	Fine Arts/PE Challenge	<ol style="list-style-type: none"> 1. Complete 20/25 activities. 2. Enter your results here.

Fine Arts/P.E. Challenge!

This calendar encourages students and families to explore all of the electives together. By participating in the Fine Arts/P.E. Challenge, students will become part of familiar games through exercise, explore their creative side with arts and crafts and feel the rhythm and beat of summer through fun music activities! Students will complete different activities with a family member (or with adult supervision). All of the electives are an important part of educating the whole child so we hope that you spend some time participating every day! Complete 20/25 activities by the end of the summer! Report your progress [here](#) to complete the Middle School Summer Fun Academic Challenge!

Music	Music Theory Exercises 	Physical Education	What's Your Name? Workout 	Art	Make Homemade Clay 	Music	Chrome Music Lab 	Physical Education	Human Bop It

Prizes

1. All students who achieve their goal are recognized and awarded according to the list below from the district office when they return in the fall. We encourage campuses to make it a special event for students.

Challenge	Description	Award for Meeting the Challenge
Single Event	One Event	Certificate
Duathlon	Two Events	Ribbon
Triathlon	Three Events	Medal
Quadrathlon	Four Events	Trophy

2. District office will provide a banner with the names of three (3) student campus overall winners to proudly display on campus and pizza. Campus may choose to provide other recognition and an award for the top winner in each of the events for each grade level.
 - **Dreambox:** Greatest number of Lessons Completed
 - **Accelerated Reader:** Greatest number of A.R. Points
 - **Beanstack:** Greatest number of minutes logged
3. Students with the highest level of achievement **across the district:**
 - Top 5 students in the district will be recognized by the School Board
 - Top student in the district gets a special award
