The image shows a screenshot of a website. On the left is a dark navigation menu with the following items: Home, Free WiFi Access, Student Technology Help Desk, Parent/Guardian Resources (with a caret icon), General Guidelines, Routines & Schedules, Communication, and Tutoring Support (with a caret icon and a grey highlight). Under Tutoring Support are links for Grades 5-7 and Grades 8-12. The main content area features a large banner with a dark, dotted background and a faint world map. The banner text reads "TUTORING SUPPORT FOR GRADES 5-12" in large white letters, with a horizontal line underneath. Below the banner, the text reads: "In an effort to help provide additional support for our students, we have opened an online tutoring program for grades 5-12. We have a bank of certified teachers from our Guidance Center prepared and ready to".
