Introduction

The purpose of this handbook is to provide information that will help with questions and pave the way for a successful year. Not all district policies and procedures are included. Those that are, have been summarized. Suggestions for additions and improvements to this handbook are welcome and may be sent to Cynthia Guerrero, Coordinator, Pasadena ISD Human Resources Department.

This handbook is neither a contract nor a substitute for the official district policy manual. Nor is it intended to alter the at-will status of noncontract employees in any way. Rather, it is a guide to and a brief explanation of district policies and procedures related to employment. These policies and procedures can change at any time; these changes shall supersede any handbook provisions that are not compatible with the change. For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate district office. District Information

Description of the District

Pasadena ISD has grown significantly since its inception as a one-room school house in 1898. Today, it is a large urban district employing over 8,000 employees and serving approximately 50,000 students in grades Pre-K through twelve (12) across sixty-eight (68) schools. Pasadena Independent School District is molding today’s learners into tomorrow’s leaders. The district has championed innovative educational learning initiatives supported by advanced programs and technology driven resources that foster student success. Through positive community and business support, the district provides a menu of post secondary, technical and specialized opportunities that prepare students for higher education and adaptable workplace environments.

For years, Pasadena ISD students have continued to meet challenges head on and engage in rigorous curriculum. The number of students involved in dual credit and Advanced Placement classes continues to grow as part of the District’s commitment to College and Career Readiness. In recent years, the district has seen a 400-fold increase in Advanced Placement participation while dual credit courses provide students the opportunity to graduate from high school with a diploma and an associate’s degree. Pasadena graduates have attended some of the top universities and colleges in the country like Harvard, Stanford, Princeton, Brown and Yale.

In addition, the District offers an array of opportunities to earn an associate’s degree, graduate with a diploma, earn college credits, and gain professional certification or a license in high-demand areas like engineering, nursing and welding. Pasadena ISD also offers its students the opportunity to deepen their educational experience through a host of extra-curricular activities. Students at Pasadena ISD may participate in a multitude of athletic, as well as other extra-curricular programs focused on a multitude of interests including fine arts, robotics, student-led government, and community service – just to name a few.

Employment

Equal Employment Opportunity
Policies DAA, DIA

In its efforts to promote nondiscrimination and as required by law, Pasadena ISD does not discriminate against any employee or applicant for employment because of race, color, religion, gender, sex (including pregnancy), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant’s job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is prohibited from discriminating on the basis of sex in its educational programs or activities. The prohibition against discrimination extends to employment. Inquiries about the application of Title IX may be referred to the district’s Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

Employees with questions or concerns about discrimination based on sex, including sexual harassment, or concerns about discrimination on the basis of a disability should contact:

- Mikie Escamilla, Executive Director for Human Resources and Pasadena ISD Title IX Coordinator, 1515 Cherrybrook, Pasadena, Texas 77502; phone: (713) 740-0109; facsimile: (713) 740-04020; email: mlescamilla@pasadenaisd.org; or

Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person. Questions or concerns relating to discrimination for any other reason may also be directed to the individuals listed above, and/or the Superintendent.

Job Vacancy Announcements
Policy DC

Announcements of job vacancies by position and location are posted on a regular basis to the district’s website.
Employment after Retirement

*Policy DC*

Individuals receiving retirement benefits from the Teacher Retirement System (TRS) may be employed under certain circumstances on a full- or part-time basis without affecting their benefits, according to TRS rules and state law. Detailed information about employment after retirement is available in the TRS publication *Employment after Retirement*. Employees can contact TRS for additional information by calling 800-223-8778 or 512-542-6400. Information is also available on the TRS Website (www.trs.texas.gov).

Contract and Noncontract Employment

*Policy DC series*

State law requires the district to employ all full-time professional employees in positions requiring a certificate from the State Board for Educator Certification (SBEC) and nurses under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for nonrenewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the district.

**Probationary Contracts.** Nurses and full-time professional employees new to the district and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after a two-year lapse in district employment or employees who move to a position requiring a new class of certification may also be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed as a teacher in public education for at least five of the eight years preceding employment with the district may not exceed two school years per the Pasadena ISD District of Innovation Plan.

For those with less than five years of experience in the last eight years, the probationary period will be three school years (i.e., three one-year contracts) with an optional fourth school year if the board determines it is doubtful whether a term or continuing contract should be given.

**Term Contracts.** Full-time professionals employed in positions requiring certification and nurses will be employed by term contracts after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract. Employment policies can be accessed online or copies will be provided upon request.

**Noncertified Professional and Administrative Employees.** Employees in professional and administrative positions that do not require SBEC certification (such as noninstructional administrators) are employed by a Chapter 21 probationary or term contract as outlined under the “Probationary Contracts” and “Term Contracts” sections above.
Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the district.

Certification and Licenses
Policies DBA, DF

Professional employees whose positions require SBEC certification or a professional license are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to the Human Resources Department in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify their supervisor and the Human Resources Department when there is action against, or revocation of, their license.

A certified employee’s contract may be voided without due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual’s failure to comply with criminal history background checks. Contact the District’s Human Resources Department, or the Texas Education Agency Division of Education Certification at (512) 936-8400 if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization
Policy DC

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization. Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact your Certification Officer in the Human Resources Department if you have any questions regarding reverification of employment authorization. Failure to verify employment authorization may result in termination.

Searches and Alcohol and Drug Testing
Policies CQ, DHE

Non-investigatory searches in the workplace including accessing an employee’s desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the district reserves the right to
conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The district may search the employee, the employee’s personal items, and work areas including district-owned technology resources, lockers, and private vehicles parked on district premises or work sites or used in district business. Disciplinary action, up to and including termination, may result if an employee refuses to submit to testing or is found to violate district policy.

**Employees Required to Have a Commercial Driver’s License.** Any employee whose duties require a commercial driver’s license (CDL) is subject to alcohol and drug testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people counting the driver, drivers of large vehicles, or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving a commercial motor vehicle.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the district’s policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs.

Employees with questions or concerns relating to alcohol and drug testing policies and related educational material should contact Dr. Bobbye McCain, Associate Superintendent of Human Resources at (713)740-0278.

**Health Safety Training**

*Policies DBA, DMA*

Certain employees who are involved in physical activities for students must maintain and submit to the district proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, University Interscholastic League, or another organization that provides equivalent training and certification.

Employees subject to this requirement must submit their certification or documentation to the University Interscholastic League (UIL) portal, and Pasadena ISD’s Rank One platform, by the first (earliest) of the following dates each school year:
1) The first day of school; or
2) The first day of student activity (practice).

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, online training regarding seizure disorder awareness, recognition, and related first aid.

**Reassignments and Transfers**

*Policy DK*

All personnel are subject to assignment and reassignment by the superintendent or designee when the superintendent or designee determines that the assignment or reassignment is in the best interest of the district. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Campus reassignments must be approved by the principal at the receiving campus except when reassignments are due to enrollment shifts or program changes. Extracurricular or supplemental duty assignments may be reassigned at any time unless an extracurricular or supplemental duty assignment is part of a dual-assignment contract. Employees who object to a reassignment may follow the district process for employee complaints as outlined in this handbook and district policy DGBA (Local).

An at-will employee with the required qualifications for a position may choose transfer, or move, to another campus or department at any time by following the process outlined below.

A teacher, or other contract employee, with the required qualifications, may choose to transfer, or move, to another location within the District between school years, and before the deadline designated by the Human Resources Department, by following the process outlined below.

Absent permission from the Human Resources Department, contract employees cannot choose to transfer, or move, into the same, or a similar (lateral), position at another location within the District during the school year.

To transfer to another campus or location within the District, an employee must apply for an open position for which they are qualified, be selected to participate in the interview process, be chosen for hire by the hiring manager for the open position, and be approved for hire by the Human Resources Department and the receiving supervisor. Transfers of at-will employees, and permissive transfers of contract employees, during the school year will be coordinated by the Human Resources Department in a manner that will not adversely affect students. The Human Resources Department may withhold approval of the transfer until a replacement has been found for the employee’s vacated position.

**Workload and Work Schedules**

*Policies DEAB, DK, DL*

**Professional Employees.** Professional employees and academic administrators are exempt from overtime pay and are employed on a 12-month basis, according to the work days and/or duty schedules set by the district for the employee’s position. A school calendar is adopted each year
designating the work days for teachers and all school holidays. Notice of work schedules including start and end dates and scheduled holidays will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The district may require teachers to supervise students during lunch one day a week when no other personnel are available.

**Paraprofessional and Auxiliary Employees.** Support employees are employed at will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. See the [Overtime Compensation](#) section of this handbook for additional information.

## Breaks for Expression of Breast Milk

*Policies DEAB, DG*

The district supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

The Providing Urgent Maternal Protections of Nursing Mother Act (PUMP Act) requires an employee to notify the district if they believe the district is out of compliance in providing breaks for a nursing mother. The employee must give the district ten (10) days to come into compliance before making any claim of liability against the district. An employee with concerns should contact:

- Mikie Escamilla, Executive Director for Human Resources and Pasadena ISD Title IX Coordinator, 1515 Cherrybrook, Pasadena, Texas 77502; phone: (713) 740-0109; facsimile: (713) 740-04020; email: mlescamilla@pasadenaisd.org; or
- Dr. Bobbye McCain, Associate Superintendent for Human Resources, 1515 Cherrybrook, Pasadena, Texas 77502; phone: (713) 740-0278; facsimile: (713) 740-4020; email: bmmcain@pasadenaisd.org.
Preganant Workers Fairness Act (PWFA)

The Pregnant Worker’s Fairness Act (PWFA) provides consideration of accommodations to employees who have known limitations related to pregnancy, childbirth, or related medical conditions. An employee seeking a PWFA accommodation should contact the District’s Benefits Office in the Human Resources Department.

Notification to Parents Regarding Qualifications
Policies DK, DBA

In schools receiving Title I funds, the district is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child’s teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notice under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) and individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Human Resources Department at (713)740-0109.

Outside Employment and Tutoring
Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the district. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest.

Teachers shall not privately tutor their own students for pay, except during the summer months. An employee shall disclose in writing to his or her immediate supervisor any tutoring of District students for pay.

Performance Evaluation
Policy DN series

Evaluation of an employee’s job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee’s assigned job duties and other
job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the district. Reports, correspondence, and memoranda also can be used to document performance information. All employees will receive a copy of their written evaluation, participate in a performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse’s nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse’s duty to a patient.

**Employee Involvement**  
*Policies* [BQA, BQB]

At both the campus and district levels, Pasadena ISD offers opportunities for input in matters that affect employees and influence the instructional effectiveness of the district. As part of the district’s planning and decision-making process, employees are elected to serve on district- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office.

**Staff Development**  
*Policy* [DMA]

Staff development activities are organized to meet the needs of employees and the district, as well as federal, state, and local legal requirements. Staff development for instructional personnel is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan, and approved by a campus-level advisory committee. Staff development for non-instructional personnel is designed to meet specific licensing requirements (e.g., bus drivers) and continued employee skill development. Certain annual staff development activities are required annually and will be offered to the applicable employees in an electronic format to the maximum extent possible.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Compensation and Benefits

Salaries, Wages, and Stipends
Policies DEA, DEAA, DEAB

Employees are paid in accordance with administrative guidelines and an established pay structure. The district’s pay plans are reviewed by the administration each year and adjusted as needed. All district positions are classified as exempt or nonexempt according to federal law. Professional employees and academic administrators are generally classified as exempt and are paid monthly salaries. They are not entitled to overtime compensation. Other employees are generally classified as nonexempt and are paid an hourly wage or salary and receive compensatory time or overtime pay for each hour worked beyond 40 in a workweek. (See Overtime Compensation)

All employees will receive written notice of their pay and work schedules before the start of each school year. Classroom teachers, full-time librarians, full-time nurses, and full-time counselors will be paid no less than the minimum state salary schedule. Contract employees who perform extracurricular or supplemental duties may be paid a stipend in addition to their salary according to the district’s extra-duty pay schedule.

Employees should contact the Payroll Department at (713) 740-0263 for more information about the district’s pay schedules or their own pay.

Paychecks

All employees are paid semi-monthly on the first (1st) and fifteenth (15th) of every month, by direct deposit according to the Board-adopted Salary Schedule. If the first (1st) or fifteenth (15th) of the month falls on a Holiday or weekend, direct deposits and paycheck stubs are issued on the first work day following the Holiday or weekend. For salaried employees, the employee’s total annual salary is prorated over the entire year, meaning the employee’s total annual salary will be equally divided into 24 equal paychecks and distributed to the employee over the course of a year. Paychecks stubs are distributed via email and ESS (employee self service). An explanation of the Pasadena ISD Paycheck can be accessed on the district website.

The District’s Salary Schedule is published annually by the District and, along with amounts paid to individual employees, is subject to public disclosure pursuant to the Texas Public Information Act. Employee paychecks, in hard-copy form, will not be released to any person other than the district employee named on the check without the employee’s written authorization.
**Automatic Payroll Deposit**

Pasadena ISD electronically deposits employee paychecks into the employee’s designated account(s). Employees may elect to have their paycheck deposited into a maximum of five (5) different financial institutions and/or accounts. A notification period of one payroll cycle is necessary to activate this service and/or changes. Employees may make changes to their direct deposit information, including changes related to their financial institution or accounts, online via ESS.

By participating in the District’s Automatic Payroll Deposit service, employees authorize Pasadena ISD to initiate credit entries, and to initiate debit entries and/or adjustments if and/or necessary for any credit entries made in error, to the employee’s accounts for the duration of the employee’s employment with the District. Contact the Payroll Department at (713) 740-0263 for more information about the automatic payroll deposit service.

**Payroll Deductions**

*Policy CFEA*

The district is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas (TRS) or Social Security employee contributions
- Federal income tax required for all full-time employees
- Medicare tax (applicable only to employees hired after March 31, 1986)
- Child support and spousal maintenance, if applicable
- Delinquent federal education loan payments, if applicable

Other payroll deductions employees may elect include deductions for the employee’s share of premiums for health, dental, life, and vision insurance; annuities; and higher education savings plans or prepaid tuition programs. Employees also may request payroll deduction for payment of membership dues to professional organizations, Cornerstone Club and Houston Chronicle. Salary deductions are automatically made for unauthorized or unpaid leave. Salary deductions are automatically made for unauthorized or unpaid leave.

**Overpayments**

Employees are not entitled to any funds the district overpays. By participating in Pasadena ISD’s Automatic Payroll Deposit service, employees understand that they have acknowledged they will not be allowed to keep any funds erroneously credited to their account by Pasadena ISD and have voluntarily agreed in writing to repay the District the total amount of any credit entries made in error by Pasadena ISD.
Overtime Compensation

Policies DEAB, DEC

The district compensates overtime for nonexempt employees in accordance with federal wage and hour laws. Only nonexempt employees (hourly employees and paraprofessional employees) are entitled to overtime compensation. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor. A nonexempt employee who works overtime without prior approval will be subject to disciplinary action up to and including termination.

Overtime is legally defined as all hours worked in excess of 40 hours in a workweek and is not measured by the day or by the employee’s regular work schedule. For the purpose of calculating overtime, a workweek begins at 12:00 a.m. each Monday and ends at 11:59 p.m. the following Sunday.

Nonexempt employees that are paid on a salary basis are paid for a 40-hour workweek and do not earn additional pay unless they work more than 40 hours.

Employees may be compensated for overtime (i.e., hours beyond 40 in a workweek) at time-and-a-half rate with compensatory time off (comp time) or direct pay. The following applies to all nonexempt employees:

- Employees can accumulate up to 60 hours of comp time.
- Comp time must be used in the duty year that it is earned.
- Use of comp time may be at the employee’s request with supervisor approval, as workload permits, or at the supervisor’s direction.
- An employee may be required to use comp time before using available paid leave (e.g., sick, personal, vacation).
- Weekly time records will be maintained on all nonexempt employees for the purpose of wage and salary administration.

Travel Expense Reimbursement

Policy DEE

Before any travel expenses are incurred by an employee, the employee must first receive the approval of their campus principal, departmental director, associate superintendent and/or the Superintendent. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by the district. Employees must submit receipts, to the extent possible, to be reimbursed for allowable expenses other than mileage.
Health, Dental, and Life Insurance  
*Policy CRD*

Group health insurance, dental insurance, and life insurance coverage is available to district employees. The district’s contribution to employee insurance premiums is determined annually by the board of trustees. Detailed descriptions of insurance coverage, prices, and eligibility requirements are provided to all employees by the Benefits Office in the Human Resources Department on the district website. In addition to district contributions to employee insurance premiums, Pasadena ISD provides eligible district employees with $10,000 in life insurance coverage. Additional coverage options are also available to district employees.

The health insurance plan year is from January 1 through December 31 of each year. New employees must complete enrollment forms within the first 30 days of employment. All employees must also elect the same coverages or make changes to their insurance coverage each year during the District’s Open Enrollment period. Employees should contact Vonnie Conde, Benefits Manager at (713)740-0120 for more information.

Supplemental Insurance Benefits  
*Policy CRD*

At their own expense, employees may enroll in supplemental insurance programs for themselves and dependents. Premiums for these programs are paid by payroll deduction. Employees should contact Vonnie Conde, Benefits Manager at (713)740-0120 for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e., disability, accidental death and dismemberment, cancer and dread disease, dental, and additional term life insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis and during the specified time period.

Workers’ Compensation Insurance  
*Policy CRE*

The district, in accordance with state law, provides workers’ compensation benefits to employees who suffer a work-related illness or are injured on the job. The district has workers’
compensation coverage beginning on September 1 each year and continuing until August 31 of the following year.

Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case. All work-related accidents or injuries should be reported immediately to employee’s supervisor and the District’s Worker’s Compensation and Safety Office. Employees who are unable to work because of a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. See Workers’ Compensation Benefits for information on use of paid leave for such absences.

Unemployment Compensation Insurance
Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact Vonnie Conde, Benefits Manager at (713)740-0120.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS service retirement benefits who work at least 90 days a year are eligible to purchase a year of creditable service in TRS. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify their supervisor, and the Human Resources Department as soon as possible. Information on the application procedures for TRS benefits is available from TRS at Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778 or 512-542-6400. TRS information is also available on the web (www.trs.texas.gov). See the Employment after Retirement section for information on restrictions of employment of retirees in Texas public schools.

District Wellness Center

The Pasadena ISD Wellness Center is available to all employees and is free of charge to employees and their dependents (age 2+) who are covered under one of the district’s medical
plans. For location, hours, and services, call the Wellness Center at (713)740-5300 or visit the [district website](#).

**Employee Assistance Program**

Basic information about the Pasadena ISD Employee Assistance Program (EAP) may be found on the [district website](#). For additional information, please contact the Benefits Office.
Leaves and Absences

Policies DEC, DECA, DECB

The district offers employees paid and unpaid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call Vonnie Conde, Benefits Manager (713)740-0120 for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with the district.

Paid leave must be used in half day or full day increments for exempt employees and in one-quarter hour increments for nonexempt employees. Earned comp time must be used before any available paid state and local leave. Unless an employee requests a different order, available paid state and local leave will be used in the following order:

- Local Leave
- State sick leave accumulated before the 1995-96 school year
- State personal leave
- Vacation leave (when applicable)

Employees must follow district and department or campus procedures to report or request any leave of absence and complete the appropriate form or certification. Any unapproved absences or absences beyond accumulated or available paid leave shall result in deduction from the employee’s pay.

If an employee does not report or request leave of absence(s) according to district, campus, and/or departmental procedures, the incident is considered a “no call/no show.” An employee who is absent for 2 or more consecutive days without notice is considered to have abandoned their job and may face disciplinary consequences up to and including termination.

**Immediate Family.** For purposes of leave other than family and medical leave, immediate family is defined as the following:

- Spouse
- Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands in loco parentis.
- Parent, stepparent, parent-in-law, or other individual who stands in loco parentis to the employee.
- Sibling, stepsibling, and sibling-in-law
- Grandparent and grandchild
- Any person residing in the employee’s household at the time of illness or death

For purposes of family and medical leave, the definition of family is limited to spouse, parent, son or daughter, and next of kin. The definition of these are found in Policy DECA (LEGAL).
Medical Certification. Any employee, who is absent more than five (5) days because of a personal or family illness, must submit a medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and—in the case of personal illness—the employee’s fitness to return to work.

The district may require medical certification due to an employee’s questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests leave under the Family Medical Leave Act (FMLA) for the employee’s serious health condition, a serious health condition of the employee’s spouse, parent, or child, or for military caregiver leave.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits covered employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we ask that employees and health care providers do not provide any genetic information in any medical certification. ‘Genetic information,’ as defined by GINA, includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member, or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Continuation of Health Insurance. Employees, on an approved leave of absence other than family and medical leave, may continue their insurance benefits at their own expense. Health insurance benefits for employees on paid leave and leave designated under the FMLA will be paid by the district as they were prior to the leave. Otherwise, the district does not pay any portion of insurance premiums for employees who are on unpaid leave.

Under TRS-Active Care rules, an employee is no longer eligible for insurance through the district after six months of unpaid leave other than FML. If an employee’s unpaid leave extends for more than six months, the district will provide the employee with notice of COBRA rights.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is available for use at the beginning of the year. A day of personal leave is equivalent to the number of hours per day in an employee’s usual assignment, whether full-time or part-time. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. Personal leave may be used for two general purposes: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. Reasons for this type of leave allow very little, if any, advance planning. Nondiscretionary may be used in the same manner as state sick leave.
**Discretionary.** Leave taken at an employee’s discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a request to his or her principal or supervisor three days in advance of the anticipated absence. The effect of the employee’s absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

**Leave Proration.** If an employee separates from employment with the district before his or her last duty day of the year, or begins employment after the first duty day, state personal leave will be prorated based on the actual time employed. When an employee separates from employment before the last duty day of the school year, the employee’s final paycheck will be reduced by the amount of state personal leave the employee used beyond his or her pro rata entitlement for the school year.

**State Sick Leave**

State sick leave accumulated before 1995 is available for use and may be transferred to other school districts in Texas. State sick leave can be used only in one half or one full day increments for exempt employees and one-quarter hour increments for non-exempt employees, except when coordinated with family and medical leave taken on an intermittent or reduced-schedule basis or when coordinated with workers’ compensation benefits. State sick leave may be used for the following reasons only:

- Employee illness
- Illness in the employee’s immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

**Local Leave**

In addition to state leave, each employee who is eligible for Teacher Retirement System of Texas (TRS) benefits shall earn local leave in accordance with administrative regulations. An employee shall be permitted to use one day of local leave:

1. To attend the birth of a child of a member of the employee’s immediate family. Complications surrounding a birth shall be considered an illness in the family for which local leave may also be used.
2. For the death of a relative who is not the employee’s immediate family member, including an aunt, uncle, niece, nephew, or first cousin by blood or marriage.

An employee may also use local leave for absences related to the birth or placement of a child when leave is taken within the first year after the child’s birth, adoption, or foster placement. Additionally, employees shall use local leave according to the terms and conditions of state sick
leave accumulated before the 1995–96 school year, except that an employee may contribute local leave to a sick leave bank.

For additional information regarding local leave, or information related to hardship extensions of sick leave employees should contact the Human Resources Department.

**Vacation**  
*Policy DED*

Only employees in positions normally requiring 12 months of service who commenced employment with the District prior to August 1, 1998, shall be eligible for paid vacation. More information on paid vacation can be accessed on the district website or by contacting the Human Resources Department.

**Sick Leave Bank (or Pool)**

The District has established a sick leave bank that eligible employees may join through contribution of three (3) days of local leave each year during the month of September. To be eligible for membership in the sick leave bank, employees must have been employed by Pasadena ISD for one (1) year, be an employee who earns sick leave, and donate three (3) days of accumulated sick leave to the bank by the end of the enrollment period.

Leave contributed to the bank shall be solely for the use of participating employees. An employee who is a member of the bank may request leave from the bank if the employee experiences a catastrophic illness or injury and has exhausted all paid leave. If the employee is unable to request leave from the sick leave bank, a member of the employee’s family or the employee’s supervisor may submit the request. An employee may appeal a denial of a request for use of sick leave bank days to the Associate Superintendent for Human Resources. For additional information, employees may contact the Human Resources Department.

**Hardship Extension of Paid Sick Leave**

The District offers an additional hardship extension of paid sick leave, annually, after all available paid leave days, vacation days, and any applicable compensatory time have been exhausted. An employee is entitled to a maximum of 30 paid leave days for the employee's own personal illness or injury, including pregnancy-related illness or injury. An employee must submit a written request to the district’s benefits office and the request must be accompanied by medical certification of the illness or injury.

The District shall award hardship extensions of paid sick leave in an amount equal to the amount of paid leave the employee had accrued from previous years as of the beginning of the school year in which the hardship extension is requested, up to a maximum of 30 paid leave days and/or 240 paid leave hours. The district will deduct the average daily rate of pay of a substitute for the
employee's position for each day a hardship extension of paid leave is taken, whether or not a substitute is employed. For additional information, contact Vonnie Conde, Benefits Manager at (713)740-0120 for more information

**Family and Medical Leave Act (FMLA)—General Provisions**

The following text is from the federal notice, *Your Employee Rights Under the Family and Medical Leave Act*. Specific information that the district has adopted to implement the FMLA follows this general notice.

**What is FMLA leave?**

The Family and Medical Leave Act (FMLA) is a federal law that provides eligible employees with *job-protected leave* for qualifying family and medical reasons.

The U.S. Department of Labor’s Wage and Hour Division (WHD) enforces the FMLA for most employees. Eligible employees can take *up to 12 workweeks* of FMLA leave in a 12-month period for:

- The birth, adoption or foster placement of a child with you,
- Your serious mental or physical health condition that makes you unable to work,
- To care for your spouse, child or parent with a serious mental or physical health condition, and
- Certain qualifying reasons related to the foreign deployment of your spouse, child or parent who is a military service member.

An eligible employee who is the spouse, child, parent or next of kin of a covered service member with a serious injury or illness *may take up to 26 workweeks* of FMLA leave in a single 12-month period to care for the service member.

You have the right to use FMLA leave in *one block of time*. When it is medically necessary or otherwise permitted, you may take FMLA leave *intermittently in separate blocks of time, or on a reduced schedule* by working less hours each day or week. Read Fact Sheet #28M(c) for more information.

FMLA leave is *not paid leave*, but you may choose, or be required by your employer, to use any employer-provided paid leave if your employer’s paid leave policy covers the reason for which you need FMLA leave.

**Am I eligible to take FMLA leave?**

You are an *eligible employee* if *all* of the following apply:

- You work for a covered employer,
- You have worked for your employer at least 12 months,
• You have at least 1,250 hours of service for your employer during the 12 months before your leave, and
• Your employer has at least 50 employees within 75 miles of your work location. Airline flight crew employees have different “hours of service” requirements.
• You work for a covered employer if one of the following applies:
  • You work for a private employer that had at least 50 employees during at least 20 workweeks in the current or previous calendar year,
  • You work for an elementary or public or private secondary school, or
  • You work for a public agency, such as a local, state or federal government agency.
Most federal employees are covered by Title II of the FMLA, administered by the Office of Personnel Management.

How do I request FMLA leave?

Generally, to request FMLA leave you must:
  • Follow your employer’s normal policies for requesting leave,
  • Give notice at least 30 days before your need for FMLA leave, or
  • If advance notice is not possible, give notice as soon as possible.

You do not have to share a medical diagnosis but must provide enough information to your employer so they can determine whether the leave qualifies for FMLA protection. You must also inform your employer if FMLA leave was previously taken or approved for the same reason when requesting additional leave.

Your employer may request certification from a health care provider to verify medical leave and may request certification of a qualifying exigency.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

State employees may be subject to certain limitations in pursuit of direct lawsuits regarding leave for their own serious health conditions. Most federal and certain congressional employees are also covered by the law but are subject to the jurisdiction of the U.S. Office of Personnel Management or Congress.

What does my employer need to do?

If you are eligible for FMLA leave, your employer must:
  • Allow you to take job-protected time off work for a qualifying reason,
  • Continue your group health plan coverage while you are on leave on the same basis as if you had not taken leave, and
• Allow you to return to the same job, or a virtually identical job with the same pay, benefits and other working conditions, including shift and location, at the end of your leave.

Your employer cannot interfere with your FMLA rights or threaten or punish you for exercising your rights under the law. For example, your employer cannot retaliate against you for requesting FMLA leave or cooperating with a WHD investigation.

After becoming aware that your need for leave is for a reason that may qualify under the FMLA, your employer must confirm whether you are eligible or not eligible for FMLA leave. If your employer determines that you are eligible, your employer must notify you in writing:

• About your FMLA rights and responsibilities, and
• How much of your requested leave, if any, will be FMLA-protected leave.

Where can I find more information?

Call 1-866-487-9243 or visit dol.gov/fmla to learn more.
If you believe your rights under the FMLA have been violated, you may file a complaint with WHD or file a private lawsuit against your employer in court. Scan the QR code to learn about our WHD complaint process.

Local Procedures for Implementing Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period measured backward from the date an employee uses family medical leave (FML).

Use of Paid Leave. FML runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The district will designate the leave as FML, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are employed by the district are limited to a combined total of 12 weeks of FML to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.
**Intermittent Leave.** When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. The district does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee. See DECA (LEGAL) for use of intermittent or reduced schedule leave due to a medical necessity.

**Fitness for Duty.** An employee that takes FML due to the employee’s own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. If certification of the employee’s ability to perform essential job function is required, the district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

**Reinstatement.** An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee’s FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according the procedures outlined in policy (see DECA (LEGAL)).

**Failure to Return.** If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district’s share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee’s control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district’s share of premiums paid.

**District Contact.** Employees that require FML or have questions should contact the Benefits Office and/or Vonnie Conde, Benefits Manager (713)740-0120 for details on eligibility, requirements, and limitations.

---

**Temporary Disability Leave**

**Certified Employees.** Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It
may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee’s notification of need for extended absence due to the employee’s own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician’s statement confirming the employee’s inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days. If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the board of trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, employees should notify the Benefits Office and/or Vonnie Conde, Benefits Manager (713)740-0120 at least 30 days in advance. The return-to-work notice must be accompanied by a physician’s statement confirming that the employee is able to resume regular duties. Certified employees returning from leave will be reinstated to the school to which they were previously assigned if an appropriate position is available. If an appropriate position is not available, the employee may be assigned to another campus, subject to the approval of the campus principal. If a position is not available before the end of the school year, the employee will be reinstated to a position at the original campus at the beginning of the following school year.

**Workers’ Compensation Benefits**

An employee absent from duty because of a job-related illness or injury may be eligible for workers’ compensation weekly income benefits if the absence exceeds seven calendar days. An employee receiving workers’ compensation wage benefits for a job-related illness or injury may choose to use available, partial-day increments of sick leave or any other paid leave benefits to make up the difference between wage benefits and pre-injury or -illness wages. While an employee is receiving workers’ compensation wage benefits, the district will charge available leave proportionately so that the employee receives an amount equal to the employee’s regular salary.

**Assault Leave**

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An incident involving an assault is a work-related injury and should be immediately reported to the employee’s direct supervisor, the Workers’ Compensation and Safety Office, and the Human Resources Department.

An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person’s age or mental capacity renders the person non-responsible for purposes of criminal liability.
An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the district will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers’ compensation benefits. Upon investigation the district may change the assault leave status and charge leave used against the employee’s accrued paid leave. The employee’s pay will be deducted if accrued paid leave is not available.

**Bereavement Leave**

In addition to state leave, each employee who is eligible for Teacher Retirement System of Texas (TRS) benefits shall earn local leave in accordance with administrative regulations. An employee shall be permitted to use a maximum of five (5) days of leave for the death of a member of the employee’s immediate family and one day of leave for the death of a relative who is not an immediate family member of the employee, including an aunt, uncle, niece, nephew, or first cousin by blood or marriage. For purposes of bereavement leave, immediate family includes the employee’s spouse, child, parent, sibling, grandparent, and grandchild by blood or marriage.

**Jury Duty**

*Policies DEC, DG*

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee’s attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. An employee should report a summons for jury duty to his or her supervisor as soon as it is received and may be required to provide the district a copy of the summons to document the need for leave.

An employee may be required to report back to work as soon as they are released from jury duty. The supervisor may consider the travel time required and the nature of the individual’s position when determining the need to report to work. A copy of the release from jury duty or documentation of time spent at the court may be required.

**Compliance with a Subpoena**

Employees will be paid while on leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding and will not be required to use personal leave. Employees may be required to submit documentation of their need for leave for court appearances.
Truancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearances.

Religious Observance

The district will reasonably accommodate an employee’s request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid Leave for Military Service. Any employee who is a member of the Texas National Guard, Texas State Guard, reserve component of the United States Armed Forces, or a member of a state or federally authorized Urban Search and Rescue Team is entitled to paid leave when engaged in authorized training or duty orders by proper authority. Paid military leave is limited to 15 days each fiscal year. In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after Military Leave. Employees who leave the district to enter into the United States uniformed services or who are ordered to active duty as a member of the military force of any state (e.g., National or State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the district will be reemployed provided they can be qualified to perform the required duties. Employees returning to work following military leave should contact Dr. Bobbye McCain, Associate Superintendent of Human Resources (713)740-0278. In most cases, the length of federal military service cannot exceed five years.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact Dr. Bobbye McCain, Associate Superintendent of Human Resources (713)740-0278 for details on eligibility, requirements, and limitations.

Leave for Peace Officers

Mental Health. A peace officer employed by Pasadena ISD who experiences a traumatic event in the scope of the individual’s employment when the officer is involved in the response to, or investigation of, an such event may receive up to five (5) days of paid mental health leave per traumatic event without a reduction in compensation.
A “traumatic event” is a one-time event that:

1. Occurs within a peace officer’s employment with Pasadena ISD (i.e., when the officer is involved in the response to and/or investigation of such event pursuant to their employment with Pasadena ISD as a peace officer);
2. Would cause a reasonable peace officer to experience unusually strong emotional reactions, and/or extreme stress, marked by a sense or horror, helplessness, serious injury, or the threat of serious injury or death and has the potential to interfere with a reasonable officer’s ability to function effectively during or after the incident; and
3. Causes the requesting officer to experience unusually strong emotional reactions, and/or extreme stress, marked by a sense or horror, helplessness, serious injury, or the threat of serious injury or death and interferes with the officer’s ability to function effectively during or after the incident; and
4. Results in the officer’s subsequent diagnosis of a medical condition requiring mental health care.

Examples of a traumatic event include, but are not limited to:

- Situations involving multiple casualties caused by major disaster, explosion, massacre, and/or active-shooter event;
- Search and recovery missions involving multiple casualties;
- Line-of-duty death or a scene involving the death of a department member;
- Death of a child caused by violence or neglect; and
- Officer involved shooting of a person.

A traumatic event does not include an employee’s reaction to legitimate personnel action, including but not limited to transfer, promotion, demotion, disciplinary action (e.g., verbal and/or written warnings/reprimands), and/or termination, etc.

Following a traumatic event, a peace officer may request mental health leave by submitting a written request for mental health leave to the District’s Benefits Office within ten (10) business days of the traumatic event. The request must also contain medical certification by a health care provider as defined by the FMLA. Following a determination by the District, an employee will receive written notice of the approval or denial of their request.

All requests, including the circumstances leading to the request, will be treated as confidential employment information to the same extent as other requests for medical leave. The District will notify supervisors of the approved leave, but will not share details of the need for the leave and/or medical certification. All requests for leave will be coordinated with the workers’ compensation office or specialist to ensure a first report of injury is filed, as applicable.

For information about the District’s Employee Assistance Program, or other mental health resources, please contact the Benefits Office and/or visit the District’s website or the following websites:
Quarantine. A peace officer employed by Pasadena ISD who is ordered to quarantine by a federal or state health authority, and/or the Pasadena ISD Superintendent and/or designee, due to possible or known exposure to a reportable, communicable disease while on duty is entitled to paid leave for the period of time specified in the order.

A peace officer may request quarantine leave by submitting a written request for quarantine leave to the District’s Benefits Office. An employee requesting leave is required to provide certification from the federal or state health authority to validate the need for leave. If leave is ordered by the Superintendent or designee, such written designation will be provided to the District’s Benefits Office and medical certification from a health care provider as defined by the FMLA may be required to support a medical need for leave.

During quarantine leave, a peace officer will receive all employment benefits and compensation according to the schedule the employee would have otherwise worked during the quarantine period. In addition, requests for reimbursement for the reasonable costs of the quarantine, such as lodging, medical treatments, and transportation, must be submitted according to the District’s process and guidelines for employee reimbursements. Please note, all employee reimbursements for an amount over $200.00 must be approved in advance by the District’s Business Office.

For additional information about peace officer mental health or quarantine leave, district peace officers should contact Vonnie Conde, Benefits Manager at (713)740-0120.
Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the district. Employees are recognized at board meetings, in the district newsletter, and through special events and activities.

District Communications

Throughout the school year, the Communications Department publishes newsletters, brochures, fliers, calendars, news releases, and other communication materials. These publications offer employees and the community information pertaining to school activities and achievements. Community members and parents can receive the latest district news, events, school board briefs, urgent news and news releases via Facebook or Twitter. The Communications Department also publishes an e-newsletter for employees and various traditional pieces, including the Pinnacle newspaper and the Partners in Pasadena Newsletter. Additional copies of these publications are available in the Communications Department and on campuses.
Complaints and Grievances
Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the board of trustees. For ease of reference, the district’s policy concerning the process of bringing concerns and complaints can be found in Board Policy DGBA (Legal) and (Local) and is on the district website or at the following web address:

Discrimination, Harassment, and Retaliation
Policies DH, DIA

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons including
board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action up to and including termination.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate district official. If the campus principal, supervisor, or district official is the subject of a complaint, the complaint should be made directly to the superintendent. A complaint against the superintendent may be made directly to the board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district’s Title IX coordinator’s name and contact information is listed in the Equal Employment Opportunity section of this handbook.

The district’s policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation can be found on the district website or at the following web addresses: https://pol.tasb.org/Policy/Code/597?filter=DH and https://pol.tasb.org/Policy/Code/597?filter=DIA.

**Harassment of Students**

*Policies DH, DHB, FFG, FFH, FFI*

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and district employees are prohibited.

Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate district official. Any district employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct based on sex, including sexual harassment, of a student shall immediately notify the district’s Title IX coordinator, the ADA/Section 504 coordinator, or superintendent and take any other steps required by district policy.

Pursuant to Title IX of the of the Education Amendments of 1972 and the applicable federal regulations implementing the statute, sexual harassment of a student is conduct on the basis of sex that is one or more of the following:

1. Quid pro quo harassment by a district employee;
2. Hostile environment; and/or
3. A type of sexual violence defined by federal law.

**Quid pro quo sexual harassment of a student** occurs when an employee makes an aid, service, or benefit of the district conditional on a student’s participation in unwelcome sexual conduct.

Pasadena ISD Employee Handbook
Revised August 2023
Under this Title IX definition of quid pro quo sexual harassment, the unwelcomeness and severity of an employee’s conduct toward a student is presumed.

**Hostile environment sexual harassment of a student** occurs when a student experiences any unwelcome conduct on the basis of sex that is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school’s education program or activity.

**Sexual violence defined by federal law** includes any instance of sexual assault (as defined in the Clery Act, dating violence, domestic violence, or stalking as defined in the Violence Against Women Act (VAWA). Under this Title IX definition sexual harassment, unwelcomeness and severity is presumed.

**Solicitation of a romantic relationship** occurs when an employee engages in deliberate or repeated acts that can be reasonably interpreted as the solicitation by an educator of a relationship with a student that is romantic in nature. A romantic relationship is often characterized by a strong emotional or sexual attachment and/or patterns of exclusivity, but does not include appropriate educator-student relationships that arise out of legitimate contexts such as familial connections or longtime acquaintance.

The following acts, considered in context, may constitute prima facie evidence of the solicitation by an educator of a romantic relationship with a student:

1. Behavior, gestures, expressions, or communications with a student that are unrelated to the educator's job duties and evidence a romantic intent or interest in the student, including statements of love, affection, or attraction. Factors that may be considered in determining the romantic intent of such communications or behavior include:
   
   a. The nature of the communications;
   b. The timing of the communications;
   c. The extent of the communications;
   d. Whether the communications were made openly or secretly;
   e. The extent that the educator attempts to conceal the communications;
   f. If the educator claims to be counseling a student, SBEC may consider whether the educator's job duties included counseling, whether the educator reported the subject of the counseling to the student's guardians or to the appropriate school personnel, or, in the case of alleged abuse or neglect, whether the educator reported the abuse or neglect to the appropriate authorities; and
   g. Any other evidence tending to show the context of the communications between educator and student.

2. Making inappropriate comments about a student's body, creating or transmitting sexually suggestive photographs or images, or encouraging the student to transmit sexually suggestive photographs or images.

3. Making sexually demeaning comments to a student.

5. Requesting details of a student's sexual history.
6. Requesting a date, sexual contact, or any activity intended for the sexual gratification of the educator.
7. Engaging in conversations regarding the sexual problems, preferences, or fantasies of either party.
8. Inappropriate hugging, kissing, or excessive touching.
9. Providing the student with drugs or alcohol.
10. Violating written directives from school administrators regarding the educator's behavior toward a student.
11. Suggestions that a romantic relationship is desired after the student graduates, including post-graduation plans for dating or marriage.
12. Any other acts tending to show that the educator solicited a romantic relationship with the student.

All allegations of prohibited harassment of a student by an employee or adult will be reported to the student’s parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. See the Reporting Suspected Child Abuse section and the Bullying section for additional information.

The district’s policy that includes definitions and procedures for reporting and investigating harassment of students available on the district website or at the following web address: https://pol.tasb.org/Policy/Code/597?filter=FFH.

**Reporting Suspected Child Abuse**

*Policies DG, GRA*

All employees are required by state law to report any suspected child abuse or neglect, as defined by Texas Family Code §261.001, to a law enforcement agency, Child Protective Services (CPS), or appropriate state agency (e.g., state agency operating, licensing, certifying, or registering the facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at https://www.txabusehotline.org/Login/Default.aspx or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.
Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the district is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee’s failure to make the required report may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee’s failure to report may result in disciplinary procedures by SBEC for a violation of the Texas Educators’ Code of Ethics.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agency.

Reporting the concern to the principal does not relieve the employee of the requirement to report it to the appropriate state agency. In addition, employees must cooperate with investigators of child abuse and neglect. Interference with a child abuse investigation by denying an interviewer’s request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited.

**Sexual Abuse and Maltreatment of Children**  
*Policy FFH*

The district has established a plan for addressing sexual abuse and other maltreatment of children, which may be accessed at FFH (Local). As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child’s mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in **Reporting Suspected Child Abuse**.

**Reporting Crime**  
*Policy DG*

The Texas Whistleblower Act protects district employees who make good faith reports of violations of law by the district to an appropriate law enforcement authority. The district is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides
employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

**Scope and Sequence**

*Policy DG*

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district’s scope and sequence. The district may take appropriate action if a teacher does not follow the district’s scope and sequence based on documented evidence of a deficiency in classroom instruction. This documentation can be obtained through observation or substantiated and documented third-party information.

**Technology Resources**

*Policy CQ*

The district’s technology resources, including its networks, computer systems, email accounts, devices connected to its networks, and all district-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use is permitted if the use:

- Imposes no tangible cost to the district.
- Does not unduly burden the district’s technology resources.
- Has no adverse effect on job performance or on a student’s academic performance.

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

Employees are required to abide by the provisions of the district’s acceptable use agreement and administrative procedures. Failure to do so can result in suspension of access or termination of privileges and may lead to disciplinary and legal action. Employees with questions about computer use and data management should contact their supervisor, or campus technology liaison.

**Personal Use of Electronic Communications**

*Policy CQ, DH*

Electronic communications include all forms of social media, such as text messaging, instant messaging, electronic mail (email), web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic communications also
include all forms of telecommunication such as landlines, cell phones, and web-based applications.

As role models for the district’s students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic communications as they are for any other public conduct. If an employee’s use of electronic communications interferes with the employee’s ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee’s page, including content added by the employee, the employee’s friends, or members of the public who can access the employee’s page, and for web links on the employee’s page. The employee is also responsible for maintaining privacy settings appropriate to the content.

An employee who uses electronic communications for personal purposes shall observe the following:

- The employee may not set up or update the employee’s personal social network page(s) using the district’s computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct district business.
- The employee shall not use the district’s logo or other copyrighted material of the district without express written consent.
- An employee may not share or post, in any format, information, videos, or pictures obtained while on duty or on district business unless the employee first obtains written approval from the employee’s immediate supervisor. Employees should be cognizant that they have access to information and images that, if transmitted to the public, could violate privacy concerns.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators’ Code of Ethics, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
  - Confidentiality of student records. [See Policy FL]
  - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law. [See DH (EXHIBIT)]
  - Confidentiality of district records, including educator evaluations and private email addresses. [See Policy GBA]
  - Copyright law [See Policy CY]
  - Prohibition against harming others by knowingly making false statements about a colleague or the school system. [See DH (EXHIBIT)]
See *Electronic Communications between Employees, Students, and Parents*, below, for regulations on employee communication with students through electronic media.

**Electronic Communications between Employees, Students, and Parents**

*Policy DH*

A certified or licensed employee, or any other employee designated in writing by the superintendent or a campus principal, may use electronic communications with students who are currently enrolled in the district. The employee must comply with the provisions outlined below. Electronic communications between all other employees and students who are enrolled in the district are prohibited. Employees are not required to provide students with their personal phone number or email address.

An employee is not subject to the provisions regarding electronic communications with a student to the extent the employee has a social or family relationship with a student. For example, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee’s child, or a member or participant in the same civic, social, recreational, or religious organization. An employee who claims an exception based on a social relationship shall provide written consent from the student’s parent. The written consent shall include an acknowledgement by the parent that:

- The employee has provided the parent with a copy of this protocol
- The employee and the student have a social relationship outside of school;
- The parent understands that the employee’s communications with the student are excepted from district regulation; and
- The parent is solely responsible for monitoring electronic communications between the employee and the student.

The following definitions apply for the use of electronic media with students:

- *Electronic communications* means any communication facilitated by the use of any electronic device, including a telephone, cellular telephone, computer, computer network, personal data assistant, or pager. The term includes email, text messages, instant messages, and any communication made through an Internet website, including a social media website or a social networking website.
- *Communicate* means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee’s personal social network page or a blog) is not a *communication*: however, the employee may be subject to district regulations on personal electronic communications. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication.*
• **Certified or licensed employee** means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

An employee who communicates electronically with students shall observe the following:

• A certified employee, licensed employee, or any other employee designated in writing by the Superintendent or a campus principal may use electronic communication, as this term is defined by law, with currently enrolled students only about matters within the scope of the employee’s professional responsibilities.
• All staff are encouraged to limit their electronic communication to District-approved platforms and/or programs. For additional information related to approved platforms/programs, employees should contact their supervisor.
• A teacher, trainer, or other employee who has an extracurricular duty may use text messaging to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging shall comply with the following protocol:
  o The employee shall include at least one of the student’s parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message; or
  o The employee shall include his or her colleague, and/or immediate supervisor as a recipient on each text message to the student so that the student and at least one other Pasadena ISD employee receive the same message.
• Employees shall limit communications to matters within the scope of the employee’s professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with an extracurricular duty, matters relating to the extracurricular activity).
• The employee is prohibited from knowingly communicating with currently enrolled students through a personal social network page or personal electronic communication platform, application, or account. The employee must enable administration and parents to access the employee’s professional page.
• Employees shall make attempts to limit electronic communication with any student between the hours designated by their campus administration and/or supervisor. An employee may, however, make public posts to a social network site, blog, or similar application at any time.
• The employee does not have a right to privacy with respect to communications with students and parents.
• The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Texas Educators’ Code of Ethics including:
• Compliance with the Public Information Act and the Family Educational Rights and Privacy Act (FERPA), including retention and confidentiality of student records. [See Policies CPC and FL]
• Copyright law [Policy CY]
• Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DH]

• Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.
• Upon written request from a parent or student, the employee shall discontinue communicating with the student through email, text messaging, instant messaging, or any other form of one-to-one communication.
• Nothing herein prohibits employees from communicating with family members who are also currently enrolled students by any electronic means, so long as the communication does not constitute prohibited harassment or abuse of a District student or minor; adversely affects the student’s learning, mental health, or safety; include threats of violence against the student; reveal confidential information about the student; or constitute inappropriate communication with a student as described in the Texas Educator’s Code of Ethics.
• Nothing herein prohibits employees from communicating with currently enrolled students by any electronic means if the employee has an established, and appropriate, social relationship with the student, so long as the communication does not constitute prohibited harassment or abuse of a District student or minor; adversely affects the student’s learning, mental health, or safety; include threats of violence against the student; reveal confidential information about the student; or constitute inappropriate communication with a student as described in the Texas Educator’s Code of Ethics. Employees shall disclose social relationships with currently enrolled students to their immediate supervisor if and/or when those relationships result in the employee’s electronic communication with a currently enrolled student.
• An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.
• All staff are required to use school email accounts for all electronic communications with parents. Communication about school issues through personal email accounts or text messages are not allowed as they cannot be preserved in accordance with the district’s record retention policy.
• An employee shall notify his or supervisor in writing within one business day if a student engages in an improper electronic communication with the employee. The employee should describe the form and content of the electronic communication.
• An employee shall not be required to disclose his or her personal email address or personal phone number to a student.
• All employees shall be held to the same professional standards in their public use of electronic communication as for any other public conduct. If an employee’s use of electronic communication violates state or federal law or District policy, or interferes
with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment.

Parent and Student Complaints

Policy FNG

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the board has adopted orderly processes for handling...

Parents are encouraged to discuss problems or complaints with the teacher or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved to their satisfaction should be directed to the campus principal. Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Handbook and Student Code of Conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by the district. Other employees that have concerns about a particular student’s conduct should contact the classroom teacher or campus principal.

**Student Attendance**

*Policy FEB*

Teachers and staff should be familiar with the district’s policies and procedures for attendance accounting. These procedures require minor students to have parental consent before they are allowed to leave campus. When absent from school, the student upon returning to school, must provide acceptable excuse. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

**Bullying**

*Policy FFI*

Bullying is defined by §TEC 37.0832. All employees are required to report student complaints of bullying, including cyber bullying, to the campus principal. The district’s policy includes definitions and procedures for reporting and investigating bullying of students and may be accessed on the districts website or at the following web address: [https://pol.tasb.org/Policy/Code/597?filter=FFI](https://pol.tasb.org/Policy/Code/597?filter=FFI).

**Hazing**

*Policy FNCC*

Students must have prior approval from the principal or designee for any type of “initiation rites” of a school club or organization. While most initiation rites are permissible, engaging in or permitting “hazing” is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing must report that fact or suspicion to the designated campus administrator.
