| Strategy 1: Teacher teams will answer the four essential questions for each lesson plan unit: 1. What do we want students to know? 2. How will we know they got it? 3. What do we do if they don't get it? 4. What do we do if they already know it? Strategy's Expected Result/Impact: Successful implementation will result in the following: 1. Teachers and students will have a targeted focus as it relates to "Need to Knows" and "Nice to Knows" 2. Teachers will collect and use formative and summative data to measure student mastery of the targeted TEKS and make needed adjustments to instruction 3. Teachers will appropriately differentiate and provide real-time interventions/re-teach based on what students do not master 4. Teachers will pre-plan enrichment activities to extend the learning for those who already demonstrate TEK mastery Staff Responsible for Monitoring: Teachers, Admin Team Comprehensive Support Strategy | Formative | | |

|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 1: Conduct parent education classes including college readiness, and health and wellness. Staff Responsible for Monitoring: Peer Facilitators ACE Coordinator | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 4: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders.

Performance Objective 5: By June 2021, we will increase the number of quality partnerships we have with businesses and members of our community through service opportunities.

Evaluation Data Sources: Increased quality partnerships with businesses and community partners.

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Students will participate in community service opportunities such as volunteering at the local church, participating in city food drive and toy drive. Strategy's Expected Result/Impact: Community service hours, Food donations Staff Responsible for Monitoring: Sponsors | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Miller will participate in the HOSTS program through which local high school students volunteer in classrooms to provide student support. Strategy's Expected Result/Impact: Improved student performance Staff Responsible for Monitoring: Peer Facilitator | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 3 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 3: Create a Community Outreach Team to actively seek out partnerships in the community. Strategy's Expected Result/Impact: Increased number of quality business and community partnerships Staff Responsible for Monitoring: Principal | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional, and physical well-being of all students and staff.

Performance Objective 1: We will decrease the amount of discipline referrals through our school-wide PBIS system.

Evaluation Data Sources: Discipline data

Summative Evaluation: Significant progress made toward meeting Objective

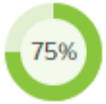

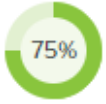

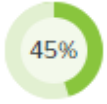

| Strategy 1 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: We will use a leveled discipline system to address behavior issues on campus. Levels are as follows: Level 1- Mild Infractions (teacher corrected) Level 2- Moderate Infractions (student remains in class, referral placed in AP box) Level 3- Severe Infractions (student removed from area) Strategy's Expected Result/Impact: Student misbehavior will be handled consistently across the campus in class and in the office Staff Responsible for Monitoring: PRIDE Team, Admin Team | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Teachers will have develop and implement a classroom management plan with expectations for behavior and consequences in accordance with school-wide policy. The plan will also include maintaining documentation in a discipline binder. Strategy's Expected Result/Impact: Consistent expectations and enforcement of classroom rules. Staff Responsible for Monitoring: Admin Team | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional, and physical well-being of all students and staff.

Performance Objective 2: All students will know and abide by our PRIDE values (Guidelines for Success.)

Evaluation Data Sources: Decrease in overall discipline referrals.

Summative Evaluation: Met Objective

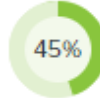

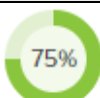

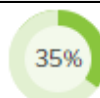

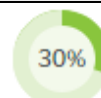

| Strategy 1 Details | Formative Reviews | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| Strategy 1: Students will participate in the following PRIDE value activities: 1. Back to School lessons in HR 2. Mini-lesson updates 3. PRIDE pep rallies Strategy's Expected Result/Impact: Students will know the PRIDE values and model them at school Staff Responsible for Monitoring: PRIDE Team, Admin Team | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Faculty and staff will recognize students for modeling PRIDE values through the following: 1. Falcon Shout Outs 2. Phone calls home 3. Miller Money incentive Staff Responsible for Monitoring: Admin Team | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Behavior expectations for common areas will be taught and posted in common areas in the context of our Guidelines for Success. Strategy's Expected Result/Impact: Students will display expected common area behaviors according to our Guidelines for Success Staff Responsible for Monitoring: PRIDE Team | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional, and physical well-being of all students and staff.

Performance Objective 3: By June of 2021, we will become a trauma-informed school.

Evaluation Data Sources: Student social/emotional wellness surveys

Summative Evaluation: Significant progress made toward meeting Objective

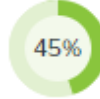

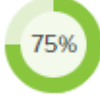

| Strategy 1 Details | Formative Reviews | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| Strategy 1: Students will participate in various social emotional lessons throughout the year based on the Casel model competencies including self-awareness, self management, social awareness, relationship skills, and responsible decision making. Strategy's Expected Result/Impact: Students will have a welcoming, caring climate in which to learn. Staff Responsible for Monitoring: Counselors Funding Sources: Books & Reading Material - Non Library - State Compensatory Funds - \$500 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Students will participate in small group counseling sessions based on various social/emotional learning (SEL) topics Staff Responsible for Monitoring: Counselors | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: We will employ a Community In Schools site coordinator to provide various services including academic support, enrichment activities, college readiness, parent involvement, health and human services, and supportive guidance. Strategy's Expected Result/Impact: Students and families will receive extra support in these areas. Staff Responsible for Monitoring: Principal | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Students will use an Action Based learning Lab for initial instruction as well as some for Tier 2 and Tier 3 behavior interventions. Staff Responsible for Monitoring: Admin Team | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| <div>  No Progress  Accomplished  Continue/Modify  Discontinue </div> | | | |

Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional, and physical well-being of all students and staff.

Performance Objective 4: We will increase our campus attendance rate to at least 96.5% for the 2020-21 school year.

Evaluation Data Sources: Attendance rate for the year will be at or above 96.5%.

Summative Evaluation: Significant progress made toward meeting Objective

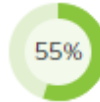

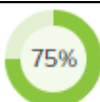

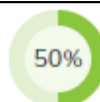

| Strategy 1 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 1: Miller will implement a leveled approach to attendance with the following tiers: Tier 1: Universal Plan for students missing between 2-8% of school Tier 2: At-Risk Plan for students missing between 9-20% of school Tier 3: Plan for students who are chronically absent missing more than 20% of school *All tiers will include a family/community component Strategy's Expected Result/Impact: Attendance rate will improve. Staff Responsible for Monitoring: Attendance Administrator | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: The following areas will be targeted by tier to reduce absenteeism: -Monitoring Data -Engaging students and parents -Recognizing good and improved attendance -Personalized early outreach Strategy's Expected Result/Impact: Attendance rate will improve. Staff Responsible for Monitoring: Attendance Administrator | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Miller will implement a Truancy Prevention Policy which includes the following: -Warning Letters -Parent Contact -Attendance Contracts -Counseling Conferences -Truancy Referrals Strategy's Expected Result/Impact: Attendance rate will improve. Staff Responsible for Monitoring: Attendance Administrator | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional, and physical well-being of all students and staff.

Performance Objective 5: By June 2021, there will be a reduction in the reported incidents of bullying as a result of Miller's Bully Prevention Campaign.

Evaluation Data Sources: Reduction in reported bullying incidents (discipline data), survey results

Summative Evaluation: Met Objective

| Strategy 1 Details | Formative Reviews | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 1: Counselors will provide student lessons over topics including bullying vs. conflict, cyber-bullying, and how to report bullying. Strategy's Expected Result/Impact: Students will learn strategies to prevent and report bullying incidents. Staff Responsible for Monitoring: Counselors | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Teachers, counselors, principals and parents will communicate to effectively address bullying concerns. Strategy's Expected Result/Impact: Survey data will show adults and students feel the school is a safe place Staff Responsible for Monitoring: Administrators, Counselors | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: We will bring in speakers and have presentations such as the "Change Happens" group to speak with students about Bully Prevention. Strategy's Expected Result/Impact: Students will learn strategies to prevent and report bullying incidents. Staff Responsible for Monitoring: CIS Site Coordinator | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Campus will work collaboratively with the District Special Education Office to ensure initial evaluations to determine special education eligibility are completed within the required timelines. Strategy's Expected Result/Impact: Reports generated by Esped, ARD Minutes Staff Responsible for Monitoring: Principal, Diagnostician Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 2 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 2: Campus will follow district procedures regarding parental request for special education evaluations. Strategy's Expected Result/Impact: Parent Communication Staff Responsible for Monitoring: Principal, Diagnostician Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Campus will work collaboratively with the District Special Education Office to document appropriate State Assessment Decision-Making Process for students with disabilities by (1) use of data from progress monitoring, CBAs, etc. to make determinations regarding state assessment and ensure progress, (2) ensure ARD Document clearly delineates the need for STAAR Acc/STAAR Alt (i.e., PLAFFs, IEPs, deliberations) and (3) utilizing District/State required STAAR Alternative Participation Requirement Forms. (SG-Science and Math/SE) Strategy's Expected Result/Impact: ARD Minutes, District Documentation Spreadsheet Staff Responsible for Monitoring: Principal, Case Managers, LSSP, Diagnostician, Assistant Principals Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Campus will work collaboratively with the District Special Education Office to ensure compliance with Senate bill 1196-Restraint Training and Texas Behavior Support Initiative requirements. Strategy's Expected Result/Impact: Eduphoria Transcript Staff Responsible for Monitoring: Principal Schoolwide and Targeted Assisted Title I Elements: 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 5 Details | Formative Reviews | | |
| Strategy 5: Campus has reviewed the previous year state assessment scores for each student with a disability. If the student did not perform satisfactorily on their state assessment test for any subject, an ARD committee will be held within 4 weeks, or as soon as possible, to discuss Accelerated Instruction/Intensive Program of Instruction. Strategy's Expected Result/Impact: ARD Committee Minutes Staff Responsible for Monitoring: Diagnostician, Special Education Case Managers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 6 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 6: Campus will follow district policy to ensure students with disabilities have access to facilities. Strategy's Expected Result/Impact: Documentation of Access to Facilities during SBDM Meeting Staff Responsible for Monitoring: Principal Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 7 Details | Formative Reviews | | |
| Strategy 7: Campus will review student data on an individual basis and consider the least restrictive environment prior to placing students in a special education setting. Strategy's Expected Result/Impact: ARD Minutes, Schedule of Services Staff Responsible for Monitoring: Administrators, LSSP, Diagnostician, Special Education Case Managers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 8 Details | Formative Reviews | | |
| Strategy 8: Science Saturday Camp will be provided to special education students to provide interactive science lessons. Strategy's Expected Result/Impact: STAAR Results Staff Responsible for Monitoring: Science Instructional Coach Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 Funding Sources: Supplies and Payroll for Saturday Camp - 211 - Title 1 A - Economically Disadvantaged Study | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| <div>  No Progress  Accomplished  Continue/Modify  Discontinue </div> | | | |

Goal 1: We will ensure rigorous curriculum and relevant learning experiences that promote real life application.

Performance Objective 6: By June 2021, the percentage of identified LEP students with satisfactory academic performance on the 2021 Math, Reading, and Science STAAR Tests will be at least 75%. In addition, at least 65% of LEP students will demonstrate progress.

Evaluation Data Sources: 2021 STAAR Results, TELPAS Results

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Administrators and teachers will utilize TELPAS reports to determine the rate of progress with English Language proficiency and determine appropriate interventions to serve students at risk of failing. Strategy's Expected Result/Impact: TELPAS Results Staff Responsible for Monitoring: Assistant Principals, Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 Funding Sources: Tutorials and Supplies - 263 - Title III A - Bilingual Education, Language - \$2,383 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Teachers will post specific content and language objectives aligned with the district scope and sequence. Language objectives will target listening, speaking, reading, and writing to support academic language acquisition. Strategy's Expected Result/Impact: Walkthroughs, Lesson Plans Staff Responsible for Monitoring: Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Analyze previous Spanish and English STAAR results and benchmark data to ensure that students are receiving instruction, accommodations, and taking the appropriate STAAR test. Strategy's Expected Result/Impact: Benchmark Results, STAAR Data Staff Responsible for Monitoring: Principal, Assistant Principal Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 Funding Sources: Supplies for Intervention - 263 - Title III A - Bilingual Education, Language | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Provide English Language Acceleration during enrichment classes for recent immigrants. Strategy's Expected Result/Impact: TELPAS Results Staff Responsible for Monitoring: Assistant Principal, Teacher Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| <div>  No Progress  Accomplished  Continue/Modify  Discontinue </div> | | | |

Goal 1: We will ensure rigorous curriculum and relevant learning experiences that promote real life application.

Performance Objective 7: By June 2021, the average daily attendance (ADA) will be at least 96.5%.

Evaluation Data Sources: Attendance Reports

Summative Evaluation: Met Objective

| Strategy 1 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Call students who are absent a second consecutive day. Strategy's Expected Result/Impact: Parent Contact Logs Staff Responsible for Monitoring: Teachers Schoolwide and Targeted Assisted Title I Elements: 2.5, 2.6, 3.1 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Provide written notification to parents or guardians regarding 3 unexcused absences and the potential referral to legal authorities. Refer students with 3 or more unexcused absences within a four week period or 10 or more unexcused absences within a 6 week period to appropriate legal authorities. Strategy's Expected Result/Impact: DA Letters, Court Referral Records Staff Responsible for Monitoring: Attendance Clerk, Campus Attendance Administrator Schoolwide and Targeted Assisted Title I Elements: 2.5, 2.6, 3.1 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Provide counseling services to students that are experiencing attendance issues due to social or emotional reasons. Strategy's Expected Result/Impact: Counseling Logs Staff Responsible for Monitoring: Counselors, Administrators Schoolwide and Targeted Assisted Title I Elements: 2.5, 2.6, 3.1, 3.2 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: An attendance committee will be created to develop incentives and other programs to increase student attendance. Strategy's Expected Result/Impact: ADA Attendance Staff Responsible for Monitoring: Attendance Committee Schoolwide and Targeted Assisted Title I Elements: 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 1: We will ensure rigorous curriculum and relevant learning experiences that promote real life application.

Performance Objective 8: By June 2021, the CHAC committee will plan and implement at least three activities that increase student and parent awareness of healthy living practices as measured by attendance at planned events.

Evaluation Data Sources: Sign In Sheets at CHAC Events, Documentation of Informational Pamphlets and Notes, and an Increase in Student Participation in School Sponsored Events

Summative Evaluation: Met Objective

| Strategy 1 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Families will be invited to attend family fitness nights in which they will participate in activities that increase health and wellness activities such as the Turkey Trot Jogging Night and Walk Against Drugs. Strategy's Expected Result/Impact: Sign In Sheets Staff Responsible for Monitoring: CHAC Committee Schoolwide and Targeted Assisted Title I Elements: 2.5, 3.1, 3.2 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: CHAC Committee will meet monthly to ensure the interventions and actions from the campus improvement plan are being met and modified as necessary. Strategy's Expected Result/Impact: Sign In Sheets and Minutes Staff Responsible for Monitoring: CHAC Committee Schoolwide and Targeted Assisted Title I Elements: 2.5, 3.2 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Students will participate in physical activities during physical education. Strategy's Expected Result/Impact: Lesson Plans, Walkthroughs Staff Responsible for Monitoring: PE Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5 Funding Sources: Physical Fitness - 206- Texas Hurricane Homeless Program | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Students will participate in physical education assessment including two fitness gram assessments. Strategy's Expected Result/Impact: Test Results Staff Responsible for Monitoring: PE Teachers and PEP Coordinator | Formative | | |
| | Mar | June | Aug |

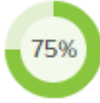

| | | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
| Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5 |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 2: We will provide flexible learning environments, structures and schedules that meet the needs of all 21st century learners.

Performance Objective 1: Provide meaningful experiences through an innovative learning environment that meet the individual needs of each student. 90% of students using personalized learning will complete all of their power focus areas by June 2021.

Evaluation Data Sources: Personalized Learning Platform

Summative Evaluation: Met Objective

| Strategy 1 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 1: Provide the Personalized Learning Program to students. Strategy's Expected Result/Impact: STAAR Results, Platform Assessment Data Staff Responsible for Monitoring: Instructional Coaches, Teachers, Principal Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 Funding Sources: Supplies and Payroll for Intervention - 211 - Title I A - Economically Disadvantaged Study | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 2: We will provide flexible learning environments, structures and schedules that meet the needs of all 21st century learners.

Performance Objective 2: By August 2021, a dual language teacher will offer 5th grade students Spanish Language Arts and 6th grade students will be offered Spanish I for high school credit.

Evaluation Data Sources: Master Schedule and Dual Language Enrollment

Summative Evaluation: Met Objective

| Strategy 1 Details | Formative Reviews | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 1: Provide dual language classes for qualifying students to build capacity for bilingualism and biliteracy. Strategy's Expected Result/Impact: LPAC Minutes, Class Rosters Staff Responsible for Monitoring: LPAC Coordinator Schoolwide and Targeted Assisted Title I Elements: 2.5 Funding Sources: Salary for Dual Language Teachers - 211 - Title 1 A - Economically Disadvantaged Study - \$150,719 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 2: We will provide flexible learning environments, structures and schedules that meet the needs of all 21st century learners.

Performance Objective 3: By June 2021, 125 students will participate in the 21st Century ACE Program that provides afterschool and before school enrichment strategies and homework assistance.

Evaluation Data Sources: Number of Students Receiving Services, Program Evaluation

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Advertise the program and recruit students using the marquee, flyers, and phone calls. Strategy's Expected Result/Impact: Student Attendance Sheets, Class Rosters Staff Responsible for Monitoring: ACE Coordinator Schoolwide and Targeted Assisted Title I Elements: 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Provide a variety of classes that will encourage students to participate in the afterschool program. Classes will focus on developing academic skills. Strategy's Expected Result/Impact: Class Schedules, Student Participation, STAAR Results Staff Responsible for Monitoring: ACE Coordinator, ACE Teachers Schoolwide and Targeted Assisted Title I Elements: 2.5, 2.6 Funding Sources: Supplies, Contract Services, and Payroll to support the ACE Program - 21st CCLC Grant - \$77,517 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 2: We will provide flexible learning environments, structures and schedules that meet the needs of all 21st century learners.

Performance Objective 4: By June 2021, implement an anti-bullying program to help reduce incidents of bullying by 25%.

Evaluation Data Sources: Discipline Report

Summative Evaluation: Met Objective

| Strategy 1 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Provide a bullying training session to all teachers and professional staff. Strategy's Expected Result/Impact: Sign In Sheets, Agenda Staff Responsible for Monitoring: Counselors Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Provide anti-bullying literature to parents through Parent Resource Center and during parent training sessions. Strategy's Expected Result/Impact: Sign In Sheets Staff Responsible for Monitoring: Counselor Schoolwide and Targeted Assisted Title I Elements: 3.1, 3.2 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Continue the implementation of conscious discipline and CHAMPS by providing training to new teachers and posting expectations in all common areas. Strategy's Expected Result/Impact: Discipline Referrals Staff Responsible for Monitoring: Assistant Principal, Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Provide an anti-bullying presentation to all homeroom classes. Strategy's Expected Result/Impact: Attendance Records Staff Responsible for Monitoring: Counselors | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| <div>  No Progress  Accomplished  Continue/Modify  Discontinue </div> | | | |

Goal 3: We will develop and promote 21st century career and college exploration and preparation programs.

Performance Objective 1: By June 2021, all students will have an awareness of 21st century career options and college requirements as measured by participation in campus activities.

Evaluation Data Sources: Kids2College Survey and Participation in College Week and Career Fair Activities

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 1: Provide opportunity for 6th grade students to participate in the Kids2College Program. Strategy's Expected Result/Impact: Kids2College Participation Rate Staff Responsible for Monitoring: Counselors and Teachers Schoolwide and Targeted Assisted Title I Elements: 2.5, 2.6, 3.2 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Provide college week activities to expose students to information about attending college. Strategy's Expected Result/Impact: College Week Activity Schedule Staff Responsible for Monitoring: Counselors Schoolwide and Targeted Assisted Title I Elements: 2.5, 3.2 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 4: We will actively recruit, develop, and retain a highly qualified staff.

Performance Objective 1: By June 2021, all teachers will consistently participate in professional development to increase student performance.

Evaluation Data Sources: Eduphoria Walkthrough Analysis, Lesson Plan Reviews, Professional Development Sign In Sheets, Student Work Products

Summative Evaluation: Met Objective

| Strategy 1 Details | Formative Reviews | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Teachers will actively participate in weekly PLC meetings to discuss instructional objectives and language objectives as guided by district timelines, techniques for instructional delivery, and cross curricular integration and relevancy. Strategy's Expected Result/Impact: Meeting Minutes and Attendance Sheets Staff Responsible for Monitoring: Team Leaders Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Provide teachers with opportunities to participate in high-quality professional development, such as Conscious Discipline. Strategy's Expected Result/Impact: Eduphoria Transcripts Staff Responsible for Monitoring: Principal Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 Funding Sources: Funds for Conscious Discipline - 211 - Title 1 A - Economically Disadvantaged Study | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Campus Coaches in the areas of ELAR/SS, Math, and Science will be provided as a support to all staff members. Campus Coaches will provide staff development opportunities, model lessons, and provide feedback based on teacher needs and expertise with the curriculum content. Campus Coaches will also attend PLC meetings to provide ideas on instructional techniques, suggestions for resources, and to maintain overall focus on district curriculum guidelines. Strategy's Expected Result/Impact: Coaching Logs Staff Responsible for Monitoring: Campus Coaches, Administrators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 Funding Sources: Salary for Campus Coaches - 211 - Title 1 A - Economically Disadvantaged Study - \$165,162 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: 100% of Teachers will participate in professional development to help them facilitate virtual and hybrid learning. Strategy's Expected Result/Impact: Teachers will be able to provide high-quality virtual and hybrid instruction. Staff Responsible for Monitoring: Principal, Assistant Principals Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - TEA Priorities: Recruit, support, retain teachers and principals, Build a foundation of reading and math, Improve low-performing schools - ESF Levers: Lever 2: Effective, Well-Supported Teachers, Lever 4: High-Quality Curriculum, Lever 5: Effective Instruction | Formative | | |

Pasadena Independent School District
Moore Elementary
2020-2021 Formative Review

Mission Statement

The mission of Pasadena ISD and Moore Elementary, the gateway to unlimited opportunity for the youth of our culturally rich community, is to empower students to become accomplished, self-directed, collaborative, lifelong learners, who boldly contribute to an increasingly complex and evolving world by engaging them in positive relationships, rigorous curriculum, and innovative meaningful experiences.

Vision

We believe that...

- A Supreme Being exists and everyone has the right to make religious and/or spiritual choices.
- We will honor our country, our freedom and all those who protect and defend our constitutional rights.
- Family and community profoundly influence decisions individuals make.
- Everyone has purpose, worth, and dignity with immeasurable potential.
- Connecting with others and building positive, meaningful relationships is essential.
- Learning is instinctive, lifelong, and unique to the individual.
- Communication is pervasive, essential, ever-present, and multidimensional.
- We must provide a safe physical, emotional, and social environment to enhance the ability to learn.
- Diversity adds value to all areas of life.
- Change is inevitable for growth and success.
- Each person is responsible and accountable for the choices he or she makes.
- We must foster an environment of honesty and integrity.

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student. | 4 |
| Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all. | 26 |
| Goal 3: We will actively recruit, develop, and retain a highly qualified staff. | 28 |
| Goal 4: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders. | 29 |
| Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff. | 32 |

Goals

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

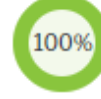

Performance Objective 1: During the current school year, consistent implementation of district curriculum, research based strategies, and rigor and relevance principles will ensure that performance of all students will meet or exceed the state average.

Evaluation Data Sources: Walkthrough documentation, lesson plans, campus and district staff development logs and agendas.

Summative Evaluation: Met Objective

Pasadena Independent School District

Morales Elementary

2020-2021 Formative Review

Mission Statement

The mission of Pasadena ISD, the gateway to unlimited opportunity for the youth of our culturally rich community, is to empower students to become accomplished, self-directed, and collaborative, lifelong learners, who boldly contribute to an increasingly complex and evolving world by engaging them in positive relationships, rigorous curriculum, and innovative, meaningful experiences.

Vision

We believe that:

A Supreme Being exists and everyone has the right to make religious and/or spiritual choices
We will honor our country, our freedom and all those who protect and defend our constitutional rights
Family and community profoundly influence decisions the individual makes
Everyone has purpose, worth, and dignity with immeasurable potential
Connecting with others and building positive, meaningful relationships is essential
Learning is instinctive, lifelong and unique to the individual
Communication is pervasive, essential, ever-present, and multi-dimensional
We must provide a safe physical, emotional and social environment to enhance the ability to learn
Diversity adds value to all areas of life
Change is inevitable for growth and success
Each person is responsible and accountable for the choices he or she makes
We must foster an environment of honesty and integrity

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student. | 4 |
| Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all. | 28 |
| Goal 3: We will actively recruit, develop, and retain a highly qualified staff. | 29 |
| Goal 4: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders. | 31 |
| Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff. | 34 |

Goals

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

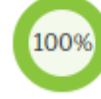

Performance Objective 1: During the current year, consistent implementation of district curriculum, research based strategies, and rigor and relevance principles will ensure that performance of all students will meet or exceed the state average.

Evaluation Data Sources: Walkthrough documentation, lesson plans, campus and district staff development logs and agendas.

Summative Evaluation: Significant progress made toward meeting Objective

Pasadena Independent School District

Morris Middle School

2020-2021 Formative Review

Mission Statement

At Morris Middle School we will support students and provide them an opportunity to master the habits of success by working together as a family to better students, each other, and our community.

Vision

We believe collaborative teams are the fundamental structure of the school. Together we will:

- Improve instruction by creating a culture that embraces professionalism and growth mindset
- Use data to monitor each student's progress and implement timely and appropriate interventions and enrichment
- Provide authentic real-world learning that engages students
- Provide ongoing resources, strategies, and information to parents and community members
- Put student needs first in all decision making
- Constantly seek out the most promising practices that support high levels of student learning
- Provide a guaranteed and viable curriculum to all students

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

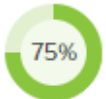

| | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and relevant learning experiences that promote real life application. | 4 |
| Goal 2: Morris Middle School will provide staff development for new and developing programs. including the CONNECT program, Professional Learning Communities at Work and Conscious Discipline. | 6 |
| Goal 3: We will provide flexible learning environments, structures, and schedules that meet the needs of all learners. | 7 |
| Goal 4: We will actively recruit, develop, coach, and retain a highly qualified staff at Morris Middle School. | 9 |
| Goal 5: We will pursue a culturally responsive approach to meaningful parental engagement. | 11 |
| Goal 6: Increase business/community support and participation on the campus. | 12 |
| Goal 7: We will embed technology at Morris to support both instructional and administrative needs. | 13 |

Goals

Goal 1: We will ensure rigorous curriculum and relevant learning experiences that promote real life application.

Performance Objective 1: Morris Middle School students will show a 10% improvement in scores from the 2019 STAAR to the 2020 STAAR and district CBA's. Students will show growth in reading and math as evidence by MAP data by the used of increased literacy strategies and math intervention programs.

Summative Evaluation: Met Objective

Pasadena Independent School District
Parks Elementary
2020-2021 Formative Review

Mission Statement

The Parks Elementary staff will provide all students unlimited opportunities to become effective communicators, problem solvers, productive citizens and advocates for the environment through positive relationships, rigorous curriculum, and relevant experiences.

Vision

Making an UNMISTAKABLE IMPACT in every classroom on every child, every day!

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student. | 4 |
| Goal 2: We will promote career and college exploration and preparations through the use of systems and structures to meet the needs of all. | 37 |
| Goal 3: We will actively recruit, develop, and retain a highly qualified staff. | 40 |
| Goal 4: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders. | 43 |
| Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well being of all students and staff. | 51 |

Goals

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 1: During the current school year, consistent implementation of the district's curriculum, research-based strategies, and rigorous and relevant standards will ensure that 80% of the Parks students will meet or exceed the state average.

Evaluation Data Sources: Lessons plans, professional learning community agendas, observation documentation, professional development agendas and logs

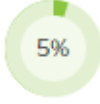

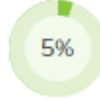

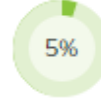

Summative Evaluation: Some progress made toward meeting Objective

Next Year's Recommendation: Continue working to complete each strategy.

|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 3: Professional development opportunities, that focus on the implementation of effective instructional strategies, will be provided. Strategies will be used to design lessons that will increase student performance by 10% as measured by a variety of campus, district and state assessments.

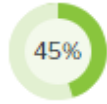

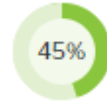

Evaluation Data Sources: Professional development meeting agendas, survey information, student grading reports

Summative Evaluation: Some progress made toward meeting Objective

Next Year's Recommendation: Continue using effective strategies to reach this objective

| Strategy 3: 1.1.3. Promote technology resources to students that aides them in CCR and provides them with 21st Century Skills. Strategy's Expected Result/Impact: Increased attainment of students reaching CCMR designation. Staff Responsible for Monitoring: Administrators and campus content specialists ESF Levers: Lever 5: Effective Instruction - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: 1.1.4. Use online websites and current PISD software and apps to improve channels of communication Strategy's Expected Result/Impact: Use of student website (studentmightyeagles.org) and the staff website (PHSStaff.org) to communicate pertinent information to all stakeholders. Staff Responsible for Monitoring: Technology leadership team. ESF Levers: Lever 2: Effective, Well-Supported Teachers, Lever 3: Positive School Culture - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

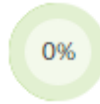

Goal 1: Goal 1: We will promote an exemplary learning environment through the utilization of ancillary service departments that integrate established and innovative practices, standards, and systems.

Performance Objective 2: 1.2 We will provide consistent support to staff and students by working alongside district specialists

Evaluation Data Sources: Campus visits by district support.

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: 1.2.1. Increase collaboration between district ELA specialist and campus ELA team. Strategy's Expected Result/Impact: Increase in student achievement in ELA scores Staff Responsible for Monitoring: Administrator and campus coach over ELA ESF Levers: Lever 2: Effective, Well-Supported Teachers, Lever 4: High-Quality Curriculum - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 2 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 2: 1.2.2. Increase collaboration between district PLC specialists and campus. Strategy's Expected Result/Impact: Designation as PLC Model School Staff Responsible for Monitoring: Administrators and Campus Content Specialists ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 2: Effective, Well-Supported Teachers, Lever 3: Positive School Culture, Lever 4: High-Quality Curriculum, Lever 5: Effective Instruction - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

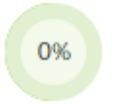

Goal 2: Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all.

Performance Objective 1: 2.1 Increase CCMR for students to 60% of students having CCMR qualifications by the end of their Junior year.

Evaluation Data Sources: CCMR documentation

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: 2.1.1. The College Career Counselor will work with grade levels to educate them on CCMR readiness standards. Strategy's Expected Result/Impact: Increase in CCMR designations Staff Responsible for Monitoring: College Now Counselor ESF Levers: Lever 3: Positive School Culture - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: 2.1.2. Develop a clear system for monitoring and updating the CCMR list Strategy's Expected Result/Impact: Increase in CCMR designation Staff Responsible for Monitoring: College Now Counselor and Administrator over CTE TEA Priorities: Connect high school to career and college - ESF Levers: Lever 3: Positive School Culture - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 3 Details | Formative Reviews | | |

| Strategy 3: 2.1.3. Develop recommendations for appropriate selection of college readiness assessments (ACT, SAT, TSIA) and a timeline for administration of these assessments to maximize opportunities for students. Strategy's Expected Result/Impact: A plan will be in place for all C/O 2022 students to achieve CCMR designation Staff Responsible for Monitoring: College Now Counselor TEA Priorities: Connect high school to career and college - ESF Levers: Lever 3: Positive School Culture - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 2: Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all.

Performance Objective 2: 2.2 Increase enrollment in Advanced Academics programs such as AP/Dual Credit by 10%

Evaluation Data Sources: Enrollment data

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: 2.2.1. College Now Coordinator will work with Academic Counselors to present and promote opportunities to enroll in advanced academic programs for 9-11 grade students. Strategy's Expected Result/Impact: Increase in AP enrollment Staff Responsible for Monitoring: College Now Coordinator and Academic Counselors TEA Priorities: Connect high school to career and college - ESF Levers: Lever 3: Positive School Culture - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: 2.2.2. Target qualifying students based on data and conduct individual meetings to encourage students to participate in Dual credit. Strategy's Expected Result/Impact: Qualifying students will enroll in Dual Cred and/or AP courses TEA Priorities: Connect high school to career and college - ESF Levers: Lever 3: Positive School Culture - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 2: Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all.

Performance Objective 3: 2.3 CTE: Achieve a pass rate of 85% on qualifying CCMR certification exams.

Evaluation Data Sources: Certification exam data

Summative Evaluation: Some progress made toward meeting Objective

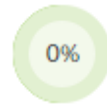

| Strategy 1 Details | Formative Reviews | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: 2.3.1. 100% of CTE teachers will attend training on CTE curriculum Strategy's Expected Result/Impact: All teachers will understand and implement district CTE curriculum Staff Responsible for Monitoring: Administrator over CTE TEA Priorities: Connect high school to career and college - ESF Levers: Lever 2: Effective, Well-Supported Teachers - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: 2.3.2. Teachers will allow all students to retest who fail below proficiency on certification exams (when possible) Strategy's Expected Result/Impact: Increase in student success and number of certifications earned. Staff Responsible for Monitoring: Administrator over CTE TEA Priorities: Connect high school to career and college - ESF Levers: Lever 5: Effective Instruction - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: 2.3.3. All teachers will implement reading skills practice related to their certification. Strategy's Expected Result/Impact: Increased success on certification exams due to improved reading skills in the area of technical reading. Staff Responsible for Monitoring: Administrator over CTE TEA Priorities: Connect high school to career and college - ESF Levers: Lever 5: Effective Instruction - Comprehensive Support Strategy - Targeted Support Strategy - Additional Targeted Support Strategy - Results Driven Accountability | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 3: Goal 3: We will actively recruit, develop, and retain a highly qualified staff to promote a successful learning environment for all.

Performance Objective 1: 3.1 Administrators will be involved in district recruitment events.

Evaluation Data Sources: Participation in district recruitment events.

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 1: 3.1.1. Administrative staff including campus content specialists will participate in district recruitment events. Strategy's Expected Result/Impact: Increased recruitment of quality personnel Staff Responsible for Monitoring: Campus administration TEA Priorities: Recruit, support, retain teachers and principals - ESF Levers: Lever 1: Strong School Leadership and Planning | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 3: Goal 3: We will actively recruit, develop, and retain a highly qualified staff to promote a successful learning environment for all.

Performance Objective 2: 3.2. Department leaders will include content team teachers in the active recruitment and hiring of new team members

Evaluation Data Sources: Interview records

Summative Evaluation: Met Objective

| Strategy 1 Details | Formative Reviews | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: 3.2.1. Each department leadership team will train teachers on the process of serving on interviewing panels. Strategy's Expected Result/Impact: Hiring of quality personnel with team member support Staff Responsible for Monitoring: Administration TEA Priorities: Recruit, support, retain teachers and principals - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 2: Effective, Well-Supported Teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 3: Goal 3: We will actively recruit, develop, and retain a highly qualified staff to promote a successful learning environment for all.

Performance Objective 3: 3.3 Provide continuous support and coaching to our new hires in order to achieve a retention rate of more than 95%.

Evaluation Data Sources: Personnel movement data

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 1: 3.3.1. Recruit, support, retain teachers and principals Strategy's Expected Result/Impact: Teacher retention will reach 95% or higher TEA Priorities: Recruit, support, retain teachers and principals - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 2: Effective, Well-Supported Teachers, Lever 3: Positive School Culture | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: 3.3.2. CCSs and appraiser will work with teachers on an individual basis to improve instruction, develop quality connections, and to support educator growth. Strategy's Expected Result/Impact: Teacher retention rate will be reach 95% of higher. TEA Priorities: Recruit, support, retain teachers and principals - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 2: Effective, Well-Supported Teachers, Lever 3: Positive School Culture | Formative | | |

Goal 6: Goal 6: We will promote an exemplary learning environment for students and staff through the utilization of ancillary service departments that integrate established and innovative practices, standards, and systems.

Performance Objective 1: 6.1 ELA - Increase the percentage of EOC passing scores by 10% in comparison to the previous year's scores.

Evaluation Data Sources: CBAs, Mock, STAAR

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 1: 6.1.1 Teachers will utilize Eagle Time with targeted lessons based on data from CBAs, CFAs, and mock exams. Strategy's Expected Result/Impact: ELA 1 and 2 teachers, and teachers of retesters can show evidence of targeted intervention using ET assessment data. Staff Responsible for Monitoring: Patricia Goodman ESF Levers: Lever 5: Effective Instruction | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: 6.1.2. Teachers will build initial teach lessons that execute the elements of the Madeline Hunter lesson cycle. Strategy's Expected Result/Impact: Student performance will increase on STAAR and PSAT/SAT/ACT/AP tests Staff Responsible for Monitoring: Patricia Goodman ESF Levers: Lever 5: Effective Instruction | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 6: Goal 6: We will promote an exemplary learning environment for students and staff through the utilization of ancillary service departments that integrate established and innovative practices, standards, and systems.

Performance Objective 2: 6.2 Math - Increase the number of students scoring 530 or above on Math SAT scores.

Evaluation Data Sources: Test prep enrollment, SAT scores

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: 6.2.1 Promote student participation in free after school prep sessions. Strategy's Expected Result/Impact: Attendance and scores will increase. Staff Responsible for Monitoring: Jason Krutowskis ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 3: Positive School Culture | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 6: Goal 6: We will promote an exemplary learning environment for students and staff through the utilization of ancillary service departments that integrate established and innovative practices, standards, and systems.

Performance Objective 3: 6.3 Science - Increase students performing at mastery level on Biology STAAR by 5%.

Evaluation Data Sources: CBAs, Mock data, STAAR

Summative Evaluation: Some progress made toward meeting Objective

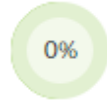

| Strategy 1 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|------|-------------------------------------------------------------------------------------|
| Strategy 1: 6.3.1. Students on the bubble between "meets" and "masters" will participate in Eagle Time section Strategy's Expected Result/Impact: 100% of students in this Eagle Time group will be answering the HOT question on Friday quizzes. Staff Responsible for Monitoring: Leslie Constant ESF Levers: Lever 5: Effective Instruction | Formative | | |
| | Mar | June | Aug |
| |  | |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 6: Goal 6: We will promote an exemplary learning environment for students and staff through the utilization of ancillary service departments that integrate established and innovative practices, standards, and systems.

Performance Objective 4: 6.4 Social Studies - US History department will increase mastery STAAR scores from 38% to 43%

Evaluation Data Sources: CBA, Mock, STAAR

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: 6.4.1. Teachers will use mock data to look at students who received meets. 15% of students above and below meets will be part of a 10-day intensive after intervention. Strategy's Expected Result/Impact: Increased percentage of students earning "mastery" on STAAR. Staff Responsible for Monitoring: Trevor Parker | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

Pasadena Independent School District

Pearl Hall Elementary

2020-2021 Formative Review

Mission Statement

Pearl Hall Mission Statement:

Our mission...

We remain committed to providing a high quality education in which all students achieve academic success.

We remain committed to building relationships with each other, students, and parents in the community we serve. We are a school family that will always be student-centered.

We remain committed to the integration of technology in our classrooms to create engaging learning environments.

We remain committed to providing real-time intervention and enrichment for our students that is targeted and purposeful.

WE ARE PEARL HALL ELEMENTARY!

Vision

Vision Statement:

Pearl Hall Elementary is committed to building a community of learners that reaches every child, in every classroom, every day.

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student. | 4 |
| Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all. | 27 |
| Goal 3: We will actively recruit, develop, and retain a highly qualified staff. | 28 |
| Goal 4: We will use culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders. | 30 |
| Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff. | 32 |

Goals

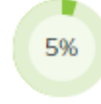

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

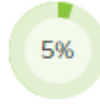

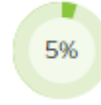

Performance Objective 1: During the current school year, consistent implementation of district curriculum, research-based strategies, and rigor and relevance principles will ensure that performance of all students will meet or exceed the state average.

Evaluation Data Sources: Walkthrough documentation, lesson plans, campus/ district staff development logs and agendas

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 3: Provide campus-based staff development to ensure consistent implementation of curriculum and rigor and relevance standards. Strategy's Expected Result/Impact: Campus staff development plan, Agendas, Sign-in sheets Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - TEA Priorities: Recruit, support, retain teachers and principals, Build a foundation of reading and math, Improve low-performing schools - Additional Targeted Support Strategy Funding Sources: Title I Salary Instructional Coaches - 211 - Title 1 A - Economically Disadvantaged Study - \$153,311 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Integrate relevant literacy skills across all content areas. Strategy's Expected Result/Impact: Lesson plans in Eduphoria, Walkthrough data Staff Responsible for Monitoring: Peer Facilitators, Literacy Cohort, Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 5 Details | Formative Reviews | | |
| Strategy 5: Implement gradual release model for lesson design and delivery. Strategy's Expected Result/Impact: Lesson plans in Eduphoria, Walkthrough data Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 6 Details | Formative Reviews | | |
| Strategy 6: Use standardized rubrics for measuring responses for writing assignments and/or assessments of all content areas. Strategy's Expected Result/Impact: Lesson plans in Eduphoria, Walkthrough data Staff Responsible for Monitoring: Peer Facilitators, Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 7 Details | Formative Reviews | | |
| Strategy 7: Ensure that all science classes incorporate hands-on and lab activities in alignment with state Science TEKS. Strategy's Expected Result/Impact: Lesson plans in Eduphoria, Walkthrough data Staff Responsible for Monitoring: Campus Administrators, Team Leaders Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 8 Details | Formative Reviews | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 8: Use online databases, eBooks, books, and other resources for specific TEKS. Strategy's Expected Result/Impact: Lesson plans in Eduphoria, Walkthrough data Staff Responsible for Monitoring: Librarian, Technology Liaison, Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 9 Details | Formative Reviews | | |
| Strategy 9: Provide staff development on utilization of online databases and resources. Strategy's Expected Result/Impact: Sign-in sheets, Agendas Staff Responsible for Monitoring: Librarian, Technology Liaison, Peer Facilitators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 10 Details | Formative Reviews | | |
| Strategy 10: Provide staff with the training necessary to implement differentiated research-based instructional strategies such as small group instruction, cooperative learning, curriculum compacting, use of leveled readers, and authentic projects. Strategy's Expected Result/Impact: Sign-in sheets, Agendas Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, Literacy Cohort Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 11 Details | Formative Reviews | | |
| Strategy 11: Build and convene content area curriculum committees to share successful implementation of research-based instructional practices. Strategy's Expected Result/Impact: Sign-in sheets, Agendas Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 12: Provide instructional materials and implement research-based strategies, such as the Big Eight, on a daily basis to promote a variety of learner engagement techniques. Strategy's Expected Result/Impact: Lesson plans in Eduphoria, Walkthrough data Staff Responsible for Monitoring: Teachers, Peer Facilitators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - TEA Priorities: Build a foundation of reading and math, Improve low-performing schools - Additional Targeted Support Strategy Funding Sources: Title I Instructional Funds - 211 - Title 1 A - Economically Disadvantaged Study - \$20,794 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 13 Details | Formative Reviews | | |
| Strategy 13: Develop and provide research-based instructional strategies and staff development plan for technology integration. Strategy's Expected Result/Impact: Campus staff development plan, Agendas, Sign-in sheets Staff Responsible for Monitoring: Campus Administrators, Technology Liaison, Librarian, Peer Facilitators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 14 Details | Formative Reviews | | |
| Strategy 14: Create master schedules that will provide common planning time for teams of teachers and promote time for PLC's. Strategy's Expected Result/Impact: Master schedule Staff Responsible for Monitoring: Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| <div>  No Progress  Accomplished  Continue/Modify  Discontinue </div> | | | |

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 2: During the current school year, data disaggregation will drive the design of instruction and interventions as measured by at least a 5% reduction in end-of-year failures.

Evaluation Data Sources: Data workshop agendas and information, sign-in sheets, student grades, intervention referral data

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Analyze campus subgroup student performance on assessments disaggregated by ethnicity, economic status, Migrant, Homeless, LEP, and Special Education participation. Strategy's Expected Result/Impact: AWARE reports Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Provide staff with longitudinal data on the percentage of ELL students making progress toward English proficiency. Strategy's Expected Result/Impact: AWARE reports Staff Responsible for Monitoring: Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Assist staff in analyzing the performance of LEP, Migrant, Homeless, and Special Education students on state and national assessments. Strategy's Expected Result/Impact: Sign-in sheets, Agendas Staff Responsible for Monitoring: Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Provide staff development opportunities for regular education teachers on the intervention and Special Education referral process. Strategy's Expected Result/Impact: Sign-in sheets, Agendas Staff Responsible for Monitoring: Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 5 Details | Formative Reviews | | |
| Strategy 5: Provide staff development on data disaggregation and how the data will drive instruction. Strategy's Expected Result/Impact: Sign-in sheets, Agendas Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

Pasadena Independent School District

Queens Intermediate

2020-2021 Formative Review

Mission Statement

Queens Intermediate School is dedicated to providing a safe, positive learning environment in which all students, parents, teachers and administrators are responsible for the academic, social and individual student achievement necessary to develop the skills needed for each student to become a productive, contributing citizen of our community.

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure that all students will have the necessary skills and knowledge through rigorous curriculum, effective instruction, STAAR results, and relevant learning experiences that will promote real life application. | 4 |
| Goal 2: We will provide safe, supportive, engaging, and flexible learning environments, structures, and schedules that meet the needs of all 21st century learners. | 26 |
| Goal 3: We will develop and promote 21st century career and college exploration and preparation programs for all students. | 30 |
| Goal 4: We will actively recruit, develop, and retain a highly qualified staff. | 31 |
| Goal 5: We will relentlessly pursue a culturally responsive approach to meaningful parental engagement. | 34 |
| Goal 6: We will ensure vital and ongoing relationships with our business and community partners. | 35 |
| Goal 7: We will embed appropriate technologies throughout the campus to support both instructional and administrative needs. | 36 |

Goals

Goal 1: We will ensure that all students will have the necessary skills and knowledge through rigorous curriculum, effective instruction, STAAR results, and relevant learning experiences that will promote real life application.

Performance Objective 1: By June 2021, ALL STUDENTS will demonstrate an increase from 42 percent to 47 percent in the "MEETS" standard category of Reading STAAR and show progress in Reading on Map testing results. Accountability Area Targeted: State Accountability

Targeted or ESF High Priority

Evaluation Data Sources: STAAR results

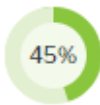

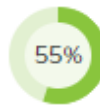

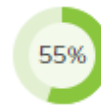

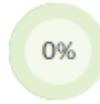

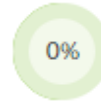

Summative Evaluation: Some progress made toward meeting Objective

Next Year's Recommendation: We will continue this goal because we were not able to take STARR due to COVID-19.

Pasadena Independent School District
Rayburn High School
2020-2021 Formative Review

Mission Statement

We will provide an optimum learning environment in which students acquire the knowledge and skills necessary to become self-directed, responsible citizens who are college and career ready.

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student. | 4 |
| Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all. | 10 |
| Goal 3: We will actively recruit, develop, and retain a highly qualified staff. | 12 |
| Goal 4: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders. | 16 |
| Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff. | 19 |

Goals

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 1: SRHS faculty align district scope and sequence, instructional strategies, and campus assessments to the TEKS /College and Career Readiness Standards based instructional targets to ensure student success.

Evaluation Data Sources: State and district assessment data

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: PLCs meet twice weekly to review lesson plans using the 4 PLC questions, ensuring scope and sequence alignment, aligned learning goals and activities, effective instructional strategies, effective questioning strategies, literacy strategies, and assessment. Strategy's Expected Result/Impact: Meet or beat district average on district and state assessments Staff Responsible for Monitoring: Principal, Assistant Principals, , CCSs, Teachers Additional Targeted Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Any student who fails an EOC test will be provided remediation: voluntary individual tutorials, LLI Reading Intervention, Texan Time, pull out reteach opportunities, extended day opportunities, and continual support during the school day in all classes. Strategy's Expected Result/Impact: Meet or beat district average on district and state assessments Staff Responsible for Monitoring: Principal, Assistant Principals Additional Targeted Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: All staff will attend FOCUS meetings/DWSD to learn appropriate instructional strategies and align lessons to district scope and sequence. Strategy's Expected Result/Impact: Meet or beat district average on district and state assessments Staff Responsible for Monitoring: Principal, Assistant Principals Additional Targeted Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 4 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 4: Teachers will integrate opportunities for students to conduct research, demonstrate creative thinking skills, and develop presentation skills through the use of technology. Strategy's Expected Result/Impact: Increased effective use of appropriate technology Staff Responsible for Monitoring: Principals, CCSs, Technology Team, Teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 2: Teachers across all content areas will implement reading and writing into their instruction, focusing on the types of literacy skills practitioners in their discipline would use in real world contexts.

Evaluation Data Sources: Walkthrough data, EOC scores, CBA data

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Teachers will incorporate at least one research-based speaking and one research-based writing strategy in their instruction daily. Strategy's Expected Result/Impact: Walk Through Data Staff Responsible for Monitoring: Teachers, CCSs, and Principals Additional Targeted Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Teachers will implement before, during, and after reading strategies to increase student engagement and build literacy skills. Strategy's Expected Result/Impact: Increased scores on ELA assessments Staff Responsible for Monitoring: SRHS Administration, Content Specialists, Teachers Comprehensive Support Strategy - Additional Targeted Support Strategy Funding Sources: General Supplies - State Compensatory Funds | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 3 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 3: Students who scored minimum or below on the ELA End of Course assessment will be offered an opportunity to attend focused intervention on critical reading and writing skills necessary for success. Strategy's Expected Result/Impact: Increased scores on ELA Assessments Staff Responsible for Monitoring: Principals and Counselors Comprehensive Support Strategy - Additional Targeted Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 3: Professional Learning Communities will meet at least 90 minutes per week to answer the four PLC questions, vet lessons, review/discuss effective instructional strategies, create team common assessments, and analyze data.

Evaluation Data Sources: PLC team created common formative and summative assessments, CBAs,

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: PLCs will adjust instruction and instructional strategies to increase student success after analysis of CBAs, Mock STAAR, EOCs, and other formative and summative assessments. Strategy's Expected Result/Impact: Focused lesson planning and increased scores on formative and summative assessments; targeted intervention grouping Staff Responsible for Monitoring: Principals, Content Specialists, and Teachers Additional Targeted Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: PLCs will analyze by student by standard data to drive instruction and intervention. Strategy's Expected Result/Impact: Increased student achievement Staff Responsible for Monitoring: Principals, Content Specialists, and Teachers Comprehensive Support Strategy - Additional Targeted Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

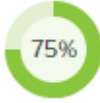

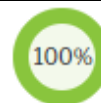

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 4: The percentage of students identified as special education students that achieve satisfactory academic performance on STAAR will be equal to or greater than the districts average.

Evaluation Data Sources: STAAR scores

Summative Evaluation: Met Objective

| Strategy 1 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Campus has reviewed the previous year state assessment scores for each student with a disability to determine baseline data. Strategy's Expected Result/Impact: Campus leaders are familiar with our baseline starting point Staff Responsible for Monitoring: Principals, Case Managers, CCSs | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: For each SPED student who failed a STAAR test, develop an IPI strategically targeting a specific reporting category focused on an area that will most benefit the student. Strategy's Expected Result/Impact: Interventions will be targeted and provided based on documented need Staff Responsible for Monitoring: Principals and Diagnosticians | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Implement campus procedures for specifying STAAR assessment participation and accommodations within IEPs with fidelity. Strategy's Expected Result/Impact: Consistency in targeted supports for students and appropriate accommodations for testing Staff Responsible for Monitoring: Principals, Case Managers, LSSP, Diagnostician, and Counselors Comprehensive Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 4 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 4: Campus will work with district personnel to draft targeted IEP goals and objectives. Strategy's Expected Result/Impact: Goals will be implemented with fidelity and student performance will improve in areas targeted by the goals/objectives Staff Responsible for Monitoring: Principals, Case Managers, District Specialists Comprehensive Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 5 Details | Formative Reviews | | |
| Strategy 5: Campus will implement decision-making process to determine which assessments each student will take each year for STAAR. Strategy's Expected Result/Impact: Appropriate assessment selection and better allocation of intervention resources Staff Responsible for Monitoring: Principals, Counselors, Case Managers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 6 Details | Formative Reviews | | |
| Strategy 6: Campus will ensure recommended accommodations/modifications are targeted & data-driven for each student. Strategy's Expected Result/Impact: Accommodations will be implemented with fidelity and student performance will improve. Staff Responsible for Monitoring: Principals, Counselors, Case Managers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 7 Details | Formative Reviews | | |
| Strategy 7: Campus will monitor to ensure IEPs are implemented with fidelity & will make data-driven adjustments as necessary for student success. Strategy's Expected Result/Impact: Improved student performance and proper placement of students Staff Responsible for Monitoring: Principals, Teachers, Case Managers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 8 Details | Formative Reviews | | |
| Strategy 8: Campus will review student data on an individual basis and consider the least restrictive environment prior to placing students in a special education setting. (SG/Per-Reading SEI; Math SE; Science SE; SS SE) Strategy's Expected Result/Impact: Proper placement of students Staff Responsible for Monitoring: Principals, Counselors, LSSP, Diagnosticians, Case Managers Comprehensive Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

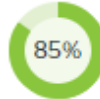

| Strategy 9 Details | Formative Reviews | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 9: Provide Specially Designed Instruction (SDI) training to all special education and general education teachers in co-teach classrooms to maximize effectiveness of instruction and student support in SF classes. Strategy's Expected Result/Impact: Improved student performance Staff Responsible for Monitoring: Principals, District Staff Comprehensive Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 5: Establish strategies and interventions to provide timely and effective additional assistance for all students not meeting state's standards. Particular focus on sub-groups and students identified as LEP, SPED, African American and White Non-Hispanic.

Evaluation Data Sources: Formative and Summative Assessments

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Limited English Proficient students will be provided opportunities and resources, during the school day, to use the Rosetta Stone, LLI, Edgenuity, dictionaries, and LUCHA programs to prepare them for success on STAAR assessments Strategy's Expected Result/Impact: Improved LEP scores Staff Responsible for Monitoring: Principals and ESOL teachers Comprehensive Support Strategy - Additional Targeted Support Strategy Funding Sources: Software - State Compensatory Funds | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Teachers will use assessment data and classroom observations to create small group instructional opportunities within the classroom setting to provide targeted instruction. Strategy's Expected Result/Impact: Improved STAAR scores Staff Responsible for Monitoring: Principals and Teachers Comprehensive Support Strategy - Additional Targeted Support Strategy Funding Sources: Manipulatives - State Compensatory Funds | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 3 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 3: Teachers will post specific content and language objectives aligned with the district scope and sequence. Language objectives and instruction will target listening, speaking, reading, and writing to support academic language acquisition. Strategy's Expected Result/Impact: Evidence of use in Walk Throughs and Lesson Plans Staff Responsible for Monitoring: Teachers and Principals Comprehensive Support Strategy - Additional Targeted Support Strategy Funding Sources: General Supplies - 263 - Title III A - Bilingual Education, Language | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: All special population students will be scheduled to attend EOC tutorials before and after school and during assigned Texan Time. Tutorials will be based on areas of weakness as indicated formative and summative assessment. Targeted weaknesses will be addressed Strategy's Expected Result/Impact: Increased scores on CBA and state assessments Staff Responsible for Monitoring: Teachers and Principals Comprehensive Support Strategy - Additional Targeted Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all.

Performance Objective 1: SRHS will provide opportunities for faculty and staff to communicate with students on college and career readiness.

Evaluation Data Sources: PSAT/SAT/TSIA data, graduation plan, course registration selection.

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: PSAT/SAT test preparation lessons will be provided to Homeroom teachers to implement during Homeroom sessions prior to school-wide PSAT and SAT day. Strategy's Expected Result/Impact: Increased student understanding of the importance of college testing, as well as, benefits of the tests. Increase in PSAT/SAT participation and performance. Staff Responsible for Monitoring: SRHS Administration College Now Coordinator Funding Sources: Prep Materials - State Compensatory Funds | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

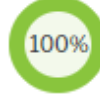

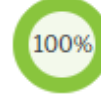

| Strategy 2 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 2: Use of Khan Academy test preparation and the College Board score linking tool in Math and English classes. Students will link their own PSAT results to their Khan Academy account. Strategy's Expected Result/Impact: Students will gain better understanding of PSAT/SAT test format and content. Students will gain access to personalized test prep for future administrations of the PSAT and SAT. Staff Responsible for Monitoring: SRHS Teachers, SRHS Administration, SRHS CCS | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all.

Performance Objective 2: SRHS faculty and staff will promote post-secondary readiness and the college application process.

Evaluation Data Sources: Increase of students attending post-secondary programs

Summative Evaluation: Met Objective

| Strategy 1 Details | Formative Reviews | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 1: The following programs and events will promote higher education and support students in the college exploration and application process: PISD College Week, PISD College Night, PSAT/ACT/SAT preparation and registration, College Application Weeks, Financial Aid Information Night, FAFSA Labs, Decision Day Celebration, AVID course offering, Houston Area Recruiters Network (HARN) SRHS College Fairs at lunch periods, SRHS Alumni College Panel Strategy's Expected Result/Impact: Increase in number of student applications to post-secondary schools and number of seniors who submit financial aid applications. Staff Responsible for Monitoring: SRHS Administration SRHS Counselors SRHS College Now Coordinator Advise TX College Advising Corp San Jacinto College Shared Educational Planner SRHS Advisory Teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 5: All core teachers with LEP students will be SIOP trained. (SG/Per-Reading ELL; Math ELL; SS ELL) Strategy's Expected Result/Impact: Improve CBA, EOC, Common Assessment, ACT, SAT, TSIA, and ASVAB Scores Staff Responsible for Monitoring: SIOP Peer Facilitator Comprehensive Support Strategy - Additional Targeted Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 6 Details | Formative Reviews | | |
| Strategy 6: All AP/Pre-AP teachers will be trained through Rice University's Advanced Placement Institute or NMSI every two years. Strategy's Expected Result/Impact: Walk-throughs, LTF exams, AP exams Staff Responsible for Monitoring: AP Coordinator | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 7 Details | Formative Reviews | | |
| Strategy 7: Hire and retain qualified teachers that fit the culture and climate of the campus. (Teacher in the bleachers, Shout outs, Spirit Days. Interview questions will be tailored to meet our campus needs/goals) Strategy's Expected Result/Impact: Proficient or above on Domain 3/4, Decrease Discipline, Improve Relationships Staff Responsible for Monitoring: Principals and Campus Leaders | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 8 Details | Formative Reviews | | |
| Strategy 8: Interview prospective employees and follow up with detailed reference checks. Strategy's Expected Result/Impact: Reference Check Forms Staff Responsible for Monitoring: Principals | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 9 Details | Formative Reviews | | |
| Strategy 9: Develop a staff development plan that provides differentiated levels of instruction for all instructional, administrative, and support staff. Strategy's Expected Result/Impact: Quality walk-throughs Staff Responsible for Monitoring: Principals and Campus Leaders | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 10 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 10: SRHS will utilize content specialists to facilitate staff development and coach instruction. Strategy's Expected Result/Impact: Walk-throughs, Observation Summaries, Performance Data Staff Responsible for Monitoring: Principals | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 11 Details | Formative Reviews | | |
| Strategy 11: Campus Leadership will be committed to making every classroom conducive to the 21st century learner by providing training on classroom technology to faculty and staff(i.e. technology includes Promethean boards, document cameras, etc). Strategy's Expected Result/Impact: Increased effective use of appropriate technology Staff Responsible for Monitoring: Principals and Technology Team | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 3: We will actively recruit, develop, and retain a highly qualified staff.

Performance Objective 2: SRHS leadership will increase staff and student participation involvement in decision making and goal setting to meet the needs of the campus.

Evaluation Data Sources: Meeting minutes with participants named and decisions recorded.

Summative Evaluation: Met Objective

| Strategy 1 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Provide a variety of opportunities for faculty and staff to be involved, get information, make suggestions, and give feedback in order to make informed decisions (i.e. faculty, department, grade level, and committee meetings). Opportunities should include discussions on assessment, behavior, student needs, climate and culture, and overall instructional program. Strategy's Expected Result/Impact: Improved survey and discipline report data, improved campus climate and culture Staff Responsible for Monitoring: All Stakeholders | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 2 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 2: Ensure that appropriate staff members are represented in meetings and decision making committees in order to make informed decisions concerning all sub groups. Committees include Site Based Decision Making, Attendance and Safe and Civil Schools, Principals Student Advisory Committee, and other committees established as necessary. Strategy's Expected Result/Impact: Increased scores and success of students, students who are college, career, and military ready Staff Responsible for Monitoring: Campus Leaders and Teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

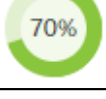

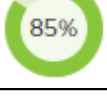

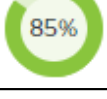

Goal 4: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders.

Performance Objective 1: A parental involvement program will be established and implemented to increase collaborative partnerships and encourage all parents to be active partners in their children's education.

Evaluation Data Sources: Increased Parent Involvement

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Each club or organization will provide opportunities for parental involvement, such as booster clubs, informational meetings, and other events. All events will be advertised to the community via social media, the school marquee and in the community newspaper. Strategy's Expected Result/Impact: Increased attendance at events and informational meetings Staff Responsible for Monitoring: Administrative Staff and Teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Increase opportunities and encourage parents to attend meetings (i.e. Open House, 504 mtgs, SPED ARD's, LEP transitions and LPAC, and conferences) and make a good faith effort to provide reasonable support (i.e. Spanish versions and alternate times) as requested. Increase communication and campus awareness (written, marquee signs, via phone systems, electronic media/websites and social media). Strategy's Expected Result/Impact: Increased Parental Involvement Staff Responsible for Monitoring: Principal | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 3 Details | Formative Reviews | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| Strategy 3: Ensure that all appropriate and relevant parent notifications go home in a timely manner. Ensure that good faith effort and to extent possible, that all communication and school information is sent in the appropriate home language. Strategy's Expected Result/Impact: Increased accessibility of information for parents Staff Responsible for Monitoring: SRHS Administration | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: SRHS faculty and staff will initiate and maintain consistent contact with parents regarding their student's progress. This will be done through phone calls, emails, progress reports, report cards, Skyward Family Access, and home visits. Strategy's Expected Result/Impact: Increase communication to enable parents to be more informed of student progress/status Staff Responsible for Monitoring: SRHS Administration and Teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 5 Details | Formative Reviews | | |
| Strategy 5: Provide parents with information that can be utilized to monitor student progress including campus grading policy, Skyward Family Access, and the interpretation of test results. Strategy's Expected Result/Impact: Increase parent ability to monitor student progress and intervene as needed Staff Responsible for Monitoring: Campus Administration | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 6 Details | Formative Reviews | | |
| Strategy 6: Faculty and staff will provide evening informational workshops on topics related to academic, college and career readiness and other relevant topics. Strategy's Expected Result/Impact: Increase parent knowledge of aspects within academic readiness Staff Responsible for Monitoring: Counselors | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 4: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders.

Performance Objective 2: SRHS faculty and staff will increase community and business partnerships through community outreach by students and staff members.

Evaluation Data Sources: Growth of community outreach by student organizations.

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Create and plan outreach such as; toy drives, food drives, and volunteerism. Connect with community organizations whose purpose aligns with campus efforts. Strategy's Expected Result/Impact: Rise in community projects Staff Responsible for Monitoring: Student Organizations Sponsors & SRHS Administration | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Senior student participation in a community service project. Strategy's Expected Result/Impact: Increased student involvement. Staff Responsible for Monitoring: CTE Teachers and Staff | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Increase student participation in mentoring programs with elementary schools such as Ready, Set, Teach and Junior Achievement. Strategy's Expected Result/Impact: Increased student participation Staff Responsible for Monitoring: CTE Teachers and Staff | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Faculty will organize and provide opportunities for working professionals in varying fields to meet and have discussions with our students. Strategy's Expected Result/Impact: Increase in attendance of events. Staff Responsible for Monitoring: SRHS Administration | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 5 Details | Formative Reviews | | |
| Strategy 5: School partnership will be established with Community in Schools to address student needs. Strategy's Expected Result/Impact: Partnership with Rotary Club with SRHS Staff Responsible for Monitoring: SRHS Administration | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

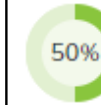

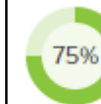

| Strategy 6 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 6: Community resource program will be established to support student needs through partnership with: Food Banks, CIS, and Salvation Army. Strategy's Expected Result/Impact: Increase partnerships with campus-based organizations and businesses Staff Responsible for Monitoring: Student Organization Sponsors and SRHS Administration | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff.

Performance Objective 1: We will utilize PBIS strategies to create a safe environment that promotes positive learning relationships between teachers and students and improve school culture and climate.

Evaluation Data Sources: PBIS Discipline Report

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: The safe and civil committee will meet monthly to evaluate data. Strategy's Expected Result/Impact: Decrease discipline referrals to increase seat time Staff Responsible for Monitoring: Safe and Civil Committee | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Use PBIS data to make informed decisions for future staff development Strategy's Expected Result/Impact: Quality professional development that aligns with campus needs Staff Responsible for Monitoring: Safe and Civil Committee, Principal | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 3 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 3: Offer various student incentives to improve attendance, discipline, and academic performance. Strategy's Expected Result/Impact: Improved attendance, discipline, and academic performance. Staff Responsible for Monitoring: SRHS Administration Funding Sources: Incentives - State Compensatory Funds | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

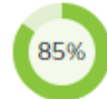

Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff.

Performance Objective 2: SRHS faculty and staff will teach and model citizenship and promote a sense of campus community for all students and staff.

Evaluation Data Sources: Increase attendance, decreased discipline referrals

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Establish PRIDE values that students and staff will be held to. Strategy's Expected Result/Impact: Higher attendance rate, lower discipline rate, more participation of students and staff Staff Responsible for Monitoring: SRHS Administration/Teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Teach character education lessons in homeroom introducing pride values. Strategy's Expected Result/Impact: Lower discipline rate Staff Responsible for Monitoring: SRHS Administration and Teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Encourage teacher and student involvement in academic and extracurricular activities, and clubs/organizations through 8th grade visits, parent nights, festivals, call outs, social media, open house, intermediate nights, sporting events, and award ceremonies. Pasadena Independent School District
Red Bluff Elementary
2020-2021 Formative Review

Mission Statement

The mission of Pasadena ISD, the gateway to unlimited opportunity for the youth of our culturally rich community, is to empower students to become accomplished, self-directed, and collaborative, lifelong learners, who boldly contribute to an increasingly complex and evolving world by engaging them in positive relationships, rigorous curriculum, and innovative meaningful experiences.

Vision

We believe that...

- A Supreme Being exists and everyone has the right to make religious and/or spiritual choices
- We will honor our country, our freedom and all those who protect and defend our constitutional rights
- Family and community profoundly influence decisions individual make
- Everyone has purpose, worth, and dignity with immeasurable potential
- Connecting with others and building positive, meaningful relationships is essential
- Learning is instinctive, lifelong, and unique to the individual
- Communication is pervasive, essential, ever-present, and multidimensional
- We must provide a safe physical, emotional, and social environment to enhance the ability to learn
- Diversity adds value to all areas of life
- Change is inevitable for growth and success
- Each person is responsible and accountable for the choices he or she makes
- We must foster an environment of honesty and integrity

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student. | 4 |
| Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all. | 27 |
| Goal 3: We will actively recruit, develop, and retain a highly qualified staff. | 30 |
| Goal 4: We will use a culturally responsive approach to relentlessly pursue a meaningful engagement with parental, business, and community stakeholders. | 31 |
| Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff. | 35 |

Goals

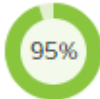

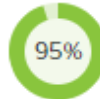

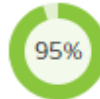

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

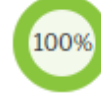

Performance Objective 1: During the current year, consistent implementation of district curriculum, research based strategies, and rigor and relevance standards will ensure that performance of all students will meet or exceed the state average.

Evaluation Data Sources: Walk through documentation, lesson plans, campus and district staff development logs and agendas.

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 13: Develop and provide research based instructional strategies and staff development plan for technology integration. Strategy's Expected Result/Impact: Staff development plan, Sign-in sheets, Agendas Staff Responsible for Monitoring: Technology Liaison, Campus Coaches, Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - TEA Priorities: Recruit, support, retain teachers and principals, Build a foundation of reading and math | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 14 Details | Formative Reviews | | |
| Strategy 14: Create master schedules that will provide common planning time for teams of teachers and promote time for PLC's. Strategy's Expected Result/Impact: Master Schedules Staff Responsible for Monitoring: Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - TEA Priorities: Recruit, support, retain teachers and principals | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 2: During the current year data disaggregation will drive the design of instruction and interventions as measured by at least 5% reduction in referrals to intervention.

Evaluation Data Sources: Data workshop agendas and information, sign-in sheets, student grades, intervention referral data

Summative Evaluation: Significant progress made toward meeting Objective

(Teacher of the Year, Paraprofessional of the Year, Volunteer Awards, Business Recognition, etc.) Strategy's Expected Result/Impact: Awards and ceremonies Staff Responsible for Monitoring: Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.5 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff.

Performance Objective 1: During the current school year, the campus sustain a focus on maintaining a safe and disciplined environment conducive to student learning and employee effectiveness as measured by 100% of all staff receiving training in the District's behavioral/safety initiatives.

Evaluation Data Sources: Campus plans and meeting agendas.

Summative Evaluation: Met Objective

| Strategy 1 Details | Formative Reviews | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Provide or coordinate training in mental health, trauma informed care, and kinesthetic learning. Strategy's Expected Result/Impact: Reduction in discipline referrals, staff development sign in sheets, calendar Staff Responsible for Monitoring: Administrators, Counselors, Teachers, Paraprofessionals Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Provide opportunities to attend training in Behavior Management. Strategy's Expected Result/Impact: Eduphoria workshop credit, sign in sheets Staff Responsible for Monitoring: Campus administrators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 3 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| Strategy 3: Provide mediation, conflict resolution, bullying and Conscious Discipline training opportunities for students and staff under the direction of the District Behavior Intervention Response Team (BIRT). Bullying occurs when a student or group of students exploits an imbalance of power between the student perpetrator who is engaging in bullying and the student victim through written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at a school-related activity, or in a vehicle operated by the District and that: has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm or is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student. The complete policy can be found at FFI (Local). Strategy's Expected Result/Impact: Reduction of discipline referrals Staff Responsible for Monitoring: Campus administrator, Counselor, teachers, paraprofessional Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

Pasadena Independent School District
Richey Elementary
2020-2021 Formative Review

Mission Statement

The mission of Richey Elementary, a Title I Campus, requiring the commitment of all employees, parents, business and community members, and students, is to guarantee all students will:

*acquire the knowledge

*master the skills and

*maximize the talents

necessary to fulfill their potential as responsible citizens in the ever-changing world of the 21st century.

Vision

We believe that...

- A Supreme Being exists and everyone has the right to make religious and/or spiritual choices
- Everyone has purpose, worth, and dignity
- Individual potential is unknown and immeasurable
- Family dynamics profoundly influence the decisions individuals make and the people they become
- Connecting with others and building positive, meaningful relationships are essential
- Learning is instinctive, lifelong, and unique to the individual
- Communication is pervasive, essential, ever-present, and multidimensional
- Feeling safe enhances the ability to learn
- Diversity adds value to all areas of life
- Change is natural and continuous
- Each person is responsible and accountable in all aspects of life for the choices he or she makes

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student. | 4 |
| Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all. | 15 |
| Goal 3: We will actively recruit, develop, and retain a highly qualified staff. | 16 |
| Goal 4: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental stakeholders. | 20 |
| Goal 5: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with business and community stakeholders. | 24 |
| Goal 6: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff. | 26 |

Goals

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

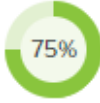

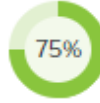

Performance Objective 1: During the current school year, consistent implementation of district curriculum, research based strategies, and rigor and relevance standards will ensure that performance of all students will meet or exceed the state average.

Evaluation Data Sources: STAAR and STAAR Alt Data

Summative Evaluation: Some progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| Strategy 1: K- 4th grade teachers will follow district timelines to ensure that all students have access to the full curriculum. Strategy's Expected Result/Impact: Passing rates on CBA's will be in the top quarter of all district scores. Staff Responsible for Monitoring: Teachers that plan each content area; Administrators Schoolwide and Targeted Assisted Title I Elements: 2.4 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Administer Curriculum Based Assessments (CBA's) each nine week period in math, reading, writing, science, and/or social studies per the district assessment calendar and conduct PLC meetings to review results and strategize (Kinder through 4th grade as per district assessment calendar). Strategy's Expected Result/Impact: Improved CBA scores Staff Responsible for Monitoring: Administrators, Campus Coaches, Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.6 - ESF Levers: Lever 5: Effective Instruction | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 3: Disaggregate campus data in order to align curriculum, instructional strategies, and monitor student performance (ex: Data walls, Common Assessment, MAP, CBA, & STAAR data, reading levels, TELPAS results, writing samples, calibrations and analyzing student writing protocol) (Pre-K through 4th grade). Strategy's Expected Result/Impact: PLC meetings, AWARE documents, common assessments, walkthroughs, lesson plans, improved student performance. Staff Responsible for Monitoring: Administrators, Teachers, CCs Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - ESF Levers: Lever 5: Effective Instruction | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Increase the use of the Accelerated Reading Program (Kinder through 4th grade) by increasing opportunities for students to build fluency by reading for pleasure in the classroom (independent reading) and by increasing motivation for the program with AR prizes. Strategy's Expected Result/Impact: Increased EOY AR points by grade level, AR incentives, Lesson Plans; Walkthroughs Staff Responsible for Monitoring: Teachers, Reading CC, and Accelerated Learning Teacher Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 5 Details | Formative Reviews | | |
| Strategy 5: Conduct vertical curriculum meetings on campus to align programs and instructional strategies in grades Pre-K through 4th (includes regular ed. bilingual ed, and special ed staff). Strategy's Expected Result/Impact: Improved STAAR scores Staff Responsible for Monitoring: Administrators, Content Area Committee Chairs, and Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4 - ESF Levers: Lever 5: Effective Instruction | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 6 Details | Formative Reviews | | |
| Strategy 6: Attend 5th grade transition meetings to align ESL instructional levels. Strategy's Expected Result/Impact: Meeting Minutes Staff Responsible for Monitoring: Intermediate Counselors, Administrators, and 4th grade bilingual teachers Schoolwide and Targeted Assisted Title I Elements: 2.4 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 7 Details | Formative Reviews | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 7: Provide all teachers (Pre-K through 4th, specials staff and paraprofessionals) with instructional materials and technology necessary to implement the curriculum (devices, document cameras, webcams, wireless mics, wireless mouse, LED ring light, scanners, foldable paper, materials/resources per content areas, art supplies, copy paper, anchor chart paper, toner, running record materials, office supplies, etc.) Strategy's Expected Result/Impact: Lesson Plans/ Student Products Staff Responsible for Monitoring: Administrators and Secretary Funding Sources: Special Ed. Funds (1206.00) - 199 - General Fund - \$1,206, Instructional materials, supplies and technology - 211 - Title 1 A - Economically Disadvantaged Study - \$4,279.75, Instructional materials, supplies and technology - 263 - Title III A - Bilingual Education, Language - \$1,404.49, Plan4Learning Software - 211 - Title 1 A - Economically Disadvantaged Study - \$536.84, Supplies and Materials - State Compensatory Funds - \$4,308, Bil/ESL Funds (6670.00) - 199 - General Fund - \$6,670 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 8 Details | Formative Reviews | | |
| Strategy 8: Title I staff (counselor, parent coordinator, teachers, office clerk, CCs & instructional aides) will be utilized to provide academic support to students, coaching for teachers, and behavioral supports for students. Strategy's Expected Result/Impact: Time and effort logs, improvement in academic areas for students receiving academic support, improvement in behavioral areas for students receiving behavioral support, improvement in student academics and behavior based on coaching Staff Responsible for Monitoring: Administrators Schoolwide and Targeted Assisted Title I Elements: 2.6 Funding Sources: Salary Funds (PFs-\$230, 605.42),(Inst. Aide-83, 184.84),(Teacher-75, 273.10),(Office Clerk-25, 934.86), Counselor/Parent Coordinator-24, 178.82) - 211 - Title 1 A - Economically Disadvantaged Study - \$208,571.62 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 9 Details | Formative Reviews | | |
| Strategy 9: Provide staff development on data disaggregation and how the data will drive instruction (i.e. reading data protocol meetings, MAP Reports & PD). Strategy's Expected Result/Impact: Walkthroughs, increase in reading levels, lesson plans, and assessment results Staff Responsible for Monitoring: Leadership team and teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - ESF Levers: Lever 5: Effective Instruction | Formative | | |

Pasadena Independent School District
San Jacinto Intermediate
2020-2021 Formative Review

Mission Statement

San Jacinto Intermediate Mission Statement

The mission of San Jacinto Intermediate School is to enable students to achieve academically and progress socially through parent, teacher, and community cooperation in a way that promotes critical thinking, social skills, and personal responsibility so that all students can become productive citizens who value lifelong learning.

Vision

San Jacinto Intermediate believes that we are *shaping lives and launching futures* by *empowering, inspiring, challenging, and believing in our students*.

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Pasadena Independent School District

Schneider Middle School

2020-2021 Formative Review

Mission Statement

Rick Schneider Middle School's mission is to provide opportunities for academics, social, and emotional growth and development of our students through innovative curriculum and programs given by qualified and caring teachers and staff in a 21st century classroom environment.

Vision

Our vision for the future of our students is for them to obtain their high school diploma and to be self-responsible, contributing, productive members of our community with the ability to attend college and/or pursue the career of their dreams.

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and meaningful learning experiences through innovative learning environments that meet the individual needs of each student by the standards they need and enrich them through the standards they have already mastered. | 4 |
| Goal 2: We will provide additional support and structures to assist all students in their academic, behavioral, and social emotional well being. | 14 |
| Goal 3: We will actively recruit, develop, and retain a highly qualified staff. | 16 |
| Goal 4: We will relentlessly pursue a culturally responsive approach to meaningful parental engagement. | 18 |
| Goal 5: We will pursue vital and ongoing relationships with business and community partners. | 20 |

Goals

Goal 1: We will ensure rigorous curriculum and meaningful learning experiences through innovative learning environments that meet the individual needs of each student by the standards they need and enrich them through the standards they have already mastered.

Performance Objective 1: Consistent implementation of district curriculum, research based strategies, district staff development instruction, and rigor, relevance, and relationship principles will ensure that performance of all students, including our targeted student subgroups, will meet or surpass the district and state average performance and show academic progress/growth on the Reading, Math, and Science portions of the STAAR state assessments.

Evaluation Data Sources: School visit documentations, lesson plans, campus and district staff development logs and agendas

Summative Evaluation: Met Objective

Pasadena Independent School District

South Belt Elementary

2020-2021 Formative Review

Mission Statement

The mission of South Belt Elementary and Pasadena ISD, the gateway to unlimited opportunity for the youth of our culturally rich community, is to empower students to become accomplished, self-directed, and collaborative lifelong learners, who boldly contribute to an increasingly complex and evolving world by engaging them in positive relationships, rigorous curriculum, and innovative meaningful experiences.

Vision

We believe that...

- A Supreme Being exists and everyone has the right to make religious and/or spiritual choices.
- We will honor our country, our freedom and all those who protect and defend our constitutional rights.
- Family and community profoundly influence decisions individuals make.
- Everyone has purpose, worth, and dignity with immeasurable potential.
- Connecting with others and building positive, meaningful relationships is essential.
- Learning is instinctive, lifelong, and unique to the individual.
- Communication is pervasive, essential, ever-present, and multidimensional.
- We must provide a safe physical, emotional, and social environment to enhance the ability to learn.
- Diversity adds value to all areas of life.
- Change is inevitable for growth and success.
- Each person is responsible and accountable for the choices he or she makes.
- We must foster an environment of honesty and integrity.

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocatable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student. | 4 |
| Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all. | 28 |
| Goal 3: We will actively recruit, develop, and retain a highly qualified staff. | 29 |
| Goal 4: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders. | 31 |
| Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well being of all students and staff. | 35 |

Goals

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 1: During the current year, consistent implementation of district curriculum, research based strategies, and rigor and relevance standards will ensure that performance of all students will meet or exceed the state average.

Evaluation Data Sources: Pasadena Plus visit documentations, lesson plans, campus and district staff development logs and agendas.

Summative Evaluation: Met Objective

Pasadena Independent School District
South Houston Elementary
2020-2021 Formative Review

Mission Statement

Our mission is to motivate and inspire students by providing learning opportunities in a nurturing environment to empower life long learners in a culturally diverse world.

Vision

We believe that...

- A Supreme Being exists and everyone has the right to make religious and/or spiritual choices
- Everyone has purpose, worth, and dignity
- Individual potential is unknown and immeasurable
- Family dynamics profoundly influence the decisions individuals make and the people they become
- Connecting with others and building positive, meaningful relationships are essential
- Learning is instinctive, lifelong, and unique to the individual
- Communication is pervasive, essential, ever-present, and multidimensional
- Feeling safe enhances the ability to learn
- Diversity adds value to all areas of life
- Change is natural and continuous
- Each person is responsible and accountable in all aspects of life for the choices he or she makes

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student. | 4 |
| Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all. | 24 |
| Goal 3: We will actively recruit, develop, and retain a highly qualified staff. | 27 |
| Goal 4: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders. | 28 |
| Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff. | 31 |

Goals

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

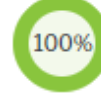

Performance Objective 1: Consistent implementation of district curriculum, research based strategies, and rigor and relevance standards will ensure that performance for all students will meet or exceed the District and/or State average.

Targeted or ESF High Priority

Evaluation Data Sources: Walk-through documentation, lesson plans, campus and district staff development sign in sheets and agendas, CBA results, STAAR results, common assessments and MAP results.

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1: Monitor curriculum implementation through campus walkthroughs. Strategy's Expected Result/Impact: Walkthrough documentation Staff Responsible for Monitoring: Campus Administrators | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Monitor implementation of curriculum and research based strategies through coaching model. Strategy's Expected Result/Impact: Classroom visits, documentation, observations, and conferences conducted by PF's will demonstrate application of effective teaching skills in the classrooms Staff Responsible for Monitoring: Peer facilitators Funding Sources: Title 1 Funds: Peer Facilitators - 211 - Title 1 A - Economically Disadvantaged Study - \$234,845.65 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Monitor the implementation of the District Scope and Sequence for all subjects in Pre-K through 4th grade. Strategy's Expected Result/Impact: Walkthrough documentation and lesson plans Staff Responsible for Monitoring: Campus Administrators and Peer Facilitators | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 4 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 4: Provide campus based staff development to ensure consistent implementation of curriculum and rigor and relevance standards. Strategy's Expected Result/Impact: Staff Development Plan agendas and sign in sheets Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, Technology Liaison Comprehensive Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 5 Details | Formative Reviews | | |
| Strategy 5: Integrate relevant literacy skills across all content areas. Strategy's Expected Result/Impact: Walkthrough documentation, lesson plans. Examples: in Math implement math word walls, numberless word problems to improve comprehension. In other subjects, implementation of sentence stems. Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, and grade level teams | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 6 Details | Formative Reviews | | |
| Strategy 6: Teachers will review, implement, and evaluate instructional activities/strategies based on District curriculum and scope and sequence. Strategy's Expected Result/Impact: Lesson plans, walk through data, team meeting agendas Staff Responsible for Monitoring: Campus Administrators, Teachers, and Peer Facilitators | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 7 Details | Formative Reviews | | |
| Strategy 7: Campus will continue to target reading fluency, comprehension skills, and writing through Balanced Literacy and Writer's Workshop. Strategy's Expected Result/Impact: Pre-K and Kinder assessments, Running Records, Teacher Assistants and tutors, implementation of LLI/Soluciones Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, Teacher Assistants and tutors | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 8 Details | Formative Reviews | | |
| Strategy 8: Campus will continue to target math problem solving with multiple problem solving strategies (Graphic organizers and Problem Solving model). Strategy's Expected Result/Impact: Walk through documentation, lesson plans, district and state assessment results Staff Responsible for Monitoring: Campus Administrators, math Peer Facilitator, teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 9 Details | Formative Reviews | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 9: Implement gradual release model for lesson design and delivery. Strategy's Expected Result/Impact: Lesson plans, walkthrough data Staff Responsible for Monitoring: Peer Facilitators and teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 10 Details | Formative Reviews | | |
| Strategy 10: Use District rubrics for measuring responses for writing compositions, reading and math assessments. Strategy's Expected Result/Impact: Lesson plans, walkthrough data Staff Responsible for Monitoring: Peer Facilitators and teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 11 Details | Formative Reviews | | |
| Strategy 11: Use on-line databases, e-books, books and other resources for specific TEKS. Strategy's Expected Result/Impact: Lesson plans, walkthrough data, library circulation reports Staff Responsible for Monitoring: Librarian, Technology Liaison, Peer Facilitators Funding Sources: At Risk - 199 - General Fund - \$3,926 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 12 Details | Formative Reviews | | |
| Strategy 12: Provide staff development on utilization of on-line databases and resources. Strategy's Expected Result/Impact: Technology staff development agendas and sign in sheets, technology liaison teacher surveys, librarian, teachers Staff Responsible for Monitoring: Technology Liaison, Teachers and support personnel at the district level | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 13 Details | Formative Reviews | | |
| Strategy 13: Provide staff with the training necessary to implement differentiated research based instructional strategies such as small group instruction and use of leveled readers. Strategy's Expected Result/Impact: Lesson plans, walkthrough data, Running records, staff development agendas and sign in sheets Staff Responsible for Monitoring: Campus Administrators and Peer Facilitators. | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 14 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 14: Implement research based strategies on a daily basis that promote a variety of learner engagement techniques. Strategy's Expected Result/Impact: Lesson plans, walkthrough data and sharing of best teaching practices during PLCs Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, Teachers Funding Sources: Title 1 Instructional Funds - 211 - Title 1 A - Economically Disadvantaged Study | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 15 Details | Formative Reviews | | |
| Strategy 15: Develop and provide research based instructional strategies and staff development plan for technology integration. Strategy's Expected Result/Impact: Technology liaison's staff development plan, sign in sheets, agendas Staff Responsible for Monitoring: Campus Administrators, Technology Liaison, Librarian, Peer Facilitators Funding Sources: - 211 - Title 1 A - Economically Disadvantaged Study - \$18,768.32 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 16 Details | Formative Reviews | | |
| Strategy 16: Continue to work extensively PLCs to strengthen and ensure the alignment of instruction across the grade levels, the accuracy of understanding the SE's, the consistent and appropriate implementation of teaching strategies across the grade levels and the resources required to accomplish this task. Strategy's Expected Result/Impact: District and State Assessment results, lesson plans, decrease in retention numbers, and walkthrough data, in addition to the PLC cycle Staff Responsible for Monitoring: Campus Administrators, PF's and Teachers Funding Sources: BFU, Overtime, Fixed - 199 - General Fund - \$44,236 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 17 Details | Formative Reviews | | |
| Strategy 17: ACE Program will provide academic enrichment classes that will support the District's curriculum. Strategy's Expected Result/Impact: Lesson plans and walk throughs. Staff Responsible for Monitoring: ACE Program Coordinator and ACE Funding Sources: - 21st CCLC Grant - \$54,000 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

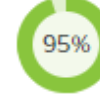

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

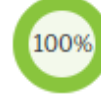

Performance Objective 2: Data disaggregation will drive the design of instruction.

Targeted or ESF High Priority

Evaluation Data Sources: STAAR Campus wide data disaggregation results, WRAP results, LLI/Soluciones Running Records, grade level results after each CBA administration, I Station, student grades, Intervention referral data, and Planned Intervention and Enrichment data results in PK-4th grade.

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Disaggregate 2019 STAAR results data to identify the higher SE's and the hot and critical spots and design SMART goals for growth. Strategy's Expected Result/Impact: Meeting agenda, data chart completion by subject, revisions in lesson plans to target weak SE's and to plan for intervention Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, Teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Vertical team meeting to review data and identify hot spots across grade levels. Horizontal teams Pre-K-4th will take hot spots or essential SE's determined as our lowest and develop more rigorous lessons using the District's curriculum and scope and sequence for ELA and Math. Strategy's Expected Result/Impact: Meeting agendas and sign in sheets, lesson plans, walkthrough data, student data Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, Literacy and Teachers Comprehensive Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Analyze campus subgroup student performance on assessment disaggregated by LEP and Special Education participation. Strategy's Expected Result/Impact: AWARE reports for 3-4, MAP for 2nd - 4th and Closing the Gap Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, Teachers Comprehensive Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Provide staff with longitudinal data on the percentage of LEP students making progress towards English Proficiency. Strategy's Expected Result/Impact: AWARE reports, District TELPAS reports Staff Responsible for Monitoring: Campus Administrators | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

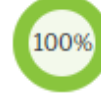

| Strategy 5 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 5: Assist staff in analyzing the performance of LEP, Migrant, Homeless, and Special Education students on state and national assessments. Strategy's Expected Result/Impact: Various reports Staff Responsible for Monitoring: Campus Administrators and Counselor | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 6 Details | Formative Reviews | | |
| Strategy 6: Provide staff development opportunities for general education teachers on the intervention and special education process. Strategy's Expected Result/Impact: Training agenda, sign in sheets Staff Responsible for Monitoring: Campus Administrators, District Specialist, Peer Facilitator | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 3: The campus will provide staff development that will focus on the implementation of effective instructional strategies designed to meet the needs of all students and close the achievement gap between student groups.

Evaluation Data Sources: staff development logs, CIP and analysis of needs addressed by the comprehensive needs assessment.

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Create a staff development plan that supports implementation of district-wide initiatives. Strategy's Expected Result/Impact: Staff Development plan, agendas, sign in sheets Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators and District Specialists | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 2 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 2: Provide staff development on differentiation/scaffolding designed to meet the learning needs of every student. Strategy's Expected Result/Impact: sign in sheet, agenda Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators and District Specialists | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Through data PLCs, teachers will receive training in best teaching practices and intervention strategies. Strategy's Expected Result/Impact: Walkthrough data reflecting application of staff development with students, campus calendar and power points Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators and District Specialists Funding Sources: Title 1 Instructional Aide Salaries - 211 - Title 1 A - Economically Disadvantaged Study - 79273.59 - \$80,222.45 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Continue to support campus PLCs. Strategy's Expected Result/Impact: Sign in sheets, agendas and note taker provided by PFs to teachers Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators Comprehensive Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 4: Implement reading, writing and math initiatives designed to increase academic skills of all students as evidence by meeting district and state performance levels.

Evaluation Data Sources: Lesson plans, Campus Staff Development, Walkthrough data, district and state assessment results.

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Provide information to teachers to promote literacy across content area with sufficient books available to support all subjects. Strategy's Expected Result/Impact: E-mail communication, library budgets, staff development documents, agendas and sign in sheets Staff Responsible for Monitoring: Librarian, teachers, Peer Facilitators and Administrators | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Provide time and materials for purposeful reading and writing activities during the school day. Strategy's Expected Result/Impact: Schedules, walkthrough data on work stations, necessary resources and lesson plans Staff Responsible for Monitoring: Peer Facilitators, Teacher, Librarian and Administrators | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Provide information to teachers regarding academic needs of dyslexia students. Strategy's Expected Result/Impact: Records of the campus distribution of Student Accommodation Sheets Staff Responsible for Monitoring: DAIT, 504 Chair and Special Education teachers | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Identify student reading levels to monitor reading improvement and align reading materials to their instructional level. Strategy's Expected Result/Impact: lesson plans, walkthroughs, running records and PIE data results Staff Responsible for Monitoring: Peer Facilitators, Teachers and Administrators Comprehensive Support Strategy | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 5 Details | Formative Reviews | | |
| Strategy 5: Provide staff development in literacy, math and writing strategies. Strategy's Expected Result/Impact: lesson plans, walkthrough data, training agendas, sign in sheets Staff Responsible for Monitoring: Peer Facilitators and teacher leaders | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 6 Details | Formative Reviews | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 6: Provide library books and online resources to support all learning styles. Strategy's Expected Result/Impact: Circulation reports and library budget Staff Responsible for Monitoring: Librarian | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 7 Details | Formative Reviews | | |
| Strategy 7: Provide time and materials for purposeful math activities during the school day. Strategy's Expected Result/Impact: Math interactive activities throughout the school and Dream Box chaps of the month Staff Responsible for Monitoring: Peer Facilitators, Teachers and Administrators | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

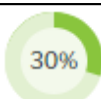

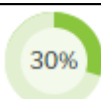

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 5: Provide an array of learning opportunities geared for gifted/talented students to meet unique needs and provide extended support services.

Evaluation Data Sources: Lesson plans, GT in-service and projects

Summative Evaluation: Significant progress made toward meeting Objective

| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student. | 4 |
| Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all. | 14 |
| Goal 3: We will actively recruit, develop, and retain a highly qualified staff. | 17 |
| Goal 4: We will use a culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders. | 19 |
| Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff. | 21 |
| Goal 6: We will promote an exemplary learning environment through the utilization of ancillary service departments that integrate established and innovative practices, standards, and systems. | 24 |

Goals

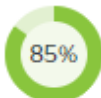

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 1: During 2020-21, consistent implementation of district curriculum, research based strategies, and rigor and relevance principles such that performance on all measures will meet or exceed the district average.

Evaluation Data Sources: walkthroughs, lesson plans, campus assessment data, campus and district staff development logs and agendas.

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|-----|
| Strategy 1: Ongoing staff development for implementation of research based instructional strategies to increase rigor and relevance of instruction so that all students are successful and graduate on time. Emphasis on technology strategies for virtual and asynchronous learning, as well as ways to engage face-2-face and virtual students simultaneously. Strategy's Expected Result/Impact: improved instruction in the classroom will result in improved performance of students in classes and on assessments which will lead to higher rates of graduation. Staff Responsible for Monitoring: CCS & Campus Coaches, Campus Administrator Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - ESF Levers: Lever 2: Effective, Well-Supported Teachers, Lever 4: High-Quality Curriculum, Lever 5: Effective Instruction Problem Statements: Technology 1 Funding Sources: subs, supplies, training materials, registration or speaker fees - 199 - General Fund - \$27,000 | Formative | | |
| | Mar | June | Aug |
| |  |  | |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Implementation of TIER 3 classes in reading to address gaps in learning for identified students. Strategy's Expected Result/Impact: close the gaps for student in reading and math such that they are successful in on level course. Staff Responsible for Monitoring: Counselors and Campus Administration Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - TEA Priorities: Build a foundation of reading and math - ESF Levers: Lever 5: Effective Instruction Problem Statements: Student Achievement 1 Funding Sources: supplies, resources and training - 199 - General Fund - \$1,500 | Formative | | |
| | Mar | June | Aug |
| |  |  | |

| Strategy 3 Details | Formative Reviews | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 3: ELPS and SIOP training for identified teachers, to ensure compliance with the state requirements for the English Language Proficiency Standards. Strategy's Expected Result/Impact: improve instruction in all classrooms for all students. Staff Responsible for Monitoring: Campus Coach, CCS, Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.6 - ESF Levers: Lever 2: Effective, Well-Supported Teachers, Lever 4: High-Quality Curriculum, Lever 5: Effective Instruction Problem Statements: Staff Quality, Recruitment, and Retention 1 Funding Sources: registration, substitutes, supplies and materials - 199 - General Fund - \$3,000, registration, substitutes, supplies and materials - 263 - Title III A - Bilingual Education, Language - \$3,000 | Formative | | |
| | Mar | June | Aug |
| |  |  | |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Subject Area Team PLC - Weekly meetings either during common conference periods (Master Schedule) or after school facilitated by team leader, campus content specialist, and/or administrative supervisor to discuss classroom strategies and curriculum. Strategy's Expected Result/Impact: Improve instruction and use of data to meet the needs of all learners. Staff Responsible for Monitoring: Team leads, CCS, Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5 - ESF Levers: Lever 2: Effective, Well-Supported Teachers, Lever 4: High-Quality Curriculum, Lever 5: Effective Instruction Funding Sources: resources, training, supplies - 199 - General Fund - \$2,000 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 5 Details | Formative Reviews | | |
| Strategy 5: Use of library resources and reading/writing strategies to improve student performance. Strategy's Expected Result/Impact: To increase student performance and reading/writing across all curriculum areas. Staff Responsible for Monitoring: Librarian, Campus Administrators, CCS TEA Priorities: Build a foundation of reading and math - ESF Levers: Lever 2: Effective, Well-Supported Teachers, Lever 5: Effective Instruction Funding Sources: Library Resources - 199 - General Fund - \$12,150 | Formative | | |
| | Mar | June | Aug |
| |  |  | |
| <div>  No Progress  Accomplished  Continue/Modify  Discontinue </div> | | | |

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 2: 2020-21: Virtual and asynchronous learning has resulted in a higher than average failure rate for students. The CLT and SBDMC will work to develop practices to address student gaps in learning, and intervention for failing students.

Evaluation Data Sources: PLC Data, and student grades.

Summative Evaluation: Significant progress made toward meeting Objective

| Strategy 1 Details | Formative Reviews | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 1: Ongoing staff development on strategies to formatively assess virtual and F2F students in order to identify areas for intervention. Strategy's Expected Result/Impact: identification and intervention for students on targeted SEs. Staff Responsible for Monitoring: CCS, Campus Administrator Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - ESF Levers: Lever 2: Effective, Well-Supported Teachers, Lever 5: Effective Instruction Problem Statements: Student Achievement 1 - Technology 1 Funding Sources: training costs and supplies - 263 - Title III A - Bilingual Education, Language - \$974.53, - State Compensatory Funds - \$1,083 | Formative | | |
| | Mar | June | Aug |
| |  |  | |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Academic intervention process (IAT) for at risk students including strategies for PLCs to use to identify students who qualify for testing accommodations within the RTI framework. Strategy's Expected Result/Impact: identification of student in need of academic assistance Staff Responsible for Monitoring: CCS, Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.6 - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 2: Effective, Well-Supported Teachers, Lever 5: Effective Instruction Problem Statements: Student Achievement 1 - Curriculum, Instruction, and Assessment 1 Funding Sources: training, supplies, resources - 199 - General Fund - \$4,000 | Formative | | |
| | Mar | June | Aug |
| |  |  | |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Implementation of daily Study Hall for students to have time in the day to work on Schoology Assignments. Strategy's Expected Result/Impact: Improved grades for students. Staff Responsible for Monitoring: HR Teachers, administrators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - TEA Priorities: Build a foundation of reading and math - ESF Levers: Lever 1: Strong School Leadership and Planning, Lever 5: Effective Instruction Problem Statements: Student Achievement 1 - Curriculum, Instruction, and Assessment 1 Funding Sources: supplies and training - 199 - General Fund - \$3,000 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 4 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| Strategy 4: Tutorials (STAAR, AP, SAT, PSAT, TSIA) for students who are identified as in need of assistance based on previous scores, benchmarks and/or teacher recommendation via Edgenuity Lab, Intervention Classes , Extended Day STAAR tutorials and Core-Content Academies. Strategy's Expected Result/Impact: improved performance on targeted assessments for identified students. Staff Responsible for Monitoring: CCS, Campus Coaches, Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.4 - TEA Priorities: Build a foundation of reading and math, Connect high school to career and college - ESF Levers: Lever 1: Strong School Leadership and Planning Problem Statements: Student Achievement 1 - Curriculum, Instruction, and Assessment 1 Funding Sources: supplies, training, resources, salaries for STAAR tutorials session and after school credit recovery. - State Compensatory Funds - \$5,000, supplies, training, resources, Extra Duty Pay for teachers and paraprofessionals for STAAR tutorials session and after school credit recovery. - Extended Day/Tutorial - \$8,680, supplies, training, resources, Extra Duty Pay for teachers and paraprofessionals for STAAR tutorials session and after school credit recovery. - 224 - IDEA-B Special Education - \$1,310, supplies, training, resources, Extra Duty Pay for teachers and paraprofessionals for STAAR tutorials session and after school credit recovery. - 199 - General Fund - \$4,000 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 5 Details | Formative Reviews | | |
| Strategy 5: Summer credit recovery and enrichment opportunities will be offered to students who do not meet the credit requirements to be promoted to the next grade level or who have been identified for acceleration to prepare them for more advanced coursework the next year (AP or Dual Credit). Edgenuity credit recovery, virtual school, face-to-face prep session for TSIA and STAAR. Staff Responsible for Monitoring: Counselors, Campus Administration Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - TEA Priorities: Build a foundation of reading and math - ESF Levers: Lever 4: High-Quality Curriculum, Lever 5: Effective Instruction Problem Statements: Student Achievement 1 - Curriculum, Instruction, and Assessment 1 | Formative | | |
| | Mar | June | Aug |
| |  |  | |
|  No Progress  Accomplished  Continue/Modify  Discontinue | | | |

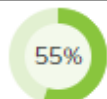

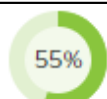

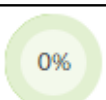

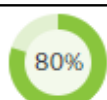

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

Performance Objective 3: During 2020-21, provide an array of learning opportunities geared for gifted/talented and advanced placement students to meet unique needs and provide extended support services as measured by 100% passing STAAR, 70% scoring Masters Grade Level Performance, and 50% earning a three or higher on AP exams.

Evaluation Data Sources: lesson plans, AP prep sessions attendance, AP test success rates and grades.

Summative Evaluation: Some progress made toward meeting Objective

Next Year's Recommendation: will reset for new year. goal interrupted by COVID

| Strategy 1 Details | Formative Reviews | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|-----|
| Strategy 1: Increase AP and PAP enrollment using ECHS, Connect, feeder school visits, and teacher recommendation, as well as AP contracts for enrolled students. Strategy's Expected Result/Impact: enrollment in AP and PAP courses will increase. Staff Responsible for Monitoring: CCS, Counselors, Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.5 - ESF Levers: Lever 1: Strong School Leadership and Planning Funding Sources: training and resources - 199 - General Fund - \$1,000 | Formative | | |
| | Mar | June | Aug |
| |  |  | |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Increase AP scores by offering extra tutoring and enrichment opportunities on Saturdays, as well as during and after school. Strategy's Expected Result/Impact: AP scores will increase in all areas. Staff Responsible for Monitoring: Teachers, CCS, Campus Coaches, Campus Administrators, Schoolwide and Targeted Assisted Title I Elements: 2.4 Funding Sources: resources and salaries - 199 - General Fund - \$5,300, - Extended Day/Tutorial - \$3,000 | Formative | | |
| | Mar | June | Aug |
| |  |  | |
| Strategy 3 Details | Formative Reviews | | |
| Strategy 3: Increase the number of students taking the PSAT, SAT/ACT and AP Tests by offering enrichment opportunities to prepare for assessments. PSAT and SAT participation were effected by COVID during October testing. Strategy's Expected Result/Impact: increase in number of students taking assessments. Staff Responsible for Monitoring: Counselors, AP Teachers, Campus Administration Schoolwide and Targeted Assisted Title I Elements: 2.4 Funding Sources: resources and supplies - 428 - G/T Performance Standards - \$4,278 | Formative | | |
| | Mar | June | Aug |
| |  |  | |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Increase the number of student achieving Masters for all STAAR assessments via enrichment opportunities. Strategy's Expected Result/Impact: increase in STAAR masters performance. Staff Responsible for Monitoring: Teachers, CCS, Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.5 - ESF Levers: Lever 2: Effective, Well-Supported Teachers, Lever 5: Effective Instruction Problem Statements: Student Achievement 1 Funding Sources: supplies, resources, training - State Compensatory Funds - \$3,000 | Formative | | |
| | Mar | June | Aug |

Pasadena Independent School District
South Houston Intermediate
2020-2021 Formative Review

Mission Statement

The mission of South Houston Intermediate is to engage students in a rigorous curriculum, relevant experiences and positive relationships in a safe and healthy educational climate. All students will become accomplished self-directed collaborative citizen-scholars and achieve an academic, emotional, social and physical balance. We will foster a cooperative relationship involving the home, school, and community to empower our students to succeed and boldly contribute to an increasingly complex and evolving world.

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and relevant learning experiences that promote college and career readiness. | 4 |
| Goal 2: We will provide flexible learning environments, structures and schedules that meet the needs of all 21st century learners. | 25 |
| Goal 3: We will develop and promote 21st century career and college exploration and preparation programs for all students. | 40 |
| Goal 4: We will actively recruit, develop, and retain a highly qualified staff. | 42 |
| Goal 5: We will relentlessly pursue a culturally responsive approach to meaningful parental engagement. | 44 |
| Goal 6: We will ensure vital and ongoing relationships with our business and community partners. | 50 |
| Goal 7: We will embed appropriate technologies throughout the campus to support both instructional and administrative needs. | 54 |

Goals

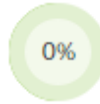

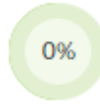

Goal 1: We will ensure rigorous curriculum and relevant learning experiences that promote college and career readiness.

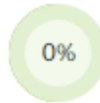

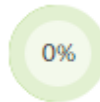

Performance Objective 1: Student performance on 70% of the district and state assessments will be at or above the district and state averages for Writing.

Evaluation Data Sources: 2021 STAAR Reports with distinction in several areas.

Summative Evaluation: Significant progress made toward meeting Objective

Goal 2: We will provide flexible learning environments, structures and schedules that meet the needs of all 21st century learners.

Performance Objective 2: By the Spring of the year 2021, Distinction will be achieved in Special Education

Evaluation Data Sources: Campus has reviewed the previous year state assessment scores for each student with a disability. If the student did not perform satisfactory on their state assessment test for any subject, an ARD committee will be held within 4 weeks, or as soon as possible, to discuss Accelerated Instruction/Intensive Program of Instruction. Special needs students will be placed in their least restrictive environment and evaluated regularly for new placement. Campus will work collaboratively with the District Special Education Office to document State Assessment Decision-Making Process for students with disabilities (1) use of data from progress monitoring, CBAs, etc. to make determinations regarding state assessment and ensure progress, (2) ensure ARD Document clearly delineates the need for STAAR Online/STAAR Alt (i.e., PLAFFs, IEPs, deliberations) and (3) utilizing District/State required STAAR Online/STAAR Alternative Participation Requirement Forms. Ninety (90%) percent of students will master projected levels of achievement. Campus will work together collaboratively with District Special Education Office to ensure initial evaluations to determine special education eligibility are completed within the required time-line. Campus will follow district policy to ensure students with disabilities have access to facilities. Campus will follow district procedures in addressing Transition requirements for all students including students with disabilities. Campus will follow district procedures regarding parental requests for special education evaluations. Campus will work collaboratively with the District Special Education Office to ensure compliance with Senate Bill 1196 - Restraint Training and Texas Behavior Support Initiative requirements.

Summative Evaluation: Significant progress made toward meeting Objective

Pasadena Independent School District

South Shaver Elementary

2020-2021 Formative Review

Accountability Rating: Not Rated: Declared State of Disaster

Mission Statement

The mission of South Shaver Elementary is to provide a safe, stimulating, and inclusive environment that fosters the social, emotional, and intellectual growth of all students.

Vision

Our students will be confident, critical thinkers who take responsibility for themselves, demonstrate respect for others, and respond to the rapidly changing world around them.

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable, and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Table of Contents

| | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Goals | 4 |
| Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student. | 4 |
| Goal 2: We will promote career and college exploration and preparation through the use of systems and structures to meet the needs of all. | 28 |
| Goal 3: We will actively recruit, develop, and retain a highly qualified staff. | 29 |
| Goal 4: We will use culturally responsive approach to relentlessly pursue meaningful engagement with parental, business, and community stakeholders. | 31 |
| Goal 5: We will promote a safe school environment, teach citizenship, and support the social, emotional and physical well-being of all students and staff. | 33 |

Goals

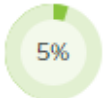

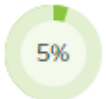

Goal 1: We will ensure rigorous curriculum and meaningful experiences through innovative learning environments that meet the individual needs of each student.

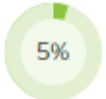

Performance Objective 1: During the current school year, consistent implementation of district curriculum, research based strategies, and rigor and relevance principles will ensure that performance of all students will meet or exceed the state average.

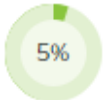

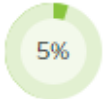

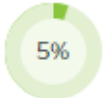

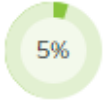

Targeted or ESF High Priority

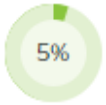

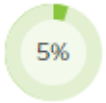

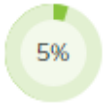

Evaluation Data Sources: walkthrough documentation, lesson plans, campus and district staff development logs and agendas

| Strategy 1: Monitor curriculum implementation through campus walkthroughs. Strategy's Expected Result/Impact: walkthrough documentation, feedback to staff Staff Responsible for Monitoring: Campus Administrators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 2 Details | Formative Reviews | | |
| Strategy 2: Implement the district scope and sequence for all courses in grades PK through 4. Strategy's Expected Result/Impact: lesson plans in Eduphoria, walkthrough documentation Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, Team Leaders Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - TEA Priorities: Build a foundation of reading and math, Improve low-performing schools Funding Sources: "90% of BFU Budget" MINUS Pgm 21, 23, 24, 25 - 199 - General Fund - \$44,709 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 3 Details | Formative Reviews | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 3: Provide campus-based staff development to ensure consistent implementation of curriculum and rigor and relevance standards. Strategy's Expected Result/Impact: campus staff development plan, agendas, and sign-in sheets Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 - TEA Priorities: Recruit, support, retain teachers and principals, Build a foundation of reading and math, Improve low-performing schools Funding Sources: Salary - Title I Peer Facilitator - 211 - Title 1 A - Economically Disadvantaged Study - \$245,234 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 4 Details | Formative Reviews | | |
| Strategy 4: Integrate relevant literacy skills across all content areas. Strategy's Expected Result/Impact: lesson plans in Eduphoria, walkthrough data Staff Responsible for Monitoring: Peer Facilitators, Literacy Cohort, Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 5 Details | Formative Reviews | | |
| Strategy 5: Implement gradual release model for lesson design and delivery. Strategy's Expected Result/Impact: lesson plans in Eduphoria, walkthrough data Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 6 Details | Formative Reviews | | |
| Strategy 6: Use standardized rubrics for measuring responses for writing assignments and/or assessments of all content areas. Strategy's Expected Result/Impact: lesson plans in Eduphoria, walkthrough data Staff Responsible for Monitoring: Peer Facilitators, Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 7 Details | Formative Reviews | | |
| Strategy 7: Ensure that all science classes incorporate hands-on and outdoor laboratory activities in alignment with state Science TEKS. Strategy's Expected Result/Impact: lesson plans in Eduphoria, walkthrough data Staff Responsible for Monitoring: Campus Administrators, Team Leaders Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |

| Strategy 8 Details | Formative Reviews | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| Strategy 8: Use on-line databases, eBooks, books, and other resources for specific TEKS. Strategy's Expected Result/Impact: lesson plans in Eduphoria, walkthrough data Staff Responsible for Monitoring: Librarian, Technology Liaison, Teachers Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 9 Details | Formative Reviews | | |
| Strategy 9: Provide staff development on utilization of on-line databases and resources. Strategy's Expected Result/Impact: sign-in sheets, agendas Staff Responsible for Monitoring: Librarian, Technology Liaison, Peer Facilitators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 10 Details | Formative Reviews | | |
| Strategy 10: Provide staff with the training necessary to implement differentiated research-based instructional strategies such as small group instruction, cooperative learning, curriculum compacting, use of leveled readers, and authentic projects. Strategy's Expected Result/Impact: sign-in sheets, agendas Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators, Literacy Cohort Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
| Strategy 11 Details | Formative Reviews | | |
| Strategy 11: Build and convene content area curriculum committees to share successful implementation of research-based instructional practices. Strategy's Expected Result/Impact: sign-in sheets, agendas Staff Responsible for Monitoring: Campus Administrators, Peer Facilitators Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6 | Formative | | |
| | Mar | June | Aug |
| |  |  |  |
