Burnett Elementary

2021-2022 Goals/Performance Objectives/Strategies

Mission Statement

The mission of Burnett Elementary, the gateway to unlimited opportunity for the youth of our culturally rich community, is to empower students to become accomplished, self-directed, and collaborative, lifelong learners, who boldly contribute to an increasingly complex and evolving world by engaging them in positive relationships, rigorous curriculum, and innovative meaningful experiences.

Vision

We believe that.....

- A Supreme Being exists and everyone has the right to make religious and/or spiritual choices.
- We will honor our country, our freedom, and all those who protect and defend our constitutional rights.
- Family and community profoundly influence decisions individuals make.
- Everyone has purpose, worth, and dignity with immeasurable potential.
- Connecting with others and building positive, meaningful relationships is essential.
- Learning is instinctive, lifelong, and unique to the individual.
- Communication is pervasive, essential, ever-present, and multidimensional.
- We must provide a safe physical, emotional, and social environment to enhance the ability to learn.
- Diversity adds value to all areas of life.
- Change is inevitable for growth and success.
- Each person is responsible and accountable for the choices he or she makes.
- We must foster an environment of honesty and integrity.

All staff members will contribute to Burnett Elementary School's friendly, inviting environment. We will set the tone through our actions and attitudes. We will demonstrate our continuous support and encouragement of all students in four important ways.

1. We will teach students the expectations for responsible behavior in all school settings by relating student actions to our Guidelines for Success
2. We will provide positive feedback to students when they are meeting expectations and following the Guidelines for Success.
3. We will view minor misbehaviors as teaching opportunities, and respond calmly and consistently with corrections or consequences.
4. We will work collaboratively to solve behavior problems that are chronic or severe in nature.

Guidelines for Success

Be responsible

Everyone deserves respect

Listen and learn

Imagine what you can be

Exercise good behavior

Value honesty

Expect success in yourself

Pasadena Independent School District

Jessup Elementary

2021-2022 Goals/Performance Objectives/Strategies

Accountability Rating: Not Rated: Declared State of Disaster

Mission Statement

Jessup Elementary is an outstanding school where all members of the community realize academics, character, and relationships are equally important as student success.

Our mission: To educate the whole child, while making sure all students are learning at high levels.

Vision

Our Vision is for parents, teachers, and students to create a safe learning community where all children have the opportunity to reach their individual potential.

We Believe that:

Each child deserves the opportunity to have his or her individual needs met in a safe, educationally rich environment.

Teachers educate the whole child by maintaining high expectations, building relationships, teaching and modeling social emotional skills, and addressing individual needs.

Students learn at high levels when they are engaged in the lesson, thinking critically, being challenged, and applying what they have learned.

Parents play an important role in their child's education by being supportive and encouraging as well as by being an active partner with the school.

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable, and allocable under federal regulations. It is in compliance with the federal supplement, not a supplant provision.

Performance Objective 1 Problem Statements:

Demographics

Problem Statement 1: High mobility rates adversely influences academic growth. **Root Cause:** Due to high rates of mobility, plus an unstable two years of schooling because of COVID, many students have gaps in learning and lack mastery and/or sufficient exposure to essential standards.

Student Achievement

Problem Statement 1: Jessup students were well below the district and state averages on the STAAR exams in 2020-21. **Root Cause:** Virtual learning was not successful last school year. Small group instruction was not a priority (due to safety concerns) for many teachers last school year.

Problem Statement 2: Many Jessup students are not reading on-level by the time they move on to the subsequent grade level. **Root Cause:** Students are lacking foundational reading skills.

Goal 1: CURRICULUM & INSTRUCTION - We will provide rigorous and meaningful curriculum by creating integrated learning experiences to meet individual student needs ensuring students are future ready.

Performance Objective 2: Streamline communication of instructional needs between teachers, interventionists, campus coaches, G/T pull out teachers and paraprofessionals. Thus, targeted instruction will be provided in order to fill student-learning gaps, or to provide extended learning opportunities to our accelerated learners.

District Objective:

Objective 1.1 We will systematically implement a districtwide K-12 literacy, problem and project-based curriculum and grading system in order to effectively measure student growth and mastery that will meet or exceed the state average. Strategic Plan: 1.4, 1.1, 1.2, 1.5.2, 2.3.2, Objective 1.2 We will differentiate learning experiences through personalized education approaches in order to meet the needs and close the achievement gap of diverse student groups while providing access to grade level content and stretch learning. Goal 2: COLLEGE, CAREER, & MILITARY READY - We will promote college, career, and military preparation and readiness through the use of systems and structures that meet the needs of each student.

Goal 3: HUMAN RESOURCES - We will actively recruit, develop, and retain a highly qualified staff to promote a successful learning environment for all.

Performance Objective 1: Recruiting activities will target linguistically and culturally diverse teachers who are prepared to serve the needs of the campus' emergent bilingual students / English Learners (ELs).

District Objective:

Objective 3.1 100% of all professional and paraprofessional personnel hired will be highly qualified through equity support systems and training opportunities to facilitate the recruitment and retention of effective employees.

Evaluation Data Sources: Teacher Certifications

Strategy 1 Details	Formative Reviews		
Strategy 1: We will continue to hire bilingual certified paraprofessionals to support our self-contained special education EL students. If the currently employed certified special education teacher decides to no longer work in this position, we will actively recruit a bilingual certified / special education certified teacher to fill the position. 2021-2022 Goals/Performance Objectives/Strategies

Accountability Rating: Not Rated: Declared State of Disaster

Mission Statement

Pasadena ISD provides unlimited opportunities to engage students in positive relationships, rigorous curriculum, and innovative meaningful experiences.

Vision

We believe that...

- A Supreme Being exists and everyone has the right to make religious and/or spiritual choices.
- We will honor our country, our freedom and all those who protect and defend our constitutional rights.
- Family and community profoundly influence decisions individuals make.
- Everyone has purpose, worth, and dignity with immeasurable potential.
- Connecting with others and building positive, meaningful relationships is essential.
- Learning is instinctive, lifelong, and unique to the individual.
- Communication is pervasive, essential, ever-present, and multidimensional.
- We must provide a safe physical, emotional, and social environment to enhance the ability to learn.
- Diversity adds value to all areas of life.
- Change is inevitable for growth and success.
- Each person is responsible and accountable for the choices he or she makes.
- We must foster an environment of honesty and integrity.

Accountability Rating: Not Rated: Declared State of Disaster

Mission Statement

The mission of Richey Elementary, a Title I Campus, requiring the commitment of all employees, parents, business and community members, and students, is to guarantee all students will:

*acquire the knowledge

*master the skills and

*maximize the talents

necessary to fulfill their potential as responsible citizens in the ever-changing world of the 21st century.

Vision

We believe that...

- A Supreme Being exists and everyone has the right to make religious and/or spiritual choices.
- We will honor our country, our freedom and all those who protect and defend our constitutional rights.
- Family and community profoundly influence decisions individuals make.
- Everyone has purpose, worth, and dignity with immeasurable potential.
- Connecting with others and building positive, meaningful relationships is essential.
- Learning is instinctive, lifelong, and unique to the individual.
- Communication is pervasive, essential, ever-present, and multidimensional.
- We must provide a safe physical, emotional, and social environment to enhance the ability to learn.
- Diversity adds value to all areas of life.
- Change is inevitable for growth and success.
- Each person is responsible and accountable for the choices he or she makes.

-

We must foster an environment of honesty and integrity.

Pasadena Independent School District

South Houston Elementary

2021-2022 Goals/Performance Objectives/Strategies

Accountability Rating: Not Rated: Declared State of Disaster

Mission Statement

The mission of Pasadena ISD and South Houston Elementary, the gateway to unlimited opportunity for the youth of our culturally rich community, is to empower students to become accomplished, self-directed, collaborative, lifelong learners, who boldly contribute to an increasingly complex and evolving world by engaging them in positive relationships, rigorous curriculum, and innovative meaningful experiences.

Vision

We believe that...

- A Supreme Being exists and everyone has the right to make religious and/or spiritual choices.
- We will honor our country, our freedom and all those who protect and defend our constitutional rights.
- Family and community profoundly influence decisions individuals make.
- Everyone has purpose, worth, and dignity with immeasurable potential.
- Connecting with others and building positive, meaningful relationships is essential.
- Learning is instinctive, lifelong, and unique to the individual.
- Communication is pervasive, essential, ever-present, and multidimensional.
- We must provide a safe physical, emotional, and social environment to enhance the ability to learn.
- Diversity adds value to all areas of life.
- Change is inevitable for growth and success.
- Each person is responsible and accountable for the choices he or she makes.
- We must foster an environment of honesty and integrity.

Pasadena Independent School District
Sparks Elementary
2021-2022 Campus Improvement Plan

Mission Statement

The mission of Pasadena ISD and Sparks, the gateway to unlimited opportunity for our culturally rich community, is to empower students to become accomplished, self directed, and collaborative lifelong learners, who boldly contribute to an increasingly complex and evolving world by engaging them in positive relationships, rigorous curriculum, and innovative meaningful experiences.

Vision

We believe that...

- A Supreme Being exists and everyone has the right to make religious and/or spiritual choices.
- We will honor our country, our freedom and all those who protect and defend our constitutional rights.
- Family and community profoundly influence decisions individuals make.
- Everyone has purpose, worth, and dignity with immeasurable potential.
- Connecting with others and building positive, meaningful relationships is essential.
- Learning is instinctive, lifelong, and unique to the individual.
- Communication is pervasive, essential, ever-present, and multidimensional.
- We must provide a safe physical, emotional, and social environment to enhance the ability to learn.
- Diversity adds value to all areas of life.
- Change is inevitable for growth and success.
- Each person is responsible and accountable for the choices he or she makes.
- We must foster an environment of honesty and integrity.

Brief Description of SCE Services and/or Programs

--

Personnel for Sparks Elementary

<u>Name</u>	<u>Position</u>	<u>FTE</u>
Giles, Tracy Yuvonne	Elem 4th Grade Teacher	1

Schoolwide and Targeted Assistance Title I Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

The campus staff is involved in the process of creating a campus culture that engages everyone in a data-driven process to produce a comprehensive needs assessment. Data sources and results are identified and closely analyzed by the staff. Analyses of this data then allows the staff to create an effective plan of action that will raise student achievement. As new data becomes available, it is analyzed and plans are modified accordingly.

The Comprehensive Needs Assessment in this document more fully explains the strengths and identified needs for the campus.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The Campus Improvement Plan is developed annually by a committee of shared stakeholders. The SBDM then reviews and approves the plan.

2.2: Regular monitoring and revision

The SBDM periodically reviews the CIP and its progress through quarterly assessments. When necessary, revisions are made to the plan.

2.3: Available to parents and community in an understandable format and language

The CIP is available to all stakeholders on the campus website. Hard copies may be requested from the office.

2.4: Opportunities for all children to meet State standards

Teachers are required to follow the scope and sequence which was created by the district in order to teach all the TEKS for their subject area and to prepare students for their Curriculum Based Assessments and STAAR tests. The district provides an Assessment Calendar for target tests, CBA's, and Mock STAAR tests. The test results are analyzed by administrators and teachers to determine strategies for re-teaching, intervention and/or enrichment.

2.5: Increased learning time and well-rounded education

Teachers analyze data during their PLC's to determine which students need additional help and or enrichment. STAR time is conducted Monday - Thursday for 30 for Grades Kinder and First and 40 minutes for 2nd, 3rd, and 4th grade to support students academic needs. The CIP also includes many strategies to help students become well-rounded individuals.

2.6: Address needs of all students, particularly at-risk

Many of the students at Sparks are identified as At-Risk. Therefore, many of the strategies are designed specifically to allow students to successfully meet and master the state standards.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

A Counselor/Parent Coordinator provides communication, information, and strategies to enhance parental involvement. They provide teachers with tools to encourage parental participation and work with parents to determine their needs and how the schools can respond. They support parents with technology training and parenting information.

Parent-teacher-student compacts have been collaboratively developed and shared with students, parents and teachers.

3.2: Offer flexible number of parent involvement meetings

Numerous parent trainings and meetings are provided throughout the school year at Sparks. A Parent Survey (English and Spanish) is conducted annually so parents can indicate their concerns regarding policies, procedures, communication, strengths, and weaknesses of the school. Results from the surveys shape future policies, procedures and events.

Goals

Goal 1: We will provide rigorous and meaningful curriculum by creating integrated learning experiences to meet individual students needs ensuring students are future ready.

Performance Objective 1: Customize and systematically implement rigorous curriculum and integrated learning experiences to support development of critical thinking, collaboration, creativity, and communication.

District Objective:

Objective 1.1 We will systematically implement a districtwide K-12 literacy, problem and project-based curriculum and grading system in order to effectively measure student growth and mastery that will meet or exceed the state average. Strategic Plan: 1.4, 1.1, 1.2, 1.5.2, 2.3.2, Objective 1.2 We will differentiate learning experiences through personalized education approaches in order to meet the needs and close the achievement gap of diverse student groups while providing access to grade level content and stretch learning. Strategic Plan: 1.5

Evaluation Data Sources: Lesson Plans, Lesson Plan Protocol, Outlook Meeting requests, Power Planning Agendas and Minutes, SLP platform data, Cognitive Skill data, Campus-created Common Assessment data, STAAR released tests, and STAAR interim assessment data.

Strategy 1 Details	Formative Reviews		
<p>Strategy 1: Content area teams have protected time built into the master schedule for in-depth conversations as a Professional Learning Team (PLT) to analyze data, to create and plan common assessments, to align resources to Essential Standards, share resources, backwards plan project-based learning, create lesson plans, and discuss how to utilize available resources on campus so that integrated learning experiences are designed to develop critical thinking, collaboration, creativity, and communication among teachers and students.</p> <p>Strategy's Expected Result/Impact: A campus created lesson plan template will be used by every department to ensure consistency across the campus. A Lesson Plan Protocol will be used to review lesson plans and provide timely feedback to teachers before execution. All lesson plans will include clear objectives, opportunities for student dialog and processing, daily formative assessments, the use of exemplar responses and evidence of customization and rigor.</p> <p>Staff Responsible for Monitoring: Campus Coaches and Administrators</p> <p>Schoolwide and Targeted Assistance Title I Elements: 2.5</p> <p>- TEA Priorities: Recruit, support, retain teachers and principals</p> <p>- ESF Levers: Lever 2: Effective, Well-Supported Teachers, Lever 4: High-Quality Curriculum, Lever 5: Effective Instruction</p> <p>- Comprehensive Support Strategy - Additional Targeted Support Strategy</p>	Formative

Strategy 2 Details	Formative Reviews		
<p>Strategy 2: Flexible, student-centered curricula and assessments will enable learning experiences that help students grow steadily toward multidimensional learning outcomes in ways that are responsive to their individual needs, goals, and preferences.</p> <p>Strategy's Expected Result/Impact: Peer observations will take place and Instructional Coaches will debrief with teachers. Data will reflect consistency from classroom to classroom of how to effectively launch a daily lesson. All students will have equal access to high quality instruction. Learning will be customized to student needs by using formative assessment data. There will be evidence of the Rigor Look-For from both teacher and student actions. Teachers will attend campus professional development on Rigor and Customization Look-Fors. Cognitive Lift for students will increase so that learning is visible when explaining, making connections, and addressing questions, during written work and discourse. Students engage in, and teachers provide, experiences tailored to students' needs, preferences for how to learn, and specific developmental levels. Teachers will consider IEP goals, EL goals and other diverse learning needs when structuring student tasks as evidenced by multiple paths to student demonstration of mastery during the lesson's execution.</p> <p>Staff Responsible for Monitoring: Administrative Team, Campus Coaches</p> <p>Schoolwide and Targeted Assistance Title I Elements: 2.5</p> <p>- TEA Priorities: Recruit, support, retain teachers and principals, Improve low-performing schools</p> <p>- ESF Levers: Lever 2: Effective, Well-Supported Teachers, Lever 4: High-Quality Curriculum, Lever 5: Effective Instruction</p> <p>- Comprehensive Support Strategy - Additional Targeted Support Strategy</p>	Formative

Strategy 3 Details	Formative Reviews		
<p>Strategy 3: Campus instructional leaders review disaggregated data to track and monitor the progress of all students and provide evidence-based feedback to teachers. All teachers use a student tracking system that includes progress monitoring of student's cognitive skill scores, formative and summative assessment information, and daily/weekly Power/Additional Focus Area progress for all core content areas.</p> <p>Strategy's Expected Result/Impact: Professional Learning Teams will be systematically implemented following Professional Learning Community frameworks to improve instruction for low scoring Essential Standards. Essential Standards will be decided as a department for each core content area. Teachers will create SMART Goals each nine weeks to reteach Essential Standards that were not at "meets grade level" passing standards. Campus leaders and instructional coaches will monitor implementation and hold task owners accountable for execution of the work as identified in their goal statements. After each assessment, teachers will identify their current status of student mastery, create a targeted goal for students that have yet to meet mastery, and then adapt their weekly plans to plan and prepare the reteach. All classrooms include at least one visible student progress tracking artifact, which is regularly updated. Goal 1: We will provide rigorous and meaningful curriculum by creating integrated learning experiences to meet individual students needs ensuring students are future ready.

Performance Objective 2: Provide time and support to include more options and opportunities for personalized education approaches that meet diverse learner needs.

District Objective:

Objective 1.2 We will differentiate learning experiences through personalized education approaches in order to meet the needs and close the achievement gap of diverse student groups while providing access to grade level content and stretch learning. Strategic Plan: 1.5

Evaluation Data Sources: The learning environment operates within a policy context that is conducive to both learning and demonstration of masters that happen flexibly in a variety of times, placed, and customized conditions. Evidence of students becoming self-directed learners, students scoring within on grade-level range using a cognitive skills rubric during project-based learning opportunities, and academic student growth as measured by NWEA MAP, STAAR, and/or TELPAS.

<p>Strategy 1: 1. Students are scheduled into FLEX classes (Tier 2 and Tier 3) during the traditional school day to provide intensive instruction in a smaller group setting. 2. Tutorials will take place during and after school in reading, math, science, and social studies focusing on accelerated instruction for all students to achieve 'meets grade level' as measured on 2021 STAAR. 2. After-school tutoring support is offered to students who have not yet mastered the essential standards in math, reading, and science, as well as, students that are reading below-grade level. All sub-populations of students are included.</p> <p>Strategy's Expected Result/Impact: Improved Academic Achievement performance at the "meets grade level" and "masters grade level" standard on the following indicators:</p> <p>1). To increase the Mathematics Target for Hispanic students from 21% to the Target 40% as measured on 2021STAAR. 2). <p>Strategy 2: Campus Instructional leaders meet weekly to focus on student academic progress. Staff will utilize the Summit Learning Platform (SLP), Aware and other tools of data collection to analyze student performance every week and monitor the progress of all students. Time to meet as a team is provided to all teachers during the traditional school day.</p> <p>Strategy's Expected Result/Impact: All staff are engaged in coordinated and proactive planning to identify students who have significant learning gaps or who lack key foundational skills. Lead team meetings include written agendas, recorded meeting minutes and next steps captured along with follow-up techniques, with an emphasis on data analysis and progress monitoring. Teachers use a corrective instruction planning process on an individual basis, team basis, and department basis. During weekly team meetings, teachers will create goals on how to improve student progress towards mastery of the Essential Standards. The Intervention Assistance Team, which includes classroom teachers, will meet every 9 weeks to monitor and implement strategies and accommodations before (both teacher and parent) referrals are made for special services. Decisions will be made with regard to the intervention process and appropriate referrals to 504, dyslexia, speech, and special education. Pasadena Independent School District

Teague Elementary

2021-2022 Campus Improvement Plan

Accountability Rating: Not Rated: Declared State of Disaster

Mission Statement

Pasadena ISD provides unlimited opportunities to engage students in positive relationships, rigorous curriculum, and innovative meaningful experiences.

Teague Elementary, a Title I Campus, will be a safe place, physically and psychologically, for every child to engage in the interesting pursuit of lifelong learning in a positive climate where a caring staff ensures that every child will succeed.

Vision

Pasadena ISD empowers students to become accomplished, self-directed, collaborative, lifelong learners who boldly contribute to an increasingly complex and evolving world.

We believe that...

- A Supreme Being exists and everyone has the right to make religious and/or spiritual choices.
- We will honor our country, our freedom and all those who protect and defend our constitutional rights.
- Everyone has purpose, worth, and dignity with immeasurable potential
- Family and community profoundly influence decisions individuals make
- Connecting with others and building positive, meaningful relationships are essential
- Learning is instinctive, lifelong, and unique to the individual
- Communication is pervasive, essential, ever-present, and multidimensional
- We must provide a safe physical, emotional, and social environment to enhance the ability to learn
- Diversity adds value to all areas of life
- Change is inevitable for growth and success
- Each person is responsible and accountable for the choices he or she makes
- We must foster an environment of honesty and integrity

Federal Funds Compliance Statement

The federal funds are reasonable, necessary, allowable and allocable under federal regulations. It is in compliance with the federal supplement, not supplant provision.

Sped - 113 - 15.4% 504 - 20 - 2.7% Dyslexia - 24 - 3.3%

Demographics Strengths

- Strong Intervention process to identify students for Speech and Special Education testing
- GT Assessment/Testing/Identification process
- Bilingual Classes for each grade level
- Bilingual Instructional Aides to provide tutoring and support for the Bilingual classes
- Identification and monitoring of special populations (ELL, SPED, ED, GT)

- Pullout program for identified GT students
- Instructional Coaches and Instructional Aides to provide intervention to students in need
- Homeless Case Manager
- Monitor and provide interventions for all student subgroups
- Parent meeting to discuss the Title I program
- 504/Dyslexia - monitor and provide support for students
- Tutoring/Enrichment (PIE Time)
- Parent Communication in English and Spanish
- High Attendance Rate
- Extended Day

Problem Statements Identifying Demographics Needs

Problem Statement 1: Increase in our special education population. **Root Cause:** More students are being identified through the IAT process as needing special education supports and services.

Student Achievement

Priorities:

- Increase daily math problem solving in all grade levels
- Provide tutoring and enrichment in a timely manner
- Increase AR participation to build up student fluency and comprehension skills.
- Implement PLC's at all grade levels to monitor student progress
- Common assessments in reading and math (1st - 4th)
- Small group reading instruction to target students reading below grade level
- Data analysis of common assessments

Student Achievement Strengths

- Maintaining high expectations and achievement with changing demographics
- The gap between subgroups is closing each year
- Strong Intervention Process
- DEAR time in all grade levels
- GT Pullout program
- Focus and Spiraling of SE's
- District Curriculum, Timeline, Resources and Assessments
- Common Planning Time
- Small Group Instruction for Reading and Math
- Waterford/Successmaker/i station/Aims Web
- Targeting specific needs of students through tutoring
- More participation in Accelerated Reader from the 3rd and 4th grade students
- PIE Time schoolwide
- Increased accountability for the lower grades with CBA's and reading levels

Problem Statements Identifying Student Achievement Needs

Problem Statement 1: Due to the pandemic that started in March of 2020 and continued throughout the last school year, students have significant learning gaps. **Root Cause:** Many students were learning virtually and/or missed days of learning due to being out for covid related illness.

Problem Statement 2: Students receiving special education services perform lower than the district on state assessments. **Root Cause:** The students are usually working and performing 2 grade levels or more below. Their reading levels are also below and the state assessments are written at a higher level.

School Culture and Climate

School Culture and Climate Summary

- Continued implementation of Safe and Civil and Conscious Discipline strategies
- Conduct staff, parent and student surveys
- Increase positive school image and branding through publicity (Facebook, Twitter, Instagram)

School Culture and Climate Strengths

- Student and Staff Recognition
- Student/Employee Safety
- Friendly Atmosphere and Environment/Lots of Staff support for one another
- Televised Morning Announcements
- Student Council and leadership opportunities
- Staff and Student Service Projects (Blood Drives, Can Food Drives, Leukemia Society, Ronald McDonald House)
- Safe and Civil Schools/Conscious Discipline
- Spirit and Special Days (Texans, Astros, Rodeo)
- Courtesy Committee - Brag Board
- Clean and well maintained school building and grounds
- End of the Year Celebrations
- Discipline referrals are low
- Friends and Family Boards
- CHAMPS implementation
- Positive Behavior Interventions and Supports
- Campus Bullying Prevention Campaign
- Relationships with kids
- Kindness Tree
- Open door policy with administrators
- Increase in school publicity using Facebook and district web page
- Safety trainings and drills for all staff

Problem Statements Identifying School Culture and Climate Needs

Problem Statement 1: Need to provide school safety training which includes preventative, mental health awareness and a parent/community component.

Problem Statement 2: Need to consider adding additional on-line training modules for staff that are not required but are needed to handle the physical, behavioral, social emotional, and mental health needs of today's youth.

Problem Statement 3: Elementary counselors focus on implementing the recommended ASCA model and providing needed direct services to students at least 80% of their work day.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

- Provide support through staff development and mentoring
- Have a Highly Qualified Teacher in every classroom
- Have only Highly Qualified Aides to work with students
- Create an environment where people want to stay and not leave to have consistency in the building
- Encourage more staff to seek and obtain their ESL certification

Staff Quality, Recruitment, and Retention Strengths

- Mentors provided to all 1st year teachers
- Instructional coaches
- Staff Development
- Highly Qualified Staff
- Common planning time
- Maintain a low turn over rate of employees

Problem Statements Identifying Staff Quality, Recruitment, and Retention Needs

Problem Statement 1: Teacher retention and the number of teachers with less than 5 years of experience. **Root Cause:** Ensure that new teachers are supported in class as well as district wide through coaching cycles and mentoring programs.

Problem Statement 2: There is a lack of quality substitutes available. **Root Cause:** Teacher attendance has declined and substitutes do not feel prepared.

Problem Statement 3: New teachers have limited experience of managing instructions and behaviors of students in their own classroom. **Root Cause:** Inexperienced teachers need extra support through coaching cycles and mentoring programs

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

- Follow district scope and sequence school-wide
- Administer MAP (2nd - 4th) and district assessments and use data from assessments to drive instruction
- Use common assessment to monitor student progress
- Use various sources of data to develop tutoring and enrichment groups
- Utilize Instructional Coaches to help support classroom teachers
- Provide time and resources for PLC's
- Standards based grading and report cards

Curriculum, Instruction, and Assessment Strengths

- District curriculum, timelines, assessments and resources
- Beginning, middle and end of the year MAP assessments for 2nd - 4th grade
- Beginning and end of year mCLASS assessments for K-2
- Horizontally and vertically aligned curriculum
- Grade level PLC's
- Professional Development
- A to Z Learning for Leveled Readers
- Team Planning and Collaboration
- Instructional Coaches for Reading and Math
- Highly Qualified Staff
- Easily accessible data to guide instruction
- Daily tutoring/enrichment in all grade levels (PIE time)
- Accelerated Reader
- Study Island
- PIE Time

Problem Statements Identifying Curriculum, Instruction, and Assessment Needs

Problem Statement 1: Ensure campus systems are in place to assist in developing differentiating plans to meet the academic needs of all students. **Root Cause:** Students come to school with various background knowledge and experiences and needs.

Parent and Community Engagement

Parent and Community Engagement Summary

- Training for staff and volunteers to develop successful partnerships
- Increase parental and community involvement
- Increase number of business partnerships
- Solicit input from parents on desired trainings
- Parent Coordinator

Parent and Community Engagement Strengths

- Title I parent meetings and trainings
- Grade level music programs
- Ready, Set, Teach students from Memorial High School
- Junior Achievement students
- Jump Rope for Heart
- Turkey Trot
- Family Nights
- Parent communication in English and Spanish (calendars and notes)
- Volunteer program
- Career Day
- Remind, Skyward, and Automated phone call out system
- Parent Orientation Night
- Meet, Greet and Drop prior to school beginning
- Parent/Teacher/Student Compacts
- Community Publicity and Events
- PMHS sports teams as mentors
- Parent coordinator
- Boy/Girl Scouts
- Facebook/Twitter/School Website

Problem Statements Identifying Parent and Community Engagement Needs

Problem Statement 1: There has been a decrease in parent involvement over the years. **Root Cause:** In many families, both parents or caretakers work, which makes it difficult for them to participate in various activities.

School Context and Organization

School Context and Organization Summary

- Consistent school-wide implementation of Conscious Discipline and CHAMPS
- Have a secure, safe and friendly environment for all
- Review traffic patterns, arrival and dismissal procedures for safety and efficiency
- Conduct various safety drills

School Context and Organization Strengths

- Grade level common planning time
- Safe and Civil Team
- Site Based Team
- Organized and safe arrival and dismissal procedures and supervision in the halls and cafeteria
- Master Schedule
- Red Ribbon Week
- Weekly Staff Bulletins and Monthly Calendars
- Team Building
- Student Council
- Team Leaders
- Two Instructional Coaches
- Highly Qualified Staff
- Televised morning announcements
- SHAC program
- Health, Fitness and Nutrition emphasis
- Crisis Team
- DEAR Time
- PIE Time
- Teachers at checkpoints in the hallways in the morning
- Raptor - visitor/volunteer badges
- Universal Breakfast
- Doorbell and peep holes for the gym doors so they can remain locked during the school day
- Doorbell and locks on the interior doors activated by the office staff to permit visitors who have checked in to enter the building.
- Conduct various safety drills (shelter in place, tornado, lock down, fire, etc) throughout the year.

Problem Statements Identifying School Context and Organization Needs

Problem Statement 1: Students need to be provided with consistent effective instruction; therefore administration, peer facilitators and instructional support staff need to provide teachers with appropriate support/coaching.

Problem Statement 2: Arrival and dismissal procedures need to be safe for all, especially in high traffic areas. **Root Cause:** Teague is located at an intersection and close to

Pasadena Memorial High School and Tegeler. This causes a lot of traffic during arrival and dismissal.

Technology

Technology Summary

- Provide one to one device for every student
- Embed technology into instruction to increase student use and productivity
- Increase use of digital resources to include eBooks, eReaders, ipads, Chromenbooks, etc.
- Provide professional development on use of digital resources, Google Classroom, Seesaw and Zoom
- Personalized Learning classrooms in 4th Grade
- Provide orientations of the LMS (Google Classroom, Seesaw) to students

Technology Strengths

- 1:1 devices for all students
- 21st century technology classrooms and library
- Technology Teacher
- Computer Lab
- School/Class Websites
- Mobile Labs
- Successmaker/Waterford Licenses
- Kindles for the library
- Technology Professional Staff Development
- Netbooks for all staff

Problem Statements Identifying Technology Needs

Problem Statement 1: Existing campus hardware/software is not always able to support the evolving advances in technology. **Root Cause:** School budgets are limited.

Brief Description of SCE Services and/or Programs

SCE funding is used for class size reduction, intervention resources, instructional supplies and materials.

Personnel for Teague Elementary

<u>Name</u>	<u>Position</u>	<u>FTE</u>
Garcia,Silvia Patricia	BIL 4th Grade Teacher	1

Schoolwide and Targeted Assistance Title I Elements

ELEMENT 1. SWP COMPREHENSIVE NEEDS ASSESSMENT (CNA)

1.1: Comprehensive Needs Assessment

The campus staff is involved in the process of creating a campus culture that engages everyone in a data-driven process to produce a comprehensive needs assessment. Data sources and results are identified and closely analyzed by the staff. Analyses of this data then allows the staff to create an effective plan of action that will raise student achievement. As new data becomes available, it is analyzed and plans are modified accordingly.

The Comprehensive Needs Assessment in this document more fully explains the strengths and identified needs for the campus.

ELEMENT 2. SWP CAMPUS IMPROVEMENT PLAN (CIP)

2.1: Campus Improvement Plan developed with appropriate stakeholders

The Campus Improvement Plan is developed annually by a committee of shared stakeholders. The SBDM then reviews and approves the plan.

2.2: Regular monitoring and revision

The SBDM periodically reviews the CIP and its progress through quarterly assessments. When necessary, revisions are made to the plan.

2.3: Available to parents and community in an understandable format and language

The CIP is available to all stakeholders on the campus website. Hard copies may be requested from the office.

2.4: Opportunities for all children to meet State standards

Teachers are required to follow the scope and sequence which was created by the district in order to teach all the TEKS for their subject area and to prepare students for their Curriculum Based Assessments and STAAR tests. The district provides an Assessment Calendar for target tests, CBAs, and Mock STAAR tests. The test results are analyzed by administrators and teachers to determine strategies for re-teaching, intervention and/or enrichment.

2.5: Increased learning time and well-rounded education

Teachers analyze data during their PLC's to determine which students need additional help and or enrichment. PIE time is every morning from 8:00 - 8:30 for grade K-4 to support students academic needs. The CIP also includes many strategies to help students become well-rounded individuals.

2.6: Address needs of all students, particularly at-risk

Many of the students at Teague are identified as At-Risk. Therefore, many of the strategies are designed specifically to allow students to successfully meet and master the state

standards.

ELEMENT 3. PARENT AND FAMILY ENGAGEMENT (PFE)

3.1: Develop and distribute Parent and Family Engagement Policy

A Counselor/Parent Coordinator provides communication, information, and strategies to enhance parental involvement. They provide teachers with tools to encourage parental participation and work with parents to determine their needs and how the schools can respond. They support parents with technology training and parenting information.

Parent-teacher-student compacts have been collaboratively developed and shared with students, parents and teachers.

3.2: Offer flexible number of parent involvement meetings

Numerous parent trainings and meetings are provided throughout the school year at Teague. A Parent Survey (English and Spanish) is conducted annually so parents can indicate their concerns regarding policies, procedures, communication, strengths, and weaknesses of the school. Results from the surveys shape future policies, procedures and events.
