- '/' Indicates that rates for reading and mathematics are based on the cumulative results from the first and second administrations of STAAR.
- '*' Indicates results are masked due to small numbers to protect student confidentiality.
- '**' When only one student disability group is masked, then the second smallest student disability group is masked regardless of size.
- '-' Indicates there are no students in the group.
- 'n/a' Indicates data reporting is not applicable for this group.
- '?' Indicates that the data for this item were statistically improbable or were reported outside a reasonable range.

Dobie High School Performance Objectives 2019-2020

Goal 1: We will ensure rigorous curriculum and relevant learning experiences that promote real life application.

Performance Objective 1: Faculty and staff will align written curriculum, instructional strategies and assessments to TEKS based Instructional Targets.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) All teachers will follow the scope and sequence developed by the district or department for each course and will meet on a regular basis with other content teachers to ensure continuity and alignment with rigorous TEKS based instructional targets.			
2) Benchmark data will be evaluated on a regular basis in content level meetings to analyze the depth of student learning. All assessments will measure student performance on rigorous TEKS based instructional targets and STAAR objectives.			
3) Teachers will be provided regular training in instructional strategies which are tightly aligned to the TEKS and meet the needs of all learners including Gifted and Talented, Limited English Proficient, Dyslexic, Special Education, Migrant, At-Risk, and all other special populations.			
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 2: Focused intervention will be provided on areas of weakness, as indicated by EOC assessments, for students identified as 504, Special Education, Limited English Proficient, Migrant, At-Risk, Dyslexic, Speech Pathology, Gifted and Talented, and any other population needing intervention.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) Teachers will be given strategies to prepare all students, including special population of students for success on EOC assessments. (SG-Reading/SE, ELL,AA; Math/SE; Science/SE;SS/ELL,SE)			
2) Gifted and talented students will be provided opportunities in class, during MegaLunch and at after school tutorials, to prepare them for Level III Performance and higher on EOC assessments.			
3) Limited English Proficient students will be provided opportunities, during the school day, in class and during MegaLunch, to use the Tier 3 Reading program and Rosetta Stone Language program to prepare them for success on EOC assessments. (SG-Reading/, ELL)			
4) All special population student will be encouraged to attend EOC tutorials during MegaLunch and/or before/after school. Tutorials will be based on areas of weakness as indicated by reports on AWARE.(SG-Reading/SE, ELL,AA; Math/SE; Science/SE;SS/ELL,SE)			
5) The School Library will provide students opportunities to have relevant reading materials and use technology devices during MegaLunch, and before/after school. Books may also be checked out to students as requested.			
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 3: Content teams will meet at least once a week to discuss and review effectiveness of instructional strategies. Data from formative and summative assessments will be used to guide discussions and support necessary adjustments to ensure student learning.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) Teachers will meet with their core content team to plan instruction,assessments and interventions which are tightly aligned to TEKS. Instructional materials and techniques will be frequently reviewed and necessary adjustments will be made to ensure student learning. (SG-Reading/SE, ELL,AA; Math/SE; Science/SE;SS/ELL,SE)			
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 4: Additional Targeted Support (ATS) will be a focus for Academic Achievement for our Asian population during

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) ELA, Mathematics, Science and Social Studies teachers will provided Targeted Support to Asian students who did not meet grade level or above on STAAR. Targeted Support will be frequent small group instruction during the Instructional period, as well as, small group tutorials during MegaLunch priority days.			
<div>  = Accomplished  = No Progress  = Discontinue </div>			

Goal 2: We will provide flexible learning environments, structures and schedules that meet the needs of all 21st century learners.

Performance Objective 1: Structures which ensure a smooth transition from intermediate to high school will be planned and implemented.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) The intermediate campuses will host a student/parent night so parents and students will have an opportunity to learn about high school expectations and currently offered programs. Extracurricular opportunities will be represented and parents will be encouraged to have their students participate in a program of their choice to help facilitate a more positive and fulfilling high school experience			
2) First time 9th grade students will attend school one day early to meet teachers, learn about high school expectations and participate in the high school experience.			
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 2: All students will be encouraged to take advanced coursework and advanced testing as preparation necessary for a 21st century learner.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) Vertical team planning will be utilized for AP and PAP teachers to ensure curriculum is aligned and communication of needs and expectations is expressed on a regular basis.			
2) Parent meetings will be planned to provide necessary information and answer questions.			
3) Prep sessions will be provided for students throughout the year to prepare them for the AP assessments.			
4) Economically disadvantaged students shall receive fee waivers or fee assistance in testing opportunities such as Advanced Placement, PSAT or SAT/ACT.			

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 3: An advisory period will be held twice a week to promote the social and emotional connections 21st century students need to establish with teachers and peers. Advisory will also provide opportunities for teachers to monitor student success in all academic areas.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) Teachers will utilize advisory on Tuesday to complete necessary activities related to school programs, monitor students' academic progress, and announce important upcoming events.			
2) Teachers will utilize an advisory on Friday to continue monitoring students' academic success, build personal relationships with students and view Dobie news.			
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 4: An AFJROTC program will be offered to students as an alternative elective for students interested in the military. The objectives of JROTC are to educate and train high school cadets in citizenship, promote community service, instill responsibility, character, and self-discipline, and provide instruction in air and space fundamentals.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) The AFJROTC program is grounded in the Air Force core values of integrity first, service before self, and excellence in all we do. The curriculum emphasizes the Air Force heritage and traditions, the development of flight, applied flight sciences, military aerospace policies, and space exploration.			
2) Aerospace science comprises 40 percent of the curriculum; leadership education, 40 percent; physical fitness for life training, 20 percent. Students who successfully complete AFJROTC classes are granted credit toward graduation. Classroom study includes heritage of flight, development of aerospace power, contemporary aviation, aerospace environment, human requirements of flight, aerospace vehicles, principles of aircraft flight and navigation, space programs, space technology, rocketry, propulsion, and aerospace industry.			

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
3) Students are introduced to military customs and courtesies, citizenship in the United States, first aid, wellness, health and fitness, basic drill and ceremonies, effective communications, management, human relations and life after high school. All uniform and curriculum materials are provided by the Air Force. Supplemental materials are provided to enhance the curriculum.			
4) To reinforce what is learned in the classroom, cadets participate in many outside activities such as field trips to military bases, aerospace facilities and industries, museums, civilian airports and other areas related to aerospace education.			
5) Cadets participate in parades, summer leadership schools, drill team competitions, color and honor guards, military balls and honorary academic groups. Many AFJROTC units complement the curriculum through the cooperation and resources of organizations such as NASA, Civil Air Patrol and the National Endowment for Financial Education.			
6) Community service is a major part of the cadet experience and helps instill a sense of civic pride and citizenship. Projects range from working with national organizations, such as March of Dimes, Muscular Dystrophy, National Red Ribbon Campaign and Special Olympics, to participating in local community projects such as cleaning and refurbishing cemeteries, building parks and sponsoring little league teams.			
7) Cadets are very active in drug abuse prevention education. The Awareness Presentation Team is a program designed to provide cadets as positive role models for elementary and middle school students. Cadets visit the younger students at their schools and present talks and skits in an effort to deter drug use and abuse. Active unit programs make presentation to thousands of students each year.			
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 5: The campus will create a safe school climate which provides opportunities for healthy social and emotional connections essential to 21st century learners.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) A campus crisis management team will facilitate a school safety plan; Counselors will be trained and available for visiting with students, when needed, during the school year.			
2) All teachers, support staff and students will be trained in the components of the school safety plan.			
3) All campus staff will view a video about bullying to raise awareness of this issue.			

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
4) Fire drills and lock down procedures will be conducted on a regular basis with immediate feedback given to students and staff.			
5) The campus will participate in Red Ribbon week to promote prevention of substance abuse. Each day of Red Ribbon week will have its own theme promoting drug-free behavior.			
6) Programs focused on the Social/Emotional health of students will be provided in Fine Arts, including Band, Choir, Dance, Orchestra, Theatre Arts, and Art.			
7) Programs focused on the Social/Emotional health of students will be provided through Physical Education, including Athletics, Sports Medicine, PE, Outdoor Education, JROTC, Tennis, Weightlifting and Health Education.			
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 6: We are committed to working collaboratively with the District Special Education Office and special services to ensure the academic needs of all students are being met.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) The campus will work collaboratively with the District Special Education Office to ensure initial evaluations to determine special education eligibility are completed within the required timelines.			
2) The campus will follow district procedures regarding parental request for special education evaluation.			
3) The campus will follow district procedures regarding parental request for special education services.			
4) The campus will work collaboratively with the District Special Education Office to monitor appropriate STAAR/STAAR A participation decisions.			

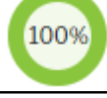

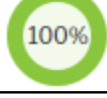

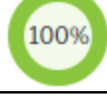

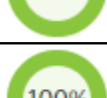

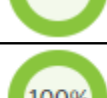

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
5) The campus will work collaboratively with the District Special Education Office to ensure compliance with Senate Bill 1196 - Restraint Training and Texas Behavior Support Initiative requirements.			
6) The campus will follow district procedures in addressing transition requirements for students with disabilities.			
7) The campus will follow district policy to ensure students with disabilities have access to facilities.			
8) The campus has reviewed the previous year state assessment scores for each student with a disability. If the student did not perform satisfactorily on their state assessment test for any subject, an ARD committee will be held within 4 weeks, or as soon as possible, to discuss accelerated instruction/intensive program of instruction.			
9) Campus will review student data on an individual basis and consider the least restrictive environment prior to placing students in a special education setting.			
10) Campus will work collaboratively with the District Special Education Office to document appropriate State Assessment Decision-Making Process for students with disabilities by (1) use of data from progress monitoring, CBAs, etc. to make determinations regarding state assessment and ensure progress, (2) ensure ARD Documents clearly delineate the need for accommodations that may be needed for STAAR.			
11) SIOP instructional strategies will be implemented in all core academic classes.			
12) The SIOP facilitator will monitor grades, attendance and discipline of all ELL students and make appropriate referrals, if needed.			
13) The SIOP facilitator will assist in the ELL classroom and in the SIOP classrooms to provide academic support for the ELL students.			
14) SIOP facilitator will monitor instructional delivery, plan for the implementation of SIOP strategies and provide support to SIOP team teachers.			
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 7: Dobie College Now will develop a dual credit program where students can graduate from high school with up to 30 dual credit college hours.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) Students who take dual credit classes will take up to six college hours each semester.			
2) 2) Dual Credit students will meet with the College Now Coordinator a minimum of twice each semester.			
3) 3) Dual Credit students will be provided enrichment activities throughout the semester.			
<div>  = Accomplished  = No Progress  = Discontinue </div>			

Goal 3: We will develop and promote 21st century career and college exploration and preparation programs.

Performance Objective 1: Dobie will continue to provide a TechPrep/CATE as an option to students with interests in career technology. The program will provide all students with relevant, rigorous educational opportunities to prepare them for success in post-secondary education and/or entrance into the workforce upon high school graduation. Students will be given opportunities for occupational certifications and/or articulated credit through Tech-Prep agreements.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) Career pathways with rigorous academic and technical curriculum focusing on industry standards that will give all students knowledge and skills necessary to pursue post-secondary education or employment will continue to be offered.			
2) CTE, academic and other elective teachers will develop projects to integrate curriculum throughout all subject areas to provide a meaningful application of the TEKS.			
3) Increase number of students participating in CTSO's (Career and Technology Student Organizations) in order to build specific occupational, leadership and critical thinking skills through various organizational programs of "Work and Competitive Events Programs.			
4) Offer classes that are aligned with Advanced Technical Credit (ATC) statewide articulation program to allow a seamless transition from high school to post-secondary education.			
5) Develop and implement a campus monitoring system requiring collaboration of all participants in the student PBM/CTE monitoring process for identified students.			
6) Work toward a reorganization of counseling duties which will reflect an emphasis on career opportunities for all students. Counselors will work closely with special education and LEP students to ensure they are properly placed into the CTE program.			
7) Increase awareness of CTE programs with the business community and work toward expanding business partnerships. Provide opportunities for student certifications, shadowing, internships and employment.			
8) Counselors will meet with each student a minimum of 2 times a year to discuss career goals. The program of study will be reviewed and updatged at each of these meetings.f			

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 2: Students will receive information and guidance necessary to facilitate successful entry in post secondary education.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) The College Now Coordinator will work with all students, staff, and parents to promote college and career readiness.			
2) AVID personnel will continue their support and focus on providing learning opportunities to all students to encourage college preparation.			
 = Accomplished  = No Progress  = Discontinue			

Goal 4: We will actively recruit, develop, and retain a highly qualified staff.

Performance Objective 1: We will actively recruit highly qualified staff to deliver rigorous and relevant instruction to our students.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) Potential candidates will be screened by PISD Administration and scored based on specific criteria. Dobie High School will view the scores and discuss whether the candidate meets the present need of our campus.			
2) Potential candidates will be interviewed by the Principal/Assistant Principal and department head or other representative. A collaborative decision will be based upon the academic needs of the students and the skills and ideas the candidate presents to help meet those academic needs.			
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 2: We will develop a highly qualified staff through focused training, based upon teacher dialogue, surveys, requests, and District initiatives.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) Training for staff will be offered during MegaLunch, and before/after school as needed. The training will be relevant to the needs of teachers as they prepare rigorous instruction for students. Teachers and administrators will attend specific training offered by the district administration when need arises. Training outside the district will also be considered for specific issues not addressed within the district.			
2) We will develop high quality first year teachers through a mentoring program. The first year teacher will be assigned a mentor that will meet with the teacher on a regular basis. The Assistant Principal and Master Mentors will facilitate monthly meetings in both a large and small group setting to support teachers as they grow in their professional development.			
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 3: We will retain a highly qualified staff through the support of content teams and a commitment by the administrative staff to frequently recognize those who regularly provide highly quality instruction to our students.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) Teachers will meet at least once a week with other teachers in their common subject area. The teams will focus on four areas of dialogue: What will we teach, How will we teach it, How will we know if students learned the material, What will we do if students did not master the material.			
2) Content team leaders will attend training on effective facilitation of team meetings. The training will focus on establishing norms, disaggregation of data, and tools for guiding dialogue.			
3) Content teams will provide a necessary support to teachers through authentic relationships with each other as they meet once a week to collaborate and problem solve.			
 = Accomplished  = No Progress  = Discontinue			

Goal 5: We will pursue a culturally responsive approach to meaningful parental engagement.

Performance Objective 1: Parents will be actively pursued to increase involvement in extracurricular activities, campus activities and academic pursuits of their children.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) We will promote parental involvement in extra-curricular activities through dinners, plays, contests and other events. All events will be advertised to the community on the school marquee and in the South Belt Leader community newspaper.			
2) We will promote involvement of the community through various community events. All events will be advertised on the school marquee and in the South Belt Leader community newspaper.			
3) We will promote parental support of academic endeavors through parent nights, special ceremonies, Open House and invitations to opportunities which showcase academic achievement. These events will be advertised in the South Belt Leader community newspaper and on the school marquee.			
4) We will provide opportunities for parents to volunteer their time at Dobie. Specific needs for volunteers will be advertised in the South Belt leader community newspaper and on the school marquee.			
5) We will offer parent meetings to provide information about Advanced Placement opportunities for their students. Parent meetings will be advertised in the South Belt community newspaper, and on the school marquee.			
 = Accomplished  = No Progress  = Discontinue			

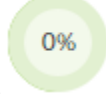

Goal 6: We will ensure vital and ongoing relationships with our business and community partners.

Performance Objective 1: We will dialogue with business and community partners to share the needs of our students and campus and ask partners how they might be able to help us in our effort to provide the highest quality education possible to our students.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) We will work with area business and community organizations to provide guest speakers for campus wide events, such as college day, career talks, and other events.			
2) We will provide opportunities for business and community partners to address the staff about services they might be able to offer in support of the student education.			
3) We will partner with community organizations and businesses for large community service project such as a Dobie food drive, Seniors helping Seniors, and other community needs that may arise.			
 = Accomplished  = No Progress  = Discontinue			

Goal 7: We will embed appropriate technologies throughout the district to support both instructional and administrative needs.

Performance Objective 1: Technology will be integrated into the curriculum and utilized in instruction and monitoring for all students.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) Teachers will utilize web based solutions, including Schoology, Aweare and Forethought to collaboratively plan instruction and assessment.			
2) Teachers will integrate opportunities for students to use critical thinking skills to plan and conduct research, manage projects, solve problems, and make informed decisions using appropriate digital tools, technology and resources.			
3) The District web based Skyward Qmaltive program will be available for parents to monitor students' grades and attendance throughout the year.			
 = Accomplished  = No Progress  = Discontinue			

Goal 8: We will meet or exceed the target in Domain 3: Closing the Gap, for Asian students in ELA and Math

Performance Objective 1: Increase performance of Asian population to meet their target from 66% to 74% in ELA; from 79% to 82% in Math.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) Ninth grade and tenth grade students severely below grade level are involved in priority day tutoring that targets basic literacy skills and builds in practice for processing skills. A group of students are also enrolled in a separate reading intervention course. Teachers and case workers are engaging in regular parental contact to keep parents informed about their child's progress.			
 = Accomplished  = No Progress  = Discontinue			

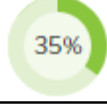

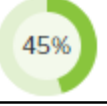

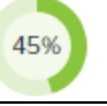

Dr. Kirk Lewis Career and Technical High School Performance Objectives 2019-2020

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

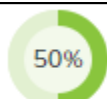

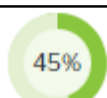

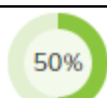

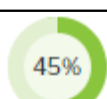

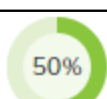

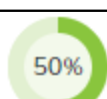

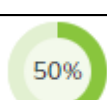

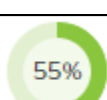

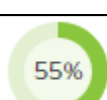

Performance Objective 1: CTHS will increase STAAR EOC progress by 5% for special education students and English learners (EL) through implementation of support facilitation (SF) and sheltered instruction observation protocol (SIOP) approaches.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) Implement, monitor, and adjust support facilitation (SF) teacher schedules to ensure student success in SF classes.			
TEA Priorities Recruit, support, retain teachers and principals 2) Provide staff development for special education support facilitation staff to develop collaborative teaching and planning with regular education teaching staff.			
3) Observe 100% of support facilitation teachers using accessibility and accommodation strategies.			
TEA Priorities Recruit, support, retain teachers and principals 4) Observe 100% of sheltered observation instructional protocol (SIOP) strategies, which will be provided through customized professional development with specialists and based on data and T-TESS goals, being implemented in SIOP and LEP classes.			
5) English Learners will increase performance on TELPAS by 5% in all four language domains for the '19-'20 school year by increasing the use of research-based SIOP Strategies such as structured conversations that incorporate academic vocabulary and interactive word walls.			
 = Accomplished  = No Progress  = Discontinue			

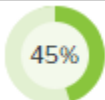

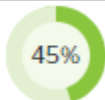

Performance Objective 2: CTHS will support and increase the academic growth and achievement of all students by 5% on appropriate summative assessments by effectively and efficiently implementing, monitoring and adjusting our tutorial, intervention, and extended day offerings for students.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) 1A. Develop, implement, and monitor an electronic system for students and teachers to schedule appointments and attend internal tutorials (Reboot) on campus four days per week. 1B. Implement highly focused EOC assessment preparation to be used during internal tutorials (Reboot). 1C. Refine the CTHS RtI process by designing and implementing a campus RtI program including teacher training and technology to manage pullouts and develop banks of RtI lessons.			
2) 2A. Develop, implement, and monitor the level of student engagement and quality of instructional tasks implemented during planned intervention and enrichment (PIE) time each day. 2B. Develop PIE accountability to ensure adults and students are following the structure for intervention and enrichment and include staff and student training on Khan Academy and Literacy.			
3) Develop, implement, and monitor the implementation of highly focused EOC lessons during extended day on Wednesday afternoons at CTHS.			
TEA Priorities Build a foundation of reading and math			
4) Monitor and adjust the implementation of campus literacy initiative three days per week during PIE time by creating a school-wide literacy plan and CTHS Literacy Team to focus on college, career and military readiness literacy requirements.			
5) Refine the CTHS RtI process by designing and implementing a campus RtI program including teacher training, technology to manage pullouts, and banks of RtI lessons.			
 = Accomplished  = No Progress  = Discontinue			

Performance Objective 3: CTHS students will demonstrate an increase in performance at the approaches grade level, meets grade level, and masters grade level on all STAAR EOC examinations and demonstrate progress (yearly growth) through the implementation of strategies from district and campus professional development.

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
TEA Priorities Build a foundation of reading and math 1) Students taking the initial ELA I STAAR examination will increase performance to 85% at the approaches grade level, 70% at the meets grade level, and 10% at the masters grade level.			
TEA Priorities Build a foundation of reading and math 2) Students taking the initial ELA II STAAR examination will increase performance to 75% at the meets grade level, and to 12% at the masters grade level.			
TEA Priorities Build a foundation of reading and math 3) CTHS students will increase expected progress on the English II STAAR examination to 60% at the expected progress level and to 2% at the accelerated progress level by the end of the school year

L.F. Smith Elementary Performance Objectives 2019-2020

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 1: By June of 2020, all 3rd and 4th grade students (all student groups including special education) will meet the STAAR reading target (44% or better), meet the STAAR math target (37% or better), and meet the growth targets for math and reading (66 and 71).

Targeted or ESF High Priority

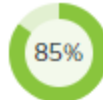

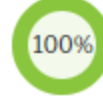

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
1) 3rd and 4th grade teachers will follow district timelines and create lesson plans with greater depth/clarity to ensure that all students have access to the full curriculum. PF's will provide lesson plan training with a template to guide lesson planning process and PF's will provide ongoing lesson planning support.			
2) Administer MAP test BOY, MOY, and EOY for 3rd and 4th grade students, and meet with teacher teams to review data and create next steps based on data.			
3) Disaggregate 2018-2019 campus STAAR data (BOY) and ongoing common assessment/Kamico/MAP data to evaluate student progress, align instructional strategies, and provide for reteaching opportunities through WIN. Teachers will use Kamico process (August training) to encourage students to set class and personal goals for growth. Collaborative discussions and problem solving will take place during weekly team PLC meetings. Weekly administrative leadership meetings will review Kamico tests and common assessments and data will be charted.			
4) Increase the use of the Accelerated Reading Program (PK through 4th grade) by increasing opportunities for students to build fluency by reading silently in the classroom and by increasing motivation for the program with Bounce for Books, Summer Reading Rewards, Little Free Library, Stop the Summer Slide Program, Book Clubs with the Principal, and the AR Carnival.			
5) Attend 4th grade transition meetings to align ESL instructional levels.			
6) Provide all teachers (PK through 4th grade and specials staff & admin) with instructional materials necessary to implement the curriculum (foldable paper, books for library, copy paper, markers, etc.).			

Strategy Description	Formative Reviews		
	Nov	Aug	Aug
7) Title I staff (PF's, DAIT, aides, Counselor) will be utilized to provide academic and behavioral support to students (including special education) and coaching for teachers. Lesson planning support and training will be provided to 3rd and 4th grades by PF's.			
8) Hire "during the day" or after school tutorial support personnel to assist with WIN/LLI/Soluciones or grade level targeted tutoring .			
9) Continue utilizing a data room to monitor data collection (school-wide for GR levels) and grade level specific rooms for SE related data. Data will also be gathered around progress towards vertical school wide goals.			
10) Teachers will create instructional groups for WIN time and the classroom using common assessment data, CBA data, Kamico data, MAP data, etc.			
11) Utilize grade level and case manager based intervention teams to provide input/strategies/allocation of additional personnel for teachers on how to assist all students who are or may be at-risk including but not limited to migrant, dyslexic, and LEP students.			
12) Identified special education students will be clustered to facilitate the inclusion process.			
13) Language of instruction in bilingual classrooms will be based on student assessment data and student needs so that we are able to best prepare students for success in middle school and life.			
14) Ensure bilingual program guidelines are followed to ensure correct placement in the program as appropriate, and ensure ELD time is reflected in teacher's daily schedules and lesson plans.			
15) Utilize small group instruction to differentiate for students' language and instructional needs (guided reading / guided math) including special education students.			
16) Ensure that GT identification procedures remain free from bias.			
17) Provide credit by exam opportunities for advanced students.			

Strategy Description	Formative Reviews

18) Provide opportunities for extended learning through GT Field Trip.			
19) Provide GT students with differentiated instructional opportunities in the general education setting and in a GT pullout program.			
20) GT students will participate in the Texas Standards Project and selected students will be invited to participate in the GT Showcase.			
21) Provide field trips to enrich classroom learning experiences for grades K-4th.			
22) All students will utilize the computer labs or mobile labs to learn technology skills.			
23) Implement reading, math, and science instructional software in PK through 4th grade such as United Streaming, Brain Pop, iStation, Waterford, DreamBox, Reading A-Z, Star Early Literacy, Accelerated Reading, etc.			
24) Utilize Accelerated Reader and web-based STAR program software in PK through 4th Grade. Utilize early literacy for PK-1st.			
25) Teachers will fully utilize available technology such as interactive projectors, document cameras, laptops, iPads, Kindles, Nooks, wireless technology, etc. Tech liaisons and district personnel will work to correct cabling issues.			
26) Utilize iStation software in PK through 4th grade (and Waterford for non-readers) to promote student academic success with a focus on intervention students.			
27) Utilize computer lab(s) before school for 3rd and 4th grade priority students so that they have extra time on iStation and/or DreamBox.			
28) Increased walkthroughs in 3rd and 4th grade - alignment checks (district timelines, lesson plans, classroom instruction) with feedback. Weekly administrative meetings will also review opportunities for PF's to support with planning, coaching, staff development.

Report of 2017-2018 High School Graduates' Enrollment and Academic Performance in Texas Public Higher Education in FY 2019

Texas statute requires every school district to include, with their performance report, information received under Texas Education Code §51.403(e). This information, provided to districts from the Texas Higher Education Coordinating Board (THECB), reports on student performance in postsecondary institutions during the first year enrolled after graduation from high school.

Student performance is measured by the Grade Point Average (GPA) earned by 2017-2018 high school graduates who attended public four-year and two-year higher education in FY 2019. The data is presented alphabetically for each county, school district and high school. The bookmarks can be used to select the first letter of a county. Then the user can scroll down to the desired county, school district and high school.

For each student, the grade points and college-level semester credit hours earned by a student in fall 2018, spring 2019, and summer 2019 are added together and averaged to determine the GPA. These GPAs are accumulated in a range of five categories from < 2.0 to > 3.5. If a GPA could not be calculated for some reason, that student is placed in the "Unknown" column. GPA data is only available for students attending public higher education institutions in Texas. If a high school has fewer than five students attending four-year or two-year public higher education institutions, the number of students is shown but no GPA breakout is given. If a student attended both a four-year and a two-year institution in FY 2019, the student's GPA is shown in the type of institution where the most semester credit hours were earned.

The number of students located at Texas independent institutions is presented. Also shown are "not trackable" graduates, those with non-standard ID numbers that cannot be used to match student identifiers at Texas higher education institutions. "Not found" graduates have standard ID numbers but were not located in FY 2019 at Texas higher education institutions. They might have enrolled in higher education outside of Texas.

No data is given for high schools with 25 or fewer graduates.

Because the statute calls for data on the first year enrolled after graduation, the level of the institution attended by students in this report may not match that given in THECB's high school to college report at <http://www.txhighereddata.org/Interactive/HSCollLink>. That report shows where students attended in the fall semester after their high school graduation year. This report attributes students to the level of institution where they earned the most semester credit hours during the whole academic year, not just the fall semester.

Please note: In May 2012 the 2006-2007, 2007-2008, and 2008-2009 versions of the *Report of High School Graduates' Enrollment and Academic Performance in Texas Public Higher Education* were updated to reflect a minor correction in how the GPA data are distributed across ranges.
