide initiatives.			
2) Provide staff development on differentiation/scaffolding designed to meet the learning needs of all students.			
3) Teachers will attend training opportunities for problem solving and higher-level questioning/thinking skills needed to increase rigor.			
4) Teachers will attend training opportunities for curriculum components needed to increase relevance.			
5) Develop a staff development plan that provides differentiated levels of instruction for all instructional, administrative and support staff.			
6) Establish and support campus PLCs.			
7) Allow time for consistent vertical, horizontal and team planning as well as campus-based staff development.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: During the current school year, implement reading initiatives designed to increase reading skills of all students as evidenced by exceeding state performance levels.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide information to teachers about research based programs available to promote the enjoyment of reading and the improvement of reading skills with sufficient books in the libraries to support the programs.			
2) Continue to maximize the campus use of Accelerated Reader.			
3) Provide time and materials for purposeful reading during the school day.			
4) Provide information to teachers about special reading needs of students with dyslexia and other reading disorders.			
5) Identify student reading levels to monitor reading improvement and align reading materials to their instructional level.			
6) Provide staff development regarding reading strategies.			
7) Provide library books and online reading resources to support all learning styles.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 5: During the current school year, provide an array of learning opportunities geared for gifted/talented students to meet unique needs and provide extended support services.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Follow district G/T identification procedures.			
2) Promote G/T Summer Exploration Camp opportunities.			
3) Participate in Texas Performance Standards Project.			
4) Students will be clustered and instructed by G/T Certified teachers.			
5) Implement G/T Pullout Program for identified students.			
6) Provide additional field trip for identified G/T students.			
7) Promote participation in the Duke Talent Search program in 4th Grade.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 6: 100% of at-risk students will receive differentiated instruction designed to create success in the classroom and increase skills necessary to perform at or above the state average on state assessments.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Campus intervention committee will develop plans for students failing a portion of the STAAR test and students in danger of failing a subject area.			
2) Ensure the implementation of 504 accommodations for eligible students.			
3) Use data from TEKS based assessments for early identification of individuals who might be at-risk of not mastering the TEKS.			
4) Implement research based programs designed to accelerate student learning.			
5) Provide additional and individualized support to parents of at-risk students.			
6) Participate in transition meetings to support LEP students as they move from 4th to 5th grade.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 7: During the current school year, all staff will receive professional development targeted to assist English language learners and ensure that their academic performance will equal or surpass that of the state's.

Strategy Description	Formative Reviews		
	Oct	Feb	June

5) Provide Gang Awareness and Character Education trainings.			
6) Utilize behavior specialists to provide intervention strategies and develop an Intervention Plan for students with chronic or severe misbehaviors.			
7) Provide staff development concerning child abuse and reporting obligations.			
8) Create and maintain a PBIS Team that will analyze school safety data and create school-wide procedures.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 9: During the current school year, coordinated school health plans will be implemented to include activities to increase student and parental awareness of healthy living practices.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Establish a Campus Health Advisory Committee (CHAC) to develop and support coordinated school health goals and objectives.			
2) Participate in district-wide coordinated school health initiatives.			
3) Evaluate the level of implementation and effectiveness of coordinated school health initiatives on a yearly basis.			
4) Administer FitnessGram and use reports to drive instruction.			
5) Provide Parent Education opportunities for coordinated school health.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 10: During the current school year, the campus will use district grading policy and procedures that link student assessment to mastery of student expectations.

Strategy Description	Formative Reviews		
	Oct	Feb	June

1) Use districtwide grading standards that are linked to student expectations and are based on best practices.			
2) Record grades that accurately communicate mastery or non-mastery on a specific student expectation.			
3) Use grade and/or content specific grading rubrics.			
4) Use district guidelines regarding the appropriate use of homework.			
5) Use district wide grade and/or content appropriate retest standards.			
6) Using an RtI model, students who are failing will be identified and receive appropriate interventions in a timely manner.			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 11: During the current school year increase the campus attendance rate to 97% or above for all students.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Utilize campus intervention programs to provide specific strategies for students with potential attendance problems.			
2) Attendance incentives will be utilized to recognize and promote outstanding attendance.			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 12: During the current school year, our campus will collaboratively work with the District Special Education Office to ensure that all the needs of each student are being met including 100% compliance with all federal and state requirements.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Monitor Special Education evaluations to ensure initial referrals to SpEd are conducted within appropriate timelines.			
2) Provide staff development opportunities for teachers working with SpEd students who are experiencing reading difficulties.			
3) Follow district procedures regarding parental requests for SpEd evaluation.			
4) Work collaboratively with SpEd office to document appropriate state assessment decision-making process for students with disabilities by (1) use of data from progress monitoring, CBAs, etc. to make determinations regarding state assessment and ensure progress, (2) Ensure ARD document clearly delineates the need for STAAR Alt (i.e., PLAFFS, IEPs, deliberations) and (3) utilizing district/state required STAAR Alt participation requirement forms.			
5) Work collaboratively with district SpEd office to ensure compliance with SB 1196 dealing with restraint training and Texas Behavior Support Initiative requirements.			

6) Follow district policy to ensure students with disabilities have access to facilities.			
7) Provide instructional supplies and training for all teachers working with students with disabilities.			
8) Include SpEd teachers in training given in the area of dyslexia and related disorders.			
9) Monitor the number of students with disabilities being served in least restrictive environments.			
10) Review the previous year state assessment scores for each student with a disability. If the student did not perform satisfactorily for any subject, an ARD meeting will be held within 4 weeks or as soon as possible to discuss accelerated instruction/intensive program of instruction.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 13: Student and teacher access to technology will increase according to the District Technology Plan.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide the technical support needed to administer the iStation assessments that are required.			
2) Classrooms will be equipped with at least minimum requirements for the 21st century classroom.			
3) Increase the integration of technology into instruction, curriculum, and assessment PK-4th as outlined in the district technology plan.			
4) Ensure that all teachers have access to adequate technology in the implementation of TEKS/STAAR requirements.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all.

Performance Objective 1: During the current school year, all teachers will integrate technology resources to stimulate and support enhanced learning opportunities in the classroom.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Increase the integration of technology into instruction, curriculum and assessment, PK-4 as outlined in the District Technology Plan.			
2) Ensure that all teachers have access to adequate technology in the implementation of TEKS requirements.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: Students will receive information and guidance introducing them to college and post-secondary possibilities.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Encourage more students to attend college by promoting College Week.			
2) Establish higher education promotion campaigns.			
3) Students will have meaningful experiences through curriculum connected field trips to expand their exposure to careers and post-secondary possibilities.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: All Students will be immersed in a literature and technology rich environment that will provide them with information related to 21st century career opportunities.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide students with real world experiences that explore a wide range of careers.			
2) Provide opportunities for students to explore various career opportunities through an annual Career Day.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 3: We will actively recruit, develop, and retain a highly qualified staff.

Performance Objective 1: During the current school year, 100% of all professional and paraprofessional personnel hired will be Highly Qualified and support systems featuring training opportunities will be implemented to facilitate recruiting and retention of effective employees.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide team building opportunities to increase skills in building relationships.

L.F. Smith Elementary Performance Objectives 2016-2017

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 1: By May 2018, 85% of all 3rd and 4th grade students (all student groups including special education) will pass the reading, math, and/or writing state assessments.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) 3rd and 4th grade teachers will follow district timelines to ensure that all students have access to the full curriculum.			
2) Administer Curriculum Based Assessments (CBA's) each 9-week period in math, reading, writing, science, and social studies per the district assessment calendar and meet with grade level teams to review results and strategize (Kinder through 4th grade as per district assessment calendar including special ed).			
3) Disaggregate 2015-2016 campus data (BOY) and ongoing common assessment data to align curriculum and instructional strategies through weekly PLC meetings and Team Tuesdays (including special education teachers/students).			
4) Increase the use of the Accelerated Reading Program (Kinder through 4th grade) by increasing opportunities for students to build fluency by reading silently in the classroom (Gotta Keep Reading) and by increasing motivation for the program with Bounce for Books, Summer Reading Rewards, Little Free Library, Stop the Summer Slide Program, and the AR Carnival.			
5) Conduct Feeder School Vertical Team Meetings for alignment purposes.			
6) Attend 4th grade transition meetings to align ESL instructional levels.			
7) Provide all teachers (PK through 4th grade and specials staff & admin) with instructional materials necessary to implement the curriculum (foldable paper, books for library, copy paper, markers, carpets, etc.).			
8) Title I staff (PF's, DAIT, aides, Counselor) will be utilized to provide academic and behavioral support to students and coaching for teachers.			
9) Implement Team Tuesdays and utilize common assessments to drive instruction.			
10) Hire "during the day" tutorial support personnel to assist during WIN time.			
11) Continue utilizing a data room to monitor data collection (including special education and ELL's).			
12) Teachers will create instructional groups for WIN time using common assessment data, CBA data, WRAP data, LLI, Solucionnes, etc.			
13) Implement Extended Day Program as needed for Tier 3 intervention.			
14) Utilize grade level and case manager based intervention teams to provide input/strategies/allocation of additional personnel for teachers on how to assist all students who are or may be at-risk including but not limited to migrant, dyslexic, and LEP students.			

15) Identified special education students will be clustered to facilitate the inclusion process.			
16) Instruction in bilingual classrooms will be adjusted to best prepare students for success in middle school and life.			
17) Ensure bilingual program guidelines are followed to ensure correct placement in the program as appropriate.			
18) Utilize small group instruction to differentiate for students' language and instructional needs (guided reading / guided math).			
19) Ensure that GT identification procedures remain free from bias.			
20) Provide credit by exam opportunities for advanced students.			
21) Provide opportunities for extended learning through GT Field Trip.			
22) Provide GT students with differentiated instructional opportunities in the general education setting and in a GT pullout program.			
23) GT students will participate in the Texas Standards Project and selected students will be invited to participate in the GT Showcase.			
24) Provide field trips to enrich classroom learning experiences for grades K-4th.			
25) Use paraprofessional staff to videotape teachers for self-reflection and growth.			
26) All students will utilize the computers labs or mobile labs to learn technology skills.			
27) Implement reading, math, and science instructional software in PK through 4th grade such as United Streaming, Brain Pop, Study Island, iStation, Think Through Math, Waterford, DreamBox, etc.			
28) Utilize Accelerated Reader and web-based STAR program software in PK through 4th Grade. Utilize early literacy for PK-1st.			
29) Teachers will fully utilize available technology such as Promethean boards, ELMO's, ActivExpressions, ActivSlates, laptops, iPads, Kindles, Nooks, wireless technology, etc.			
30) Utilize iStation software in Kinder through 4th grade (and Waterford for non-readers) to promote student academic success with a focus on intervention students.			
31) Utilize technology components from math and reading adoption.			
32) Create grade level tubs of mentor texts for teachers to check out for reading/writing.			
33) 3rd and 4th grade writing teachers will have designated planning/meeting opportunities to discuss lesson plans and vertically align instruction to support all students with a special emphasis on ELL's each 9-week period (2-3 hours).			
34) 3rd and 4th grade teachers and special education teachers will work together to create a cohesive schedule to support special education students.			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 2: By May 2018, 70% of all 1st and 2nd grade students (all groups including special education) will perform at the 6th stanine

or higher on ITBS / Logramos for total math and total reading.

6) Provide parent education opportunities for coordinated school health.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 10: The district will develop research based K-4 grading policies and procedures that link student assessment to mastery of student expectations.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Use district wide grading standards that are linked to student expectations and are based on best practices.			
2) Record grades that accurately communicate mastery or non mastery on specific student expectations.			
3) Use grade and/or content specific grading rubrics.			
4) Use district guidelines regarding the appropriate standards.			
5) Use district-wide grade and /or content appropriate standards.			
6) Using an RTI model, students who are failing will be identified for and receive appropriate interventions in a timely manner.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 11: Increase the campus attendance rate to 97% or above.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Utilize campus intervention programs to provide specific strategies for students with potential attendance problems.			
2) Attendance incentives will be utilized to recognize and promote outstanding attendance.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 12: Our campus will collaboratively work with the district special education office to ensure that all the needs of each student are being met including 100% compliance with all federal and state requirements.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Monitor Admission, Review and Dismissal (ARD) paperwork to ensure IDEA transition components are addressed during the ARD process.			
2) Monitor Special Education evaluations to ensure initial referrals to special education are conducted within appropriate timelines.			
3) Provide staff development opportunities for teachers working with special education students experiencing academic or behavioral difficulties.			
4) Campus will work collaboratively with the District Special Education Office to ensure initial evaluations to determine special education eligibility are completed within the required timelines.			

5) Campus will follow district procedures regarding parental request for special education evaluation.			
6) Work collaboratively with the District Special Education Office to document appropriate State Assessment Decision-Making Process for students with disabilities by (1) use of data from progress monitoring, CBAs, etc. to make determinations regarding state assessment and ensure progress, (2) ensure ARD documentation clearly delineates the need for STAAR A or STAAR Alt (i.e., PLAFF's, IEPs, deliberations) and (3) utilize District/State required STAAR A, and STAAR Alternative Participation Requirement Forms.			
7) Work collaboratively with the District Special Education Office to ensure compliance with Senate Bill 1196 dealing with Restraint Training and Texas Behavior Support Initiative requirements.			
8) Follow district policy to ensure students with disabilities have access to facilities.			
9) Provide training for all teachers working with students with disabilities.			
10) Include special education teachers in training given in the area of dyslexia and related disorders.			
11) Monitor the number of students with disabilities being served in least restrictive environments.			
12) Review the previous year state assessment scores for each student with a disability. If the student did not perform satisfactorily on their state assessment test for any subject, an ARD committee will be held within 4 weeks, or as soon as possible, to discuss Accelerated Instruction/Intensive Program of Instruction.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 13: Student and teacher access to technology will increase according to the District Technology Plan.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide the technical support needed to administer iStation assessments that are required.			
2) Classrooms will be equipped with at least minimum requirements for the "21st century classroom"			
3) Increase the integration of technology into instruction, curriculum and assessment, PK-4 as outlined in the District Technology Plan.			
4) Ensure that all teachers have access to adequate technology in the implementation of TEKS/STAAR requirements.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all.

Performance Objective 1: All teachers will integrate technology resources to stimulate and support enhanced learning opportunities in the classroom.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Increase the integration of technology into instruction, curriculum and assessment, PK-4 as outlined in the District Technology Plan.

 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: Students will receive information and guidance introducing them to college and post-secondary possibilities.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Promote college exploration by promoting College Week and other campus based activities.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: All students will be immersed in a literature and technology rich environment that will provide them with information related to 21st century career opportunities.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide students with real world experiences that explore a wide range of careers.			
2) Provide opportunities for students to explore various career opportunities through an annual Career Day.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 3: We will actively recruit, develop, and retain a highly qualified staff.

Performance Objective 1: 100% of all professional and paraprofessional personnel hired will be Highly Qualified and support systems will be implemented to facilitate recruiting and retention of effective employees.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide support and staff development opportunities to increase skills in building relationships.			
2) Provide mentorship and staff development opportunities to new personnel.			
3) Expand leadership and mentoring opportunities for all staff.			
4) Develop a staff development plan that provides differentiated levels of instruction for all instructional, administrative and support staff.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 4: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders.

Performance Objective 1: A parental involvement program will be established and implemented to increase collaborative partnerships and encourage all parents to be active partners in their children's education.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Include parent education component in orientation programs.			
2) Provide parent education on various topics.			
3) Implement Superintendent's Stay in School Project/District Attorney Partnership.			
4) Provide information on workshops for parents of students with dyslexia and related disorders as well as instructional intervention.			
5) Provide parent workshops regarding reading with children, online resources and ebooks.			
6) Provide parents with information that can be utilized with students and parents in the interpretation of test results.			
7) Provide educational resources for parents on the campus website.			
8) Provide instructional resources for parents to utilize at home with their child.			
9) Provide opportunities for parents to attend grade level and/or content specific meetings to share expectations and strategies.			
10) Provide opportunities for parents to attend ESL classes.			
11) Provide parent participation in community education events.			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 2: Community involvement will increase by a 5% expansion in partnerships and enhanced communication.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Expand learning opportunities for students in school/community service.			
2) Promote student/parent/business involvement through volunteerism.			
3) Promote service organizations for students in school (Student Council, Safety Patrol etc.)			

4) Participate in the "See to Succeed" program.			
5) Participate in Project Saving Smiles and HCPHES Super Smiles Program.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well being of all students and staff.

Performance Objective 1: During the current school year, we will sustain a focus on maintaining a safe and disciplined environment conducive to student learning and employee effectiveness as measured by 100% of all staff receiving training in the District's behavioral/safety initiatives.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Implement Conscious Discipline strategies with students.			
2) Provide opportunities to attend training in Behavior Management.			
3) Provide mediation, conflict resolution, bullying and Conscious Discipline training opportunities for students and staff under the direction of the District Behavior Intervention Response Team (BIRT). Bullying occurs when a student or group of students exploits an imbalance of power between the student perpetrator who is engaging in bullying and the student victim through written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at a school-related activity, or in a vehicle operated by the District and that: has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm or is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student. The complete policy can be found at FFI (Local).			
4) Implementation of safety crisis management plans, including safety drills.			
5) Provide training opportunities and implement effective strategies through Safe and Civil Schools to reduce inappropriate behavior.			
6) Provide training opportunities for Gang Awareness and Character Education programs.

McMasters Elementary Performance Objectives 2016-2017

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 1: Consistent implementation of district curriculum, research based strategies, and rigor and relevance standards will ensure that performance of all students will meet or exceed the state average.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Monitor curriculum implementation through campus walkthroughs.			
2) Implement the district scope and sequence for all courses in grade PK to 4th.			
3) Provide campus based staff development to ensure consistent implementation of curriculum and rigor and relevance standards.			
4) Integrate relevant literacy skills across all content areas.			
5) Implement gradual release model for lesson design and delivery.			
6) Ensure that science classes incorporate hands-on and outdoor laboratory activities in alignment with new state science TEKS.			
7) Use on-line databases, eBooks, books, and other resources for specific TEKS.			
8) Provide staff development on utilization of on-line databases and resources.			
9) Provide staff with the training necessary to implement differentiated research based instructional strategies such as small group instruction, cooperative learning, curriculum compacting, use of leveled readers, and authentic projects.			
10) Teachers will participate in curriculum committees to share successful implementation of research based instructional practices.			
11) Provide instructional materials and implement research based instructional strategies on a daily basis that promote a variety of learner engagement techniques.			
12) Develop and provide research based instructional strategies and staff development plan for technology integration.			
13) Create master schedules that will provide common planning time for teams of teachers and promote time for PLCs.			
14) Teachers will use questioning strategies that encourage higher level thinking from their students. This includes Think, Pair, Share and question stems.			
15) Small group instruction, paired reading, cooperative grouping and work stations will be implemented in each classroom.			
16) Students will participate in daily oral math activities that include problem solving and math talks.			

17) Students in K-4 will complete writing samples each grading period to be reviewed by administrators. Consistent expectations based on district rubrics will be utilized.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: Data disaggregation will drive the design of instruction and intervention as measured by improved academic achievement.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Analyze campus subgroup student performance on assessments, disaggregated by ethnicity, economic status, migrant, homeless, ELL and special education participation.			
2) Provide staff with longitudinal data on the percentage of ELL students making progress towards English proficiency.			
3) Assist staff in analyzing the performance of ELL, migrant, homeless, and special education students on state and national assessments.			
4) Provide staff development to teachers on the intervention and special education referral process.			
5) Provide staff development on data disaggregation and how the data will drive instruction.			
6) Use data disaggregation to drive instruction.			
7) Teachers will keep data binders to help monitor student progress.			
8) AWARE data will be utilized by teachers to determine strengths and weaknesses and assist in planning for instruction.			
9) Grade level Data PLCs will analyze common assessments and plan for reteach, enrichment or progression as needed.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: During the current school year, provide staff development that focuses on the implementation of effective instruction strategies designed to meet the needs of all students and close the achievement gap between student groups.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Create a staff development plan that supports implementation of district-wide initiatives.			
2) Provide staff development on differentiation/scaffolding designed to meet the learning needs of every student.			
3) Teachers will attend training opportunities for problem-solving and higher-level questioning/thinking skills needed to increase rigor.			
4) Teachers will attend training opportunities for curriculum components needed to increase relevance.			

5) Develop a staff development plan that provides differentiated levels of instruction for all instructional, administrative, and support staff.			
6) Establish and support campus PLCs.			
7) Allow time for consistent vertical, horizontal, and team planning, as well as campus-based staff development.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: During the current school year, implement reading initiatives designed to increase reading skills of all students as evidenced by exceeding state performance levels.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide information to teachers about research-based programs available to promote the enjoyment of reading and the improvement of reading skills with sufficient books in the libraries to support the programs.			
2) Provide time and materials for purposeful reading during the school day.			
3) Provide information to teachers regarding special reading needs of dyslexia students.			
4) Identify student reading levels to monitor reading improvement and align reading materials to their instructional levels.			
5) Provide staff development about effective reading strategies.			
6) Provide library books and on-line resources to support all learning styles.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 5: A variety of learning opportunities geared for gifted/talented students will be provided to meet their needs and provide extended support services.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) The Texas Standards Project will be utilized to enrich G/T students' learning through the pull-out program.			
2) Students will be clustered and instructed by G/T certified teachers.			
3) All students in K-4th will participate in G/T assessment through planned experiences.			
4) Identified G/T students will be invited to attend the G/T Summer Exploration Camp.			

5) Representatives from the G/T program will participate in the district G/T showcase.			
6) Promote participation in the Duke Talent Search program in fourth grade.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 6: At-risk students will receive differentiated instruction designed to create success in the classroom and increase skills necessary to perform at or above the state average on state assessments.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Identify at-risk students using state and district criteria.			
2) Campus intervention committee will develop plans for students failing a portion of the STAAR test and students in danger of failing a subject area.

Parks Elementary Performance Objectives 2016-2017

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 1: During the current school year, consistent implementation of the district's curriculum, research-based strategies, and rigorous and relevant standards will ensure that 80% of the Parks students will meet or exceed the state average.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Create a master schedule that will provide common planning time for grade level teams to develop curriculum based lessons.			
2) Follow the district's scope and sequence and develop lesson plans and common assessments based on the bundled student expectations.			
3) Discuss readiness, supporting, and power standards and review Lead 4 Ward and other resources during PLC and grade level planning meetings.			
4) Schedule quarterly planning meetings to discuss the district's scope and sequence to ensure that all teachers are following the timelines and implementing effective instructional strategies.			
5) Promote an effective delivery of instruction that is aligned with the scope and sequence by scheduling grade level PLC meetings.			
6) Use assessment data to develop grouping arrangements and provide support for students based on specific student expectations.			
7) Use Thinking Maps, foldables, quick writes, questioning stems, and other open-ended response techniques to check for understanding and to incorporate writing in all core subject areas.			
8) Implement the Marzano Nine, Big 8, Kagan Questioning, and other research-based strategies in all classrooms to encourage higher order thinking.			
9) Use manipulatives and other concrete objects when introducing new math concepts.			
10) Submit narrative writing samples monthly; review samples and use standardized rubrics to measure responses for all writing.			
11) Visit the science lab to complete experiments each week and incorporate hands-on activities that are aligned with the TEKS during classroom science activities.			
12) Implement differentiated research-based instructional strategies such as small and whole group instruction, cooperative grouping, and workstation activities in reading and mathematics.			
13) Use standardized rubrics for measuring responses for all writing assignments and/or assessments in all content areas.			
14) Implement the gradual release model for lesson design and delivery.			
15) Build and convene content area curriculum committees to share successful implementation of research-based instructional practices and to review alignment across grade levels.

1) Professional development on rigorous instruction and formative assessment and use of data to differentiate instruction.			
2) Continue to increase Rigor in all classes as well as support to students to increase Level III Advanced scores, AP qualifying scores, and ACT/SAT scores.			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 5: Rigor and Relevance: Establish campus reform strategies used to reach the school wide academic goals, focus on strengthening the core academic program, create consistency on instructional focus across, content areas, and meet the needs of historically undeserved and populations and low-achieving.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Gradual Release Process: on-going training and implementation- to include strategies and assessments. Lesson plans will include rigorous and relevant questions to support gradual release of learning to the students.			
2) Create a campus wide instructional strategies toolkit to be used throughout the school year to hold tip sheets, teacher and student artifacts, assessments, and evidence of research based practices.			
3) Emphasis on professional development in department/faculty meetings/ Eagle Cafe/ New Teacher Academy staffing. Focus on Research based instructional practices that are aligned with the following: Structured purposeful student writing and dialogue(ie. ABC Writing Strategy and ABC writing, Cornell Note taking) and the use of thinking map.			
4) TAKS/EOC preparation camp tutorials targeted at specific instruction based on individual student weakness on identified EOC/TAKS objectives. Provide extended day as an opportunity for students to receive accelerated instruction as well as credit recovery through PLATO. TAKS acceleration will be driven by individual student needs. Continue TAKS/EOC Instructional Clusters activities as a way to review with students in all classes.			
5) Peer observations of model classrooms and as a way to build collegial opportunities for professional feedback and dialogue.			

6) Provide on going training to ensure that lesson plans include opportunities for quadrant D moments.	✓	✓	✓
7) Lesson planning expectations will focus on four key components: 1. Alignment/congruence to Assessment/proficiency standards;2. increasing relevance; 3. increasing rigor and higher order thinking skills; 4. Bell to bell student engagement and learning	✓	✓	✓
8) Continue weekly planning meetings with higher expectations to include evidence from all members participating.	✓	✓	✓
9) Key team leaders from core department areas will be trained in Data Team analysis strategies and serve as trainer of trainers for their departments. On-going data disaggregation and use this data to drive instruction as grade level core teams and as core departments.	✓	✓	✓
10) Create Vertical Alignment conversation opportunities between Jackson and Queens	✓	✓	✓
11) Continue 8th grade visits to PHS and conduct a Freshman First Day Activity. Use PHS media classes to encourage others to join at PHS.	✓	✓	✓
12) Plan for and use questioning strategies to include non- volunteer questions.	✓	✓	✓
13) Continue on going staff development and implementation of SIOP	✓	✓	✓
14) Talk TAKS/EOC will occur via advisory teachers, respective core teachers classrooms, administration talks during advisory classes. Teachers will use the SIMs forms to review assessment data with individual students.	✓	✓	✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 6: Create a monitoring system to support and monitor the success of LEP and SPED students.

RDG: All, H, ED, SE,ELL; Math:SE,ELL; Math Participation: SE; Graduation: All

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Establish campus PBM Monitoring team to follow PISD CTE monitoring process to assist in monitoring progress of identified failing students. Team will impact campus level instructional decisions and necessary interventions to promote student success. Areas addressed by team include grades, attendance and student support. RDG: All, H, ED, SE,ELL; Math:SE,ELL; Math Participation: SE; Graduation: All	✓	✓	✓
2) Training offered to CTE instructors to support instructional strategies for SPED and LEP students (ie. SIOP, ELPS, etc) RDG: All, H, ED, SE,ELL; Math:SE,ELL; Math Participation: SE; Graduation: All	✓	✓	✓
3) Develop and implement a campus monitoring system requiring collaboration of all participants in the student PBM monitoring process. PBM team members attend regular scheduled meetings to impact student assessment results. RDG: All, H, ED, SE,ELL; Math:SE,ELL; Math Participation: SE; Graduation: All	✓	✓	✓
4) Access to Facilities- PHS will follow district policy to ensure students with disabilities have access to facilities	✓	✓	✓
5) Transitions Requirements- PHS will follow district procedures in addressing Transition requirements for students with disabilities.	✓	✓	✓
6) Parent request for SPED evaluation to determine eligibility for SPED. PHS will follow district procedures regarding parent request for SPED evaluation.	✓	✓	✓

7) Special Education Timelines- Work Collaboratively with the District Special Education Office to ensure initial evaluation to determine special eligibility are complete within the required timelines			
8) State Assessment Decision Making Process for students with disabilities- Work collaboratively with the District Special Education Office to monitor appropriate TAKS M/TAKS Alt participation decisions, 1. Use data from progress monitoring, CBA's, etc, to make determinations regarding state assessment and ensure progress. 2. Ensure ARD Document clearly delineates the need for TAKS M/TAKS Alt.			
9) Texas Behavior Support Initiative- Work collaboratively with the District Education Office to ensure compliance with the Senate Bill 1196			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 2: We will provide flexible learning environments, structures and schedules that meet the needs of all 21st century learners.

Performance Objective 1: Establish a grading policy and guidelines to include staff development, reform, and increased awareness and understanding of assessment of proficiency standards to ensure grades reported are a reflection of the student's mastery to a particular learning objective

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Create a master schedule that incorporates teaming and common planning on for the 9th, 10th and 11th grade SIOP.	✓	✓	✓
2) Extend current failure prevention interventions by providing additional options per all four tiers of the failure prevention plan.	✓	✓	✓
3) Update grading policy and procedures using end of the year data and make adjustments throughout the year. Book study among PHS leadership team and departments on Ken O'Connor's book titled, " 15 Fixes for Broken Grades."	✓	✓	✓
4) Plan cooperative learning strategies/structures to include think-pair-shares, Kagan strategies and on-going training and support.	✓	✓	✓
5) Throughout the year, continue staff development of for each proficiencies courses in selected areas.	✓	✓	✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: Establish strategies to provide timely and effective additional assistance for all students not meeting state's standards. Particular focus on sub-groups and students identified as LEP, SPED, At- Risk, Homeless, Economically Disadvantaged and Migrant.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Create a flexible schedule to ensure we continue the pull-out acceleration of learning during advisory and electives. Focus will be all content areas. TAKS talks will occur via advisory teachers, respective core teachers, classroom/admin talks during advisory classes. Teachers will use the SIM's forms to review assessment data.	✓	✓	✓
2) Strategies to coordinate programs/services/funds in order to increase program effectiveness, eliminate duplication, and to reduce fragmentation of the instructional programs (i.e CTE, SPED, GT, At-Risk, Technology, GEAR UP, CIS, 21st Century etc)	✓	✓	✓
3) Flexible opportunities for students to receive accelerated/intervention instruction (ie. extended day, plato credit recovery, and 8th period day, etc.)	✓	✓	✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: Establish policies, procedures, and effective strategies to decrease student behavior concerns and increased instructional time.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Use campus Safe and Civil Schools Team, District BRT, and EVT to establish campus policies/procedures and training to implement an effective Discipline and Tardy policy to decrease student behavior concerns and increase student time spent in classroom/instructional setting.	✓	✓	✓
2) Teacher will monitor the halls from the middle of the hallway during each passing period. Teachers will practice following the Ratio of Interaction as well as be assigned a tardy duty station after transitions periods.	✓	✓	✓
3) Small learning communities will be implemented in 9th, 10th and 11th grade SIOP teams.	✓	✓	✓
4) Student Relationships: Evidence of Capturing Kids Hearts strategies in the classrooms, Positive Ratio of Interaction, and Safe and Civil Schools recommended strategies. Increase opportunities to build traditions/climate/building pride/campus celebrations through a strong advisory program, extra-curricular activities and programs, and faculty meetings.	✓	✓	✓
5) Establish a Freshman 1st day for incoming 9th grade students to return to school one day before the official 1st day of students in order to get to know the campus, teachers, and attend a variety of activities, including an elective fair.	✓	✓	✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 3: We will develop and promote 21st century career and college exploration and preparation programs.

Performance Objective 1: Increase awareness and participation in exploratory, elective, and advanced academics program.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Reorganization of Counseling duties will reflect expansion of career emphasis for all students. Counselors will emphasize career opportunities and Programs of Study for all students.	✓	✓	✓
2) Maintain a strong exploratory and elective program, such as Fine Arts, Athletics, GEAR UP, CIS, 21st Century Grant, CTE, and student clubs and organizations. Establish strategies to increase student involvement.	✓	✓	✓
3) Maintain a strong Advanced Academics program and opportunities for students to participate in AVID, PreAP/AP courses, Dual Credit Courses, and Pasadena Early College High School.	✓	✓	✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue

 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 4: We will actively recruit, develop, and retain a highly qualified staff.

Performance Objective 1: Continue on going staff development and implementation of SIOP.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Train staff on instructional strategies to meet the needs of economically disadvantaged students (i.e. Ruby Payne, Cultural Awareness, etc).	✓	✓	✓
2) PISD Special Programs will provide staff development and follow up walkthroughs for CTE faculty to provide direct support with ELPS and SIOP strategies.	✓	✓	✓
3) Peer observations of model classrooms and as a way to build collegial opportunities for professional feedback and dialogue.	✓	✓	✓
4) Provide on going training to ensure that lesson plans include opportunities for quadrant D moments.	✓	✓	✓
5) Continue on going staff development and implementation SIOP	✓	✓	✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: Establish strategies for the recruitment and retention of highly qualified teachers and paraprofessionals in core academic subjects.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Establish and sustain New Teacher Mentoring program to support both, mentor teachers and new teachers. All new teachers will be assigned a mentor. Mentors will receive on-going staff development on mentoring and teacher instructional coaching.	✓	✓	✓
2) Collaborate with PISD ATPC and external ACP programs to ensure a smooth transition and on-going support for teachers, new to the teaching profession.	✓	✓	✓
3) Collaborate with PISD HR department and attend teacher recruiting trips to appropriate and relevant job fairs to recruit Highly Qualifies teachers.	✓	✓	✓
4) Provide opportunities (at PHS, PISD Staff Development, Region IV, Harris County Department of Education, and others as they are identified) and awareness for on-going staff development and support for all teachers.	✓	✓	✓
5) On going Safe and Civil Updates for staff	✓	✓	✓
6) Train and Implement CHAMPS Campus Wide	✓	✓	✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: Use Creative Strategies to increase participation and involvement in decision making and goal setting to meet the needs and vision of the campus

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Ensure that appropriate staff members are represented in meetings and decision-making committees in order to make informed decisions concerning all sub groups.	✓	✓	✓
2) Provide a variety of opportunities for PHS Faculty and staff to be involved, get information, make suggestions, and give feedback in order to make informed decisions (i.e. faculty, department, grade level, and committee meetings). Opportunities should include discussions on assessment, behavior, student needs, climate and culture, and overall instructional program.	✓	✓	✓
3) Provide opportunities (at PHS, PISD Staff Development, Region IV, Harris County Department of Education, and others as they are identified and awareness for on going staff development and support for all teachers.	✓	✓	✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 5: We will relentlessly pursue a culturally responsive approach to meaningful parental engagement.

Performance Objective 1: Establish effective strategies to promote a culture of high parent involvement and participation

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Conduct grade level and topic specific meetings for parents through out the year, including special extracurricular activities and events. Ensure opportunities for participation of parents of LEP, SPED, Migrant, Homeless, Economically disadvantaged, and At-Risk students.	✓	✓	✓
2) Increase opportunities and encourage parents to attend meetings (i.e. Open House, SPED ARD's, LEP transitions and LPAC, and conferences) and make a good faith effort to provide reasonable support as requested. Increase communication and campus awareness(written, marquee signs, via phone systems, electronic media/ websites and social media)	✓	✓	✓

Ensure that good faith effort and to the extent possible, that all communication and school information is sent in the appropriate home language.	✓	✓	✓
4) Notify parents if a class is being taught y a non-highly qualified teacher.	✓	✓	✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 6: We will ensure vital and ongoing relationships with our business and community partners.

Performance Objective 1: We will increase opportunities to collaborate with community/business members and assist in bridging a gateway of unlimited resources available to PHS's culturally rich and diverse student and parent population.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Developing new and sustaining partnerships with our community through a collaborative and servant leadership attitude (ie. CTE Partnerships, DECA, BPA, FFA, Pasadena Livestock Show and Rodeo, HOSA, Auto Body and Auto Mechanics).			
2) CIS acts as a liaison between school and community to assist in fostering a relationship by bridging access and availability of resources for PHS's students and parents.			
3) Through networking with our community partners (ie. optimist, Rotary, Young Knights and Kewana's Club) we will provide opportunities of mentoring growth. By hosting many community activities(Homecoming-Alumni, Burn Sam and Octoberfest, etc) we will become a link that binds the community to PHS.			
4) Increase awareness of CTE programs with business community to expand business partnerships.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 7: We will embed appropriate technologies throughout the district to support both instructional and administrative needs.

Performance Objective 1: Student and teacher access to technology will increase across PISD according to the District Technology Plan.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) PHS is committed to making every classroom conducive to the 21st century learner by providing relevant technology (ie. tablets, laptops, desktops, promethean boards, active votes, document cameras, etc).	✓	✓	✓
2) With increased access to internet browsers and the unblocking of websites the district has allowed more available instructional resources and promoted the use of relevant technology for students (ie. Edmodo, YouTube, 3 mobile labs, 5yr computer rotation, etc).	✓	✓	✓
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Pearl Hall Elementary Performance Objectives 2016-2017

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 1: During the current school year, consistent implementation of district curriculum, research-based strategies, and rigor and relevance principles will ensure that performance of all students will meet or exceed the state average.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Monitor curriculum implementation through campus walkthroughs.			
2) Implement the district scope and sequences for all courses in grades PK-4.			
3) Provide campus-based staff development to ensure consistent implementation of curriculum and rigor and relevance standards.			
4) Integrate relevant literacy skills across all content areas.			
5) Implement gradual release model for lesson design and delivery.

7) Ensure that all science classes incorporate hands-on and lab activities in alignment with state Science TEKS.			
8) Use online databases, eBooks, books, and other resources for specific TEKS.			
9) Provide staff development on utilization of online databases and resources.			
10) Provide staff with the training necessary to implement differentiated research-based instructional strategies such as small group instruction, cooperative learning, curriculum compacting, use of leveled readers, and authentic projects.			
11) Build and convene content area curriculum committees to share successful implementation of research-based instructional practices.			
12) Provide instructional materials and implement research-based strategies, such as the Big Eight, on a daily basis to promote a variety of learner engagement techniques.			
13) Develop and provide research-based instructional strategies and staff development plan for technology integration.			
14) Create master schedules that will provide common planning time for teams of teachers and promote time for PLC's.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: During the current school year, data disaggregation will drive the design of instruction and interventions as measured by at

least a 5% reduction in end-of-year failures.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Analyze campus subgroup student performance on assessments disaggregated by ethnicity, economic status, Migrant, Homeless, LEP, and Special Education participation.			
2) Provide staff with longitudinal data on the percentage of ELL students making progress toward English proficiency.			
3) Assist staff in analyzing the performance of LEP, Migrant, Homeless, and Special Education students on state and national assessments.			
4) Provide staff development opportunities for regular education teachers on the intervention and Special Education referral process.			
5) Provide staff development on data disaggregation and how the data will drive instruction.			
6) Use data disaggregation to drive instruction.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: During the current school year, provide staff development that focuses on the implementation of effective instruction strategies designed to meet the needs of all students and close the achievement gap between student groups.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Create a staff development plan that supports implementation of district-wide initiatives.			
2) Provide data talks on differentiation/scaffolding designed to meet the learning needs of every student.			
3) Teachers will attend training opportunities for problem solving and higher-level questioning/thinking skills needed to increase rigor.			
4) Teachers will attend training opportunities for curriculum components needed to increase rigor and relevance.			
5) Develop a staff development plan that provides differentiated levels of instruction for all instructional, administrative and support staff.			
6) Support campus PLC's.			
7) Allow time for consistent vertical, horizontal, and team planning, as well as campus-based staff development.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: During the current school year, implement reading initiatives designed to increase reading skills of all students as evidenced by exceeding state performance levels.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide information to teachers about research-based programs available to promote the enjoyment of reading and the improvement of reading skills with sufficient books in the libraries to support the programs.			
2) Continue/maximize the campus use of Accelerated Reader.			
3) Provide time and materials for purposeful reading during the school day.			
4) Provide information to teachers regarding special reading needs of dyslexia students.			
5) Identify student reading levels to monitor reading improvement, and align reading materials to their instructional level.			
6) Provide staff development about reading strategies.			
7) Provide library books and online resources to support all learning styles.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 5: During the current school year, provide an array of learning opportunities geared for GT students to meet unique needs and provide extended support services.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Follow district GT identification procedures.			
2) Promote GT Summer Exploration Camp opportunities.			
3) GT students will participate in Texas Performance Standards Project.			
4) Students will be clustered and instructed by GT certified teachers.			
5) Implement GT Pullout program for identified students.			
6) Promote participation in the Duke Talent Search program in 4th grade.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 6: During the current school year, 100% of at-risk students will receive differentiated instruction designed to create success in the classroom and increase skills necessary to perform at or above the state average on state assessments.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide staff development opportunities which offer effective instructional strategies, materials, and activities for the at-risk learner.			
2) Campus Leadership Team (CLT) will develop plans for students failing a portion of the STAAR test and for students in danger of failing a subject area.			
3) Ensure the implementation of 504 accommodations for eligible students.			
4) Use data from TEKS-based assessments for early identification of individuals who might be at-risk of not mastering TEKS.			
5) Implement research-based programs designed to accelerate student learning.			
6) Provide additional support to parents of at-risk students.			
7) Participate in transition meetings to support LEP students as they move from 4th to 5th grade.			
8) Provide intervention services through extended day and extended year programs incorporating TEKS requirements based on current year data.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 7: During the current school year, all staff will assist English Language Learners and ensure that their academic performance will equal or surpass that of the state's.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide Spanish language materials for all teachers working with ELL students. Integrate Spanish language books within the library collection.			
2) Provide opportunities for staff to attend ESL and ELPS training.			
3) Prepare bilingual/LEP students for an appropriate and timely transition by following the district's bilingual continuum.			
4) Implement the ESL scope and sequence at all grade levels.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 8: During the current school year, each campus will sustain a focus on maintaining a safe and disciplined environment conducive to student learning and employee effectiveness as measured by 100% of all staff receiving training in the District's behavioral/safety initiatives.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Implement Conscious Discipline strategies with students.			
2) Provide mediation, conflict resolution, bullying, and Conscious Discipline training opportunities for students and staff.			
3) Create a crisis management plan, including safety drills.			
4) Provide training and implement effective strategies through Safe and Civil Schools to reduce inappropriate behavior.			
5) Provide Character Education programs.			
6) Utilize behavior specialists to provide intervention strategies and develop intervention plans for students with chronic misbehavior.			
7) Provide staff development concerning abuse and reporting obligations.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 9: During the current school year, coordinated school health plans will be implemented to include activities to increase student and parental awareness of healthy living practices.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Participate in district-wide coordinated school health initiatives.			
2) Establish a Campus Health Safety Advisory Committee to develop and support coordinated school health goals and objectives.			
3) Evaluate the level of implementation and effectiveness of coordinated school health initiatives on a yearly basis.			
4) Administer Fitnessgram and use reports to drive instruction.			
5) Provide Parent Education Opportunities for coordinated school health.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 10: During the current school year, the campus will use district grading policies and procedures that link student assessment to mastery of student expectations.

Strategy Description	Formative Reviews		
	Oct	Feb	June

1) Use district-wide grading standards that are linked to student expectations and are based on best practices.			
2) Record grades that accurately communicate mastery or non mastery on specific student expectations.			
3) Use grades and/or content specific grading rubrics.			
4) Use district guidelines regarding the appropriate use of homework.			
5) Use district-wide grade and/or content-appropriate retest standards.			
6) Using an RTI model, students who are failing will be identified for and receive appropriate interventions in a timely manner.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 11: During the current school year, increase the campus attendance rate to 97% or above.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Utilize campus intervention programs to provide specific strategies for students with potential attendance problem.			
2) Attendance incentives will be utilized to recognize and promote outstanding attendance.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 12: During the current school year, the campus will collaboratively work with the district Special Education office to ensure that all the needs of each student are being met, including 100% compliance with all federal and state requirements.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Monitor Admission, Review, and Dismissal (ARD) paperwork to ensure IDEA transition components are addressed during the ARD process.			
2) Monitor special education evaluations to ensure initial referrals to special education are conducted within appropriate time-lines.			
3) Provide staff development opportunities for teachers working with special education students experiencing reading difficulties.			
4) Campus will work collaboratively with the district special education office to ensure initial evaluations to determine Special Education eligibility are completed within the required timelines.			
5) Campus will follow district procedures regarding parental request for Special Education evaluation.			

6) Campus will work collaboratively with the district special education office to document appropriate State Assessment Decision-Making Process for students with disabilities by: (1) using data from progress monitoring, CBAs, etc. to make determinations regarding state assessment and to ensure progress; (2) ensuring ARD documents clearly delineate the need for STAAR-Alt (i.e. PLAFF's, IEPs, deliberations) and/or planned accommodations; and (3) utilizing district/state-required STAAR-Alt Participation forms.			
7) Campus will work collaboratively with the district special education office to ensure compliance with Senate Bill 1196 dealing with Restraint Training and Texas Behavior Support Initiative requirements.			
8) Campus will follow district policy to ensure that students with disabilities have access to facilities.			
9) Campus will provide instructional materials and training for all teachers working with students with disabilities.			
10) Campus will include Special Education teachers in training regarding dyslexia and related disorders.			
11) Campus will monitor the number of students with disabilities being served in the least restrictive environments.			
12) Review the previous year's state assessment scores for each student with a disability. If a student does not perform satisfactorily on the state assessment test for any subject, an ARD committee meeting will be held within 4 weeks, or as soon as possible, to discuss a plan for accelerated instruction.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 13: During the current school year, student and teacher access to technology will increase according to the District Technology Plan.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide the technical support needed to administer required iStation assessments.			
2) Classrooms will be equipped with at least the minimum requirements for the "21st Century Classroom."			
3) Increase the integration of technology into instruction, curriculum and assessment (PK-4) as outlined in the District Technology Plan.			
4) Ensure that all teachers have access to adequate technology in the implementation of TEKS/STAAR requirements.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all.

Performance Objective 1: During the current school year, all teachers will integrate technology resources to stimulate and support enhanced learning opportunities in the classroom.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Increase the integration of technology into instruction, curriculum and assessment, PK-4 as outlined in the District Technology Plan.			
2) Ensure that all teachers have access to adequate technology for the implementation of TEKS requirements.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: During the current school year, students will receive information and guidance necessary to facilitate successful entry in post-secondary education.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Encourage more students to attend college by promoting College Week.			
2) Establish higher education promotion campaigns.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: During the current school year, all students will be immersed in a literature- and technology-rich environment that will provide them with information related to 21st century career opportunities.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide students with real world experiences that explore a wide range of careers.			
2) Provide opportunities for students to explore various career opportunities through an annual Career Day.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 3: We will actively recruit, develop, and retain a highly qualified staff.

Performance Objective 1: During the current school year, 100% of all professional and paraprofessional personnel hired will be Highly Qualified, and support systems will be implemented to facilitate recruiting and retention of effective employees.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide support and staff development opportunities to increase skills in building relationships.			
2) Provide mentoring and staff development opportunities to new personnel.			
3) Expand leadership and mentoring opportunities for all staff.			
4) Develop a staff development plan that provides differentiated levels of instruction for all instructional, administrative, and support staff.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 4: We will use culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders.

Performance Objective 1: During the current school year, a parental involvement program will be established and implemented to increase collaborative partnerships and encourage all parents to be active partners in their children's education.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Include parent education component in orientation programs.			
2) Provide parent education programs on various topics.			
3) Implement Superintendent's Stay in School Project/District Attorney Partnership.			
4) Offer workshops for parents of students with dyslexia and related disorders as well as instructional intervention.			
5) Provide parent workshops regarding reading with children, including online resources and eBooks.			
6) Provide educational resources for parents on the campus website.			
7) Provide instructional resources for parents to utilize at home with their children.			
8) Provide opportunities for parents to attend grade level and/or content specific meetings to share expectations and strategies.			
9) Provide information that can be utilized with students and parents in the interpretation of test results.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: During the current school year, community involvement will increase by a 5% expansion in partnerships and enhanced communication.

Strategy Description	Formative Reviews

South Houston Elementary Performance Objectives 2016-2017

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 1: During 2015-2016, consistent implementation of district curriculum, research based strategies, and rigor and relevance standards will ensure that performance for all students will meet or exceed the District and/or State average.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Monitor curriculum implementation through campus walkthroughs.			
2) Monitor implementation of curriculum and research based strategies through coaching model.			
3) Monitor the implementation of the District Scope and Sequence for all subjects in Pre-K through 4th grade.			
4) Provide campus based staff development to ensure consistent implementation of curriculum and rigor and relevance standards.			
5) Integrate relevant literacy skills across all content areas.			
6) Each grade level will collaboratively meet, and with the assistance of the campus Peer Facilitators, will develop both formative and summative assessments for student expectations.			
7) Teachers will review, implement, and evaluate instructional activities/strategies based on District curriculum and scope and sequence.			
8) Campus will continue to target reading fluency, comprehension skills, and writing through Balanced Literacy and Writer's Workshop.			
9) Campus will continue to target math problem solving with multiple problem solving strategies (Graphic organizers and Problem Solving model).			
10) Implement gradual release model for lesson design and delivery.			
11) Use standardized rubrics for measuring responses for all writing assignments and/or assessments of all content areas.			
12) Use on-line databases, e-books, books and other resources for specific TEKS.			
13) Provide staff development on utilization of on-line databases and resources.			
14) Provide staff with the training necessary to implement differentiated research based instructional strategies such as small group instruction, curriculum compacting and use of leveled readers, and authentic projects.			
15) Build and convene content area curriculum committees to share successful implementation of research based instructional practices in the areas of Math, Reading, and Writing.			

16) Implement research based strategies on a daily basis that promote a variety of learner engagement techniques.			
17) Develop and provide research based instructional strategies and staff development plan for technology integration.			
18) Continue to work extensively through our Literacy, Writing and Math Committies to strengthen and ensure the alignment of instruction across the grade levels, the accuracy of understanding the SE's, the consistent and appropriate implementation of teaching strategies across the grade levels and the resources required to accomplish this task.			
19) ACE Program will provide academic enrichment classes that will support the District's curriculum.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: Data disaggregation will drive the design of instruction and interventions as measured by at least 5% reduction in referrals to intervention.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Disaggregate 2016 STAAR results data to identify the higher SE's and the hot and critical spots as identified by using Data Heat Maps and design SMART goals for growth.			
2) Vertical team meeting to review data and identify hot and critical spots across grade levels. Horizontal teams Pre-K-4th will take hot and critical spots or SE's determined as our lowest and develop more rigorous lessons using the District's curriculum and scope and sequence for ELA and Math.			
3) Horizontal teams at each grade level will identify and classify their students into instructional groups using STAAR results, running records, Pre-K and Kinder Assessments, ITBS, Logramos, I-Station and TELPAS results. On going Formative/Summative Evaluation and CBA results will be used to regroup students as appropriate. In addition, PIE data will be used to plot growth of intervention students in K-2nd grades as well as determine groups.			
4) Grade level teams will identify skills that require improvement by individual students, class, and grade level on a weekly basis. (using current data such as student products, running records, formative assessment results, common assessment results)			
5) Analyze campus subgroup student performance on assessment disaggregated by LEP and Special Education participation.			
6) Provide staff with longitudinal data on the percentage of LEP students making progress towards English Proficiency.			
7) Assist staff in analyzing the performance of LEP, Migrant, Homeless, and Special Education students on state and national assessments.			
8) Provide staff development opportunities for regular education teachers on the intervention and special education process.			
9) Use data disaggregation to drive instruction.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: The campus will provide staff development that will focus on the implementation of effective instructional strategies

designed to meet the needs of all students and close the achievement gap between student groups.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Create a staff development plan that supports implementation of district-wide initiatives.			
2) Provide staff development on differentiation/scaffolding designed to meet the learning needs of every student.			
3) Teachers will attend training opportunities for problem solving and higher level questioning/thinking skills needed to increase rigor.			
4) Develop a staff development plan that provides differentiated levels of instruction for all instructional, administrative and support staff.			
5) Continue to support campus PLC's.			
6) Allow time for consistent vertical, horizontal, and team planning, as well as campus-based staff development.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: Implement reading initiative designed to increase reading skills of all students as evidence by exceeding district and state performance levels.

Strategy Description	Formative Reviews		
	Oct	Feb	June

Young Elementary Performance Objectives 2016-2017

Goal 1: We will ensure rigorous curriculum and relevant learning experiences that promote real life application.

Performance Objective 1: By May 2018 student performance on STAAR, regardless of gender, ethnicity, socio-economic status, or special programs will improve to exceed the district and state performance standard. Young will met the standard for Index 1,2,3, and 4. In addition the number of high performers will increase.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) All grade levels will work with peer facilitators on staff development days to review the upcoming nine weeks materials for the literacy cohort, writing workshop, and math workshop. Peer Facilitators will serve as trainers for specific grade level teams and building/district level teams. Thursday afternoons will be available for this cross-grade level sharing.			
2) All staff will use Eduphoria to align Students Expectations and resources based on the district's time line. District resources will assure that Readiness, Supporting, and Process Standards are consistently met with rigor and relevance.			
3) Each team will analyze nine weeks' test data using Heat Maps. They will analyze as a team and individually using AWARE.			
4) The WRAP assessment, I-Station, and Running Records will be used regularly and in a timely manner to determine reading levels on all students. They will also be used to determine the level of improvement for each student.			
5) Each grade will meet weekly and analyze each math bundle, customize common assessments, and then use an Excel Spreadsheet to analyze data after assessing. Teachers will share classroom strengths and weaknesses and compile a data wall.			
6) Teachers in grades three and four will maintain an individual student folder which reflects current data showing student expectations mastered or not mastered. These will be for student use and will be used by students to determine the workstation that they should be using. These individual folders will be used in math, reading, and writing. Students in the focus group will be monitored weekly.			
7) The campus will add an additional consistent planning day (Wednesday) to ensure all parties are planning effectively and using district developed materials and time lines. These will be led by the math peer facilitator and the reading peer facilitator.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: During the 2017-2018 school year, 100% of staff will be trained with the components of the Literacy Cohort and Writing Workshop.

Strategy Description	Formative Reviews		
	Oct	Feb	June

1) Peer Facilitators will attend district focus trainings, and will then provide campus staff development throughout the school year on scheduled staff development days. Presentation will include district time lines, materials, and strategies.			
This will be a trainer-of-trainer model, and schools will be grouped together based on needs.			
2) Peer coaches will provide support and model components of the Literacy Cohort and the Writing Workshop.			
3) Administrative walk-throughs followed by campus reflection will determine strengths and weaknesses of the literacy training and the writer's workshop.			
4) Teachers will continue to develop classroom libraries which focus on all genres.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 3: Teams of teachers will participate in math and in assessment trainer-of-trainer models ensuring that 100% of staff utilizes best practices in math during the 2017-2018 school year.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Each nine weeks, peer facilitators will train grade levels on specific materials that were presented during nine weeks district trainer-of-trainer models and will provide activities and strategies for the nine week's curriculum. Afternoons on these days will provide planning time for teams.			
2) Peer coaches and administrators will attend weekly PLC meetings and provide support. Coaches will provide assistance with materials, lesson planning, and modeling best practices. Data walls will be used to display student data.			
3) In October of 2017 and January, 2018, the math peer facilitator and team will provide district training days to continue to roll-out information concerning the new math TEKS.			
4) Team leaders will take a more active role in the leadership of PLC Meetings. The district will provide comprehensive training for these leaders. All teachers will be responsible for recording data and isolating better strategies to help struggling learners.			
5) Fourth grade writing focus groups will be taught by intervention/writing teacher and will address specific grammar and language skills tied into the craft of writing.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 4: The entire staff will focus on increasing language development for all ELL learners.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) 1.) Each staff member will review "Talk Read Talk Write" by Nancy Motley. Mrs. Chavez will then meet with bilingual teachers to ensure that ELD's are being used to encourage the English language and appropriate development.			

2) 2.) At the beginning of the year, the staff will continue to study the book and share how it is being used by grade levels.			
3) Building planned walk-throughs will monitor the progress of teachers and students in this area.			
4) Bilingual teachers will follow the revised time continuum for the Language Arts area allowing increased time in the English Language Arts area.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 2: We will provide flexible learning environments, structures and schedules that meet the needs of all 21st century learners.

Performance Objective 1: 100 % of Tier 2 and Tier 3 intervention students and other At-Risk students will increase CBA scores by 10% each nine weeks.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Students will be assigned to Waterford/AIMS Web either before school, during the day, and/or after school. In addition I-Stations will be used in the classroom for activities/interventions and assessments. Students may also use I-Station during Tech Lab time.			
2) Teachers will ensure daily tutorials in the classroom checking for understanding. The first hour of the day and the last hour will be used for Power Hour time in fourth and third grade. Support and ancillary staff will work with the team to provide appropriate groupings for all students, below-level, above-level, behavior, and resource students. Teachers will teach according to their strengths. First, Second, and Kindergarten will be developed during the day.			
3) Team meetings/PLC's will discuss and chart student progress.			
4) Extended day will be offered for students not passing or showing improvement on CBA's and skills in grades three and four. Retired teachers will be hired for additional tutorials for Kindergarten, First, and Second grade students that are struggling. Extended Day funds will also be used during the day to hire retired teachers to work with third and fourth grade below level students.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: For the 2017-2018 school year, the attendance rate will improve by 2 %.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Perfect attendance will be recognized by class based on a 17 day cycle spelling out "PERFECT ATTENDANCE."			
2) Teachers will place a personal phone call to families on the first day of a student absence. This will be a positive note letting parents know you care and that you feel it is important for child to be in school.			
3) Students with perfect attendance will be rewarded every nine weeks. Recognitions will include a variety of awards and programs. An end-of-the-year activity will be planned for students that have perfect attendance all year long.			
4) Students with monthly perfect attendance will be announced during the morning.			
5) The school marquee will display attendance information and also reminders to return absence notes quickly. Attendance celebrations will also be displayed.

Performance Objective 3: 100 % of students will be grouped and regrouped throughout the year to address needs and abilities of G/T students, Special Education students, At-Risk, Migrant, Homeless, and Bilingual/ESL students. All students will show growth on District CBA's.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Data team meetings (PLC's) will be held weekly on Tuesdays for collaboration, review of data, and for planning. Teams will receive one hour daily for planning and data. PLC meetings will specifically focus on what are we doing differently to close student gaps for groups especially special education students. Each student will be monitored and discussed, and peer facilitators will provide extra assistance.			
2) Intervention meetings will be held every Friday. Teachers need specific classroom interventions for below-level students and students that obtain early mastery of skills.			
3) Vertical meetings will be held at least twice a semester.			
4) Inclusion team (CAP) will continue to ensure that all students will be given the opportunity to work in the LRE.			
5) Small group activities/stations will be included in all subjects and will include tasks for below-level students and students that obtain early mastery of skills. Workstations will provide a spiraling set of materials to accommodate students using an individual student folder.			
6) G/T meetings will evaluate and plan for correct identification and activities for students. Appropriate G/T strategies will be used for all students.			
7) PPCD students will be mainstreamed with regular Pre-K students in the morning session. In the afternoon session language lab students will receive language development			
8) Science labs will provide opportunities for all students.			
9) Special Education students in all grades will be in the regular classroom to the greatest extent possible. Inclusion will be the goal for all students. Writing groups will focus on mastery of students by name, and all will be monitored weekly.			
10) Students in at-risk situations will use the LLI First Grade Intervention Kit for skill's development. The intervention teacher will monitor and probe students using this kit. In addition, the second grade kit will be purchased to use with students at a higher level. Additional kits are being purchased by the district. All teachers will be trained to use these kits. Spanish students will receive this instruction using Soluciones in Grades 1,2, and 3.			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Goal 3: We will develop and promote 21st century career and college exploration and preparation programs.

Performance Objective 1: 100 % of students will have the opportunity to have an awareness of 21st century career options and college requirements.

Strategy Description	Formative Reviews

1) Character and career education will be provided by the counselor.			
2) A school career day will be held in the fall with community and parental involvement and participation.			
3) The entire school will participate in the district career and college week.			
4) An active volunteer program in the school will also provide opportunities for students to work with and be in contact with business and professional role models.			
5) 100 % of qualifying students will have the information and access to participate in the Duke University Talent Search.			
6) An English and Spanish newsletter will be sent home to parents with information about college preparedness and the importance of an education. Parents will be encouraged to decorate a pennant with their children to show support of their child's goals and dreams for college. Pennants will be returned to the school and showcased in the hallways promoting college readiness.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Performance Objective 2: We will develop and maintain an exemplary library that provides programs and materials to meet the needs of a diverse group of students.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Appropriate funding will provide the library with updated materials and a program that removes old and outdated materials.			
A reading wall which focuses on a "Love of Reading" will be displayed in the building. It will capture students reading with the heart.			
2) Cultural arts events, book fairs, visiting authors, Name that Book Competition, and Blue Bonnet Voting are examples of the programs provided by the library.			
3) Open circulation, G/T activities, Lunch Book Club, and Technology Avenues are examples of all students being served.			
4) 4) Students that participated in the "Summer Slide into Reading Program" and maintained or strengthened their reading level will attend the district field trip and also will receive a building reward.			
5) Summer Slide Reading Program benefits and downfalls will be studied and analyzed as we adjust for the next summer.			
6) During morning announcements, staff will present Book Talks at different levels to encourage students to read enthusiastically. Administration will also participate in a district-led reading challenge providing a model for students.

Goal 4: We will actively recruit, develop, and retain a highly qualified staff.

Performance Objective 1: All classroom teachers will be trained or will review and show an understanding of all RTI processes.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Campus peer facilitators will train all new classroom teachers to administer the WRAP and collect running records.	✓	✓	✓
2) Parents will be enthusiastically invited to attend and participate in intervention meetings.			
3) Campus intervention committee will meet with all grades once per semester to improve communication and to ensure the process is working well.			
4) PLC meetings will be regularly scheduled, and all curriculum coaches will ensure that teams are following district time lines and curriculum. Nine week assessments will be used as a guide for instructional coaches		✓	✓
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 2: Teacher turnover rate will be less than 5 % with the exception of retiring teachers and will indicate a level of satisfaction.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) 100 % of teachers will participate in at least one book study. The study may be on-line. Teachers will lead these studies for T-TESS credit.			✓
2) Grade-level staff will attend district staff development and share with other staff.			✓
3) The staff will participate in birthday recognitions, staff lunches, fitness activities (Zumba, Volleyball,CATCH,etc.) to provide an environment that is caring and understanding and that also promotes social and emotional well-being.			✓
4) Conscious Discipline training will continue in August and will be aligned with Safe and Civil. The building team will focus on adjusting some areas and improving the implementation. Cafeteria protocol will be addressed first.			
5) "Hats On Fire" will be one method of celebrating teacher success throughout the school year. Gift cards such as Starbucks will be purchased by the principal.			
6) Continue to recommend teachers for the Aspiring Administrator's Academy and the Aspiring Peer Facilitator's Academy provided by the district level. Three teachers will serve as role models for these programs.			
= Accomplished = Considerable = Some Progress = No Progress = Discontinue			

Performance Objective 3: 100% of staff will be trained in procedures that improve and enhance a safe and civil environment. The environment will be maintained and supported throughout the school year. Students will feel safe on school grounds before, after and during the school day, including unstructured areas such as the playground, hallways, and restrooms.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) A safe and positive environment will continue to be supported, and policies for the cafeteria and recess time will be formulated by the Safe and Civil Cohort members and approved by the staff. Lessons will be developed and taught by teachers. CHAMPS, Safe and Civil, and Conscious Discipline will be aligned and operate as one force.			
2) Bullying prevention training and awareness needs to continue. The counselor, principal, and assistant principal will provide training for teachers and students. The district video will be used to train teachers.			
3) An analysis of the areas where students have stated they do not feel safe or where more problems are tracked			
4) Young will continue an extensive study of the components of Conscious Discipline and will incorporate it into the already existing Safe and Civil strands.			
5) All teachers will review the T-TESS evaluation system and procedures. Sufficient time and materials will be designated for the training and video demonstrations will be available for teachers on an unlimited basis. Goal-setting time lines will be met.			
 = Accomplished  = Considerable  = Some Progress  = No Progress  = Discontinue			

Goal 5: We will relentlessly pursue a culturally responsive approach to meaningful parental engagement.

Performance Objective 1: Meaningful parental involvement will increase 10 % during the 2017-2018 year.

Strategy Description	Formative Reviews		
	Oct	Feb	June
1) Provide training for parents on Gang Awareness, Alcohol and Tobacco, The Choking Game, Title I Schoolwide Components, Students Behaviors, and Bullying Prevention.			
2) Host reading, math, and science academic nights that focus on family participation.			
3) Provide a "Meet the Teacher Night" before school begins. In addition, an Open House will be held later during September, giving parents an opportunity to visit the classroom once again and set-up conferences if necessary. In October a morning for parents will be provided to present Science Fair information.			
4) Send home weekly folders with academic and behavioral information and include a request for a positive conference during the first nine weeks of school.			
5) Provide a monthly newsletter and calendar of events.			
6) Allow parents the use of computers for internet access concerning district information and services. (Examples include Parent Connection and Free/Reduced Lunch Application). This year staff will assist parents with on-line registration in the cafeteria, library, or classroom.			
7) Provide updated information and pictures on the school website with calendar of activities.			
8) Students will participate in performances or presentations monthly to increase parental involvement. These will be tied to the counselor's parenting classes.			
9) CHAC Committee will provide superior leadership in developing and promoting a healthy school environment through student, staff, and family activities. Examples include but are not limited to: Open Gym in the mornings; Six Family CATCH Nights (Fun Runs); School-wide Snack Day; Move More Challenges; Brain Smart Starts; CHAC Night; Get Fit Jog; Jump Rope for Heart; Track and Field; Walk for Sight; etc. We will continue to maintain our Exemplary Rating for this school year.
