

WHAT IS EARLY COLLEGE HIGH SCHOOL?

Early College High School (ECHS) is an incredible opportunity for YOU to earn a high school diploma and an Associate's Degree and at the same time! As a Freshman and Sophomore, you will begin taking college classes at your zoned high school. As a Junior and Senior, you will be a full time college student and take all of your classes at San Jacinto College. You can participate in extracurricular activities at your high school as long as you maintain your grades and you can even join clubs and organizations on the college campus. When you graduate from ECHS, you will be ready to transfer to a four-year university to earn your Bachelor's Degree, or to begin an exciting career!
